like me.
So, don't be sad if she finds
you too Little to play with.
I'm sure Chloe
will play with both of you.
Chloe is here!
Aunty Pig has brought Chloe to
spend the day at Peppa's house.

Chloe is Peppa and George's cousin.
Chloe is a bit older than
Peppa and George.
Hello, Chloe!
Hello, Peppa! Hello, George!
See you later!
Do you want to play a game?
Yes! Let's play
"Catch!"
Peppa loves playing "Catch".
Do you still play "Catch"?
That's a game for Little children.
We only play "Catch"
because George likes it.
Okay. Let's play it for George.
Do you play with the proper rules
or the baby rules?
Proper rules!
I'll start.
Peppa! You're "it".
Catch me if you can!
Peppa is "it". She has to
chase Chloe and George.
Can't catch me!
George!
I'm going to easily
catch you! You're so Little!
That's not fair!!
You're helping George!
That's because he's Little.
Do you want me to help you?
No! I don't need help.
I'm a big girl like you.
Come on, then, Peppa!
Try and catch us!
Can't catch us!
Can't catch us!
This is a silly game.
Can we play something else?
Okay, I know a really good
game for big children.
It's called "Sly Fox"!
"Sly Fox"!!
I want to play "Sly Fox"!!
What is it?
One person is the "Sly Fox"
and the others creep
up on them.

Me! Me! I want to
be the "Sly Fox"!
Peppa is the "Sly Fox".
While her back is turned,
the others creep up on her.
But if Peppa turns and
sees someone move,
they have to go back to the start!
George, I saw you move!
Back to the start!
Got you! I win!
You moved before
I was ready!
The rules say I can
move when I like.
Don't they, George?
Now it's Chloe's turn
to be the "Sly Fox".
Peppa and George must
stay very still.
Whoaao!
Peppa! I saw you move!
Back to the start!
It's not fair!
You looked too long!
The rules say, I can look
as long as I want.
Back to the start.
George is the winner!
Can we play a different game?
Yes.
But as long as it's
a grown-up game.
I know!
Let's play my favorite game!
It's very grown-up!
George, do you know
what Peppa's
favorite game is?
Peppa's favorite game is
jumping up and down in muddy puddles!
George, if you jump in puddles,
you must wear your boots!
I've brought some boots
for you too, Chloe!
I'm too grown-up to jump
in muddy puddles.
Oh. So am I.

George loves jumping
in muddy puddles.
Secretly, Peppa would love
to jump in the puddle.
But she wants to look grown-up.
I hear there's some puddle
jumping going on!
Mummy Pig and Daddy Pig love
jumping in muddy puddles!
It does look fun.
Yes, it does.
Maybe there's a rule that says,
big girls can jump in
muddy puddles.
Yes! That's a good rule!
Race you!
Race you!
Peppa and Chloe love jumping up
and down in muddy puddles!
Everyone loves jumping up
and down in muddy puddles,
even grown-up girls!

Peppa Pig.
Daddy Loses his Glasses!
Daddy Pig Wears glasses.
He needs to Wear glasses to see clearly.
When Daddy Pig Wears his glasses,

Everything looks a bit soft and fuzzy.
So, it is very important
that Daddy Pig knows
Where his glasses are.
Sometimes, Daddy Pig
loses his glasses.
Peppa, George. Have you seen
Daddy Pig's glasses?
He can't find them

anyWhere.
No, Mummy.
Peppa and George do not know
Where Daddy Pig's glasses are.
Oh, dear. Daddy Pig cannot
see a thing Without them
and it makes him very grumpy.
Without his glasses on,
Daddy Pig cannot read
his neWspaper.
This is ridiculous!
I can't see anything!
Somebody must have
put my glasses someWhere.
Do you remember
Where you last put them,
Daddy Pig?
When I don't Wear them,
I alWays put them
in my pocket.
But they aren't there noW.
Daddy! Can We help find
your glasses?
Good idea, Peppa.
If you find them,
Daddy Will stop
being so grumpy.
I'm not grumpy.
Peppa and George are
looking for Daddy's glasses.
Peppa looks under the neWspaper.
But Daddy Pig's glasses
are not there.
Oh.
George looks on
top of the television.
But Daddy Pig's glasses are not there.
Oh.
Let's look upstairs in
Mummy and Daddy's bedroom!
Peppa and George are looking in
Mummy and Daddy Pig's bedroom.
George... be careful not to
knock anything over.
Argh!
It's not funny.
Peppa looks under the pilloWs.
But Daddy Pig's glasses

are not there.
Oh.
George looks in
Daddy's slippers.
But the glasses
are not there, either.
Let's look in the bathroom!
Peppa and George are
looking in the bathroom.
The glasses are not in the bath.
Oh.
The glasses are not in the toilet.
Oh.
Hmm ! It's too difficult.
Peppa and George cannot find
Daddy Pig's glasses anyWhere.
We've looked everyWhere.
But We can't find Daddy's glasses.
Oh, dear. NoW, What can We do?
I suppose I'll just have to
learn to do Without them...
If I move sloWly,
I Won't bump into things.
There they are!
Daddy's glasses!
Daddy Pig. You Were
sitting on them all the time!
Oh...
Silly Daddy!
I don't know hoW they got there.
I Wonder hoW!
Well, you may have been a bit silly,

Mummy, please,
can we go out to play?
You can go out to play
when you finish your breakfast.
George! Don't drink
your juice too quickly!
George drank his juice too quickly,
and now he has hiccups.
Can we go out to play now,
Mummy?
Not while George has hiccups.
But George's hiccups
have gone, Mummy.
Haven't they, George?
Oh, alright, you can
go out and play.
But look after George.
Peppa and George love
playing in the garden.
George. I'm going to throw the ball,
and then you have to catch it.
George, please stop hiccupping!
George! Now you
throw the ball to me,
and I have to catch it.
George!
Oh, dear, George's hiccups
are spoiling the game.
George... I know
how to cure hiccups!
You have to do what I say.
Rub the top of your head
and rub your tummy!
Good! Now your hiccups
have gone!
Peppa's cure for hiccups
doesn't seem to have worked.
George! You have
done it all wrong!
I know a better way
to cure hiccups!
First, jump up and down
three times... on one leg!
Now... Wave your arms

up and down
and stick your tongue out!
... And now...
close your eyes,
and turn around quickly,
three times!
Peppa's new cure hasn't worked, either.
George still has hiccups.
I know!
To cure hiccups, the ill piggy
must be given a shock!
George, I'm going to scare you.
But you must remember,
it's only a game and
it will stop your hiccups.
Remember, this is
just pretend scaring.
Waaaaaaaaaaaaaaaaah!
Peppa! You mustn't
play so roughly with George!
He's only little.
Sorry, Mummy.
I was just trying to stop
George's hiccups.
George's hiccups have gone!

This is Daddy Pig's old accordion.
I used to play this to Mummy Pig
When We first met...
Oh... Daddy Pig. I remember this tune.
George Wants to play

Are you sure, George?
The accordion is quite difficult.
George. The a-cro-dion is almost

Daddy? What other instruments

Just this horn!
Can I try?
You have to bloW it very hard!

Now what you detectives need
is a mystery to solve.

"I know,"
we can find George's toy dinosaur.
That's always getting lost.
Dinosaur.
Mr. Dinosaur is not lost.
"What about your glasses, daddy?"
You. Re always losing them.
"Not today,"
I'm wearing my glasses.
It's not fair.
"There aren't any ""miss stories""."
Would you like me to make you a mystery?
"Yes, please."
Daddy Pig is going to make a mystery.
"Now, what's on the table?"
"The little fish, teddy,"
a Jackin the box and Mr. Dinosaur.
That. S right.
Now look very hard and try to remember them all.
"The little fish, teddy,"
a Jackin the box and Mr. Dinosaur.
Have you remembered them?
Yes!
Ok!
You just have to go outside for a moment.
I'll call you when I'm ready.
It sounds like daddy is going upstairs.
And now he is coming down again.
"All right, you can come back inside now."
One thing is missing from the table.
Do you know what?
"Mr. Dinosaur is there,"
"little fish, Jack in the box."
So who's missing?
"Humm, Teddy."
That. S right.
Teddy's gone.
"Well done, Peppa and George."
It was quite easy for us.
We're famous detectives.
"Ah, but that. S only half the mystery."
Where has teddy gone?
"Oh, I don't know."
What are those little things on the floor?
The cake crumbs.
The magnifying glass makes the cake
crumbs easy to see.

I wonder if teddy has been eating cake.
And the crumbs lead this way.
Teddy's been eating a lot of cake.
The crumbs lead into
Peppa and George's bedroom.
"Oh, the crumbs have stopped."
How could we find teddy?
Ask me some questions.
But I would only answer yes or no.
"Ok, humm, is teddy in this room?"
Yes.
Is teddy in George's bed?
No.
Is teddy some where high up?
Yes.
Teddy's in my bed.
Hooray!
The mystery is solved.
Do you still want to be a detective
"when you grow up, Peppa?"
Being a detective is quite hard.
"Next time, I want to be the one"
who makes mysteries.
Like you. Dear daddy.

07 Rock pools

Rock pools
Peppa and George are going to the seaside
with Granny and Grandpa Pig.
Peppa and George love the seaside.
"Oh, where has the sand gone?"
"There isn't any sand down this beach, Peppa."
No sand?
But we wanted to make sand castles.
Peppa and George love making sand castles.
"No, no, George. Don't be upset!"
There are lots of exciting things
to do on this rocky beach.
Like what?
"When the sea goes out, it leaves little pools"
of water in amongst the rocks.
That called rock pools.
"And in these rock pools, there's something special"
that the sea has left behind.
I can see something glittering.
It's a coin.

Maybe it's a pirate's treasure.
Let's make a collection of all the things we find.
"Yes,"
we'll put them in George's bucket.
What surprise is waiting in this pool?
There's nothing special in this one.
"There's always something, Peppa."
Look closer!
"Whoa, there is something."
"Yes, it's a crab!"
The crab is pinching Grandpa Pig's finger.
Ouch!
"Naughty, Mr. Crab."
"Look, George."
Mr. Crab is walking side ways.
George is pretending to be a crab.
"Peppa wants to be a crab, too."
We're naughty crabs.
"Pinch, pinch, pinch!"
"Pinch, pinch, pinch!"
There are two naughty crabs trying to pinch.
We're naughty crabs.
"Pinch pinch, pinch!"
"Shoo, shoo, shoo,"
you naughty crabs.
Go back to your little rock pools.
"Yes, let's look in more rock pools."
What can you see?
A seashell.
Can you hear the sea in it?
What do you mean?
"If you put a shell to your ear,"
you could hear the sea.
"Wow, I can hear the sea!"
I love my seashell.
"George, can you find a seashell, too?"
Shell!
That's not a shell.
Oh.
Peppa's right.
That's not a shell.
George has found a fossil.
What's a fossil?
A fossil is the remains of an animal that lived
long ago when there were dinosaurs.
Dinosaur!
Rock pools are such fun!
"Yes, they are fun for us."

But not for this little fish.
A fish!
Where?
Poor little fish. She's trapped.
The little fish says she wants to
go back to the sea.
Maybe you could use your bucket
to rescue her.
Yes.
Peppa is rescuing the little fish
in her bucket.
"Don't worry, Mrs. Fish."
You'll soon be back with your friends.
"Bye bye, Mrs. Fish."
Bye bye.
I love rock pools!

08 Windy Autumn Day

Windy Autumn Day
"Today, Peppa is going to the park."
Brrr! It's freezing cold!
It is cold!
Quick!
Let's get our warm clothes on!
"On cold days, Peppa and her family"
wear their hats and scarves and coats.
I'll put the roof up.
"Ooh, And let's get the heating on."
Everyone nice and warm?
"Yes, Daddy Pig!"
Then let's go!
This is the park.
We're here! Hooray!
"Mummy,"
why are all the leaves red and yellow?
"It's Autumn time, Peppa."
"In the Autumn, it gets a bit colder"
and the leaves change color.
It's quite windy.
Let's play a game to keep warm.
My turn!
"Oh,"
it's not meant to go that away.
The wind is blowing the ball along!
The ball is in the pond!
"Hmmm,"

I'll just use this stick to reach it.
 "Just a bit further, Daddy."
 "Be careful, Daddy Pig"
 Don't worry!
 I. Ve almost got it.
 Whoa!
 "Daddy, is the water cold?"
 A little bit.
 The wind has blown the ball
 out of the pond.
 That's lucky!
 "Yes, what a stroke of luck!"
 "It's getting even windier,"
 Hold onto your hats.
 Oh no!
 The wind has blown George's hat off.
 Whoa!
 Don't worry George!
 Daddy Pig will catch your hat!
 "Quick, Daddy!"
 Look!
 It's in that little tree!
 Hmmm.
 I'll just climb up and get it.
 The tree's much too thin to
 "take your weight, Daddy Pig!"
 "So, how can we get George's hat?"
 "Simple,"
 I. ll give the tree a little shake.
 "Hmmm, Maybe if I shake it a bit harder."
 Oooh!
 I thought that sort of thing
 only happened to me!
 It's not funny.
 "It's a bit funny, Mummy."
 I suppose it is a bit funny.
 Where's George's hat?
 It's on your head!
 Here's your hat George!
 Hold onto it this time!
 The wind is blowing all the leaves
 off the trees.
 Look at me! I'm living into the wind.
 The wind is strong enough
 to hold Peppa up!
 The wind is strong enough
 to hold George up!
 Daddy! Have a go!

Er. I'm a bit too heavy...
 "Come on, Daddy!"
 It's really fun!
 "Oh, all right!"
 The wind is strong enough
 to hold up Daddy Pig!
 I say! This is fun!
 "Come on, Mummy Pig!"
 Give it a try!
 But if the wind stops.
 I'll fall over.
 The wind won't just stop!
 The wind has stopped.
 It's not funny!
 It is a bit funny!
 "Now, the wind has stopped."
 What can we do?
 "Hmm, What's your favourite game?"
 Jumping up and down in muddy puddles.
 But there aren't any puddles.
 "Just lots of boring, dry leaves."
 And what do you do with dry leaves?
 I don't know.
 Jump up and down in them!
 Daddy Pig loves
 jumping up and down in leaves.
 Peppa loves
 jumping up and down in leaves.
 Everyone loves
 jumping up and down in leaves.
 This is the best Autumn day ever!

09 The Time Capsule

The Time Capsule
 Peppa and her friends
 are at their playgroup.
 "Today, We are going to"
 make a time capsule.
 What. S a time capsule?
 A time capsule is something that will
 show people in the future how we lived.
 How?
 We'll put special things in this box.
 And then we'll bury it
 in the school garden.
 Will it grow?

"No, Suzy."

It will remain in the ground for many years.

Oooh.

"Now,"

what things should we put inside?

A Comic!

"Very good, Peppa."

Music!

"Very good, Suzy..."

Atoy!

A coin!

Stamps!

A carrot?

"You do like carrots,"

"don't you, Rebecca?"

Yes!

All those are excellent things

to show ourdaily lives.

"Madame Gazelle,"

what will the future be like?

What do you think it will be like?

I think in the future

I will live on the moon.

And all my friends will come to visit.

And I will fly a space rocket.

Hello!

"Now, we'll record a message"

forthe people of the future.

"Say""hello""to the future."

Hello to the future.

You're probably all living on the moon now.

...And going on holiday to Mars.

...And flying around in space rockets.

Wonderful!

It is nearly home time

and all the parents have arrived.

"Mummy, Daddy."

We're made a time capsule.

"Ah, Daddy Pig!"

You're just in time to help us dig a hole.

"Yes, of course."

Daddy Pig is digging a hole in the

school garden forthe time capsule.

There!

Can we dig it up now?

It will remain in the ground for many years.

"Oh, but I can't wait that long."

"Peppa, you're just like your Daddy"

when he was little.

Am I?

"Yes, I remember"

when I was his teacher.

Did you teach my Daddy?

Yes!

I taught all of your Mummies and Daddies.

Didn't I?

"Yes, Madame Gazelle."

When your Mummies and Daddies were little.

"They made a time capsule, too"

"Yes, we did."

We buried it next to a little tree.

Can we dig it up?

"Yes, I think we buried it over here."

Oh!

I thought it was a much smallertree.

It was a long time ago!

The tree has grown a bit since then.

I've found something.

It's ouold time capsule.

Hooray!

I can't wait to open it.

"Stand back, children."

"Yes, Madame Gazelle."

What do we have here?

An old comic...

That was my favorite comic!

Atin toy.

My favorite toy!

Music.

My favorite record!

And... a very old carrot!

That's mine!

What a good choice! Mummy!

And a video tape of

"your mummies and Daddies,"

when they were little.

Oooh.

Who's the little piggy in the glasses?

Ahhh. That's Daddy Pig.

Oh! And that's me.

Hello to the future!

What a squeaky voice you have!

You're probably living on the moon now.

Silly little Daddy Pig.

Making time capsules is such fun

and finding them is even better!

10 Mr Scarecrow

Mr Scarecrow

Peppa and George are playing at Grandpa and Granny Pig's house today.

"Hello, Grandpa Pig!"

Baba Ig!

"Hello, Peppa. Hello, George."

"Grandpa, What are you doing?"

I'm making a flower garden.

Ooooh.

These seeds will grow into beautiful flowers.

I drop the seeds on the ground.

Then I cover the seeds with earth.

Oh! Where have they gone?

The seeds have disappeared.

That's strange.

I'm sure I put some seeds here.

"Yes, Grandpa."

We saw you.

"Well, they're not here now."

"Oh, well."

I. I just have to use some more.

"As I was saying,"

I simply drop the seeds on the ground.

A little bird is eating

Grandpa Pig's flowerseeds.

Get off my seeds!

So that's where all my seeds went.

Into the little bird's tummy!

Two more little birds are eating

Grandpa Pig. S seeds.

Oh! Look!

Ah! Shoo! Shoo!

What's all this noise?

"Granny Pig, the birds are eating"

all my flowerseeds.

So we're chasing the birds away!

There. S no point chasing them.

They'll just come back again.

Look! We need a scarecrow.

What's a scarecrow?

A scarecrow is a strawman

that scares birds away.

"What a good idea, Granny Pig!"

I'll make one!

"Come on, everyone."

"Bye bye, Little birds!"

We're going to make a scarecrow.

This is Grandpa pig's garden shed.

There'll be plenty of things in here to make a scarecrow.

"First, we need two sticks"

and some strings.

We'll find them.

Peppa has found some sticks.

George has found some string.

Good! I'll tie the sticks together

to make the body.

Granny Pig has found some straw and an old sack.

Lovely! I'll put the straw in the sack

to make the head.

"Now, the scarecrow"

needs something to wear.

Here's a bag of old clothes.

Oooh!

George has found a dress.

Silly George!

Mr. Scarecrow doesn't

want to wear a dress.

Peppa has found a coat.

Very good! Peppa.

George has found a hat.

Very good! George.

Mr. Scarecrow needs a face.

That. S right.

Would you and George

like to paint a face?

"Yes, please."

George paints the eyes and nose.

Peppa paints the mouth.

Fantastic!

"Mr, Scarecrow is ready."

Hooray!

The little birds are looking for

Grandpa's flowerseeds.

Look! The little birds are back.

"Don't worry, Peppa."

Mr. Scarecrow will scare them off.

It worked.

Mr. Scarecrow has scared

the little birds away.

Hooray!

"Good! Now,"

my flower seeds will not be eaten.

"Oh, Grandpa,"
the bird look very sad.
"Yes, they must be hungry."
That's why I've brought this.
"What. S that, Granny?"
It's a birdfeeder.
"Grandpa,"
"may I have some seeds, please?"
"Come on, birdies! Lunchtime!"
"Now, the birds have their own seeds to eat."
Hooray! The little birds are happy again!
Peppa is glad that Grandpa's seeds
will not be eaten.
But she is even more glad that
the little birds will not be hungry.

11 The Boat Pond

The Boat Pond

The ducks are swimming in their pond.

They are very happy.

"Here are Peppa, George,"

"Mummy Pig, and Daddy Pig."

"Hello, ducks."

The ducks want some bread.

"Sorry, Mrs. Duck."

We haven't got any bread today.

We've got something much more fun.

"Peppa has brought her toy boat,"

and George has brought his toy boat.

"Let's wind your boat up, George."

George's boat works with clockwork.

"Quick, George, put the boat in the pond"

before the clockwork runs out.

George loves his clockwork boat.

"Mummy, can you wind my boat up?"

"Your boat does not need winding up, Peppa."

"Peppa. S boat is a sail boat,"

the wind makes it go along.

I don't like my boat.

It doesn't do anything.

That's because there isn't any wind today.

Maybe you just need a little help.

"I'll huff, and I'll puff,"

and I'll blow your boat along.

"Hooray, it went really fast."

Peppa loves her sail boat.

"Here's Peppa's friend, Suzy Sheep."

"Hello, everyone."

"Hello, Suzy."

We're playing with our boats.

I've got my speed boat.

Is it clockwork?

"No, it has batteries."

Suzy's speed boat

uses batteries to make it go.

What a great speed boat!

"Sorry, Mrs. Duck."

"Here is Danny Dog,"

with Granddad Dog.

"Hello, everyone."

"Hello, Danny."

My Granddad has made me

this paddle boat.

I'll say that is impressive.

How does it work?

It is steam powered.

I just push this little lever.

What a fantastic paddle boat!

"Here is Rebecca Rabbit,"

with her mummy.

"Hello, everyone."

"Hello, Rebecca."

We're playing with our boats.

I wish I had a boat.

Rebecca Rabbit does not have a boat.

I've got an idea.

Luckily I've brought my newspaper along.

I just need one page.

Which page can we use?

"News, sports, ah, fashion."

Not the fashion page.

"OK, I'll use the business page."

"When I was a little piggy,"

I used to fold newspaper like this.

What is Daddy Pig doing?

To make a paper boat.

Daddy Pig has made a paper boat.

"Thank you, Mr. Pig."

George wants a paper boat too.

I suppose I can do that

with sports page.

"Please, can I have one?"

And me?

Of course.

Daddy Pig's making paper boats
for everyone.
Let's have a race.
"Good idea, Mummy Pig."
"We can huff, and puff,"
and blow the paper boats across.
Everyone takes a deep breath.
Ready? Steady? Blow!
We have a winner.
Who has this sports page?
That's George's boat.
George's the winner.
"I like boats,"
and I like paper boats the best.
Me too!
It is time to go home.
Everybody has had a great time.
Bye bye.
"Bye bye, ducks."
See you soon.
"The ducks enjoy the toy boats,"
but they quite like having the pond back
to themselves again.

12 Recycling

Recycling

Mr. Bull the binman is collecting the rubbish.
It is early morning so Mr. Bull tries to
be as quiet as he can.
But Mr. Bull is not very good at being quiet.
Peppa and George are finishing their breakfast.
What's that noise?
It's Mr. Bull the binman.
"Hello, Mr. Bull."
"Hello, everyone."
Must be off.
Lots of rubbish to collect!
Bye!
Mr. Bull has emptied the rubbish bin for us.
Good! Let's clear up the breakfast things.
"Can we help, Mummy?"
"Yes, you can!"
Let's throw this empty bottle in the bin.
"Peppa, stop!"
What?
We don't put bottles in the rubbish bin.

They can be recycled.
What does that mean?
"All the things we can't use again,"
we put in the rubbish bin for Mr. Bull.
But all the things that can be used again
are put in these recycle boxes.
The red one is for newspapers.
The blue one is for tin cars
and the green one is for bottles.
"Peppa, you have a bottle,"
so which box does it go in?
"Errm, the green one!"
Yes!
This is fun!
"Now, it's George's turn."
Can you find a newspaper for the red box?
George wants to recycle Daddy Pig's newspaper.
"Ho ho, I haven't finished with"
"my newspaper just yet, George."
You can have it in a minute.
"Oh, all right!"
"Here you are, George!"
"Newspapers go in the red box, George."
"Now that we have collected enough things,"
we can go to the recycle center.
Hooray! Let's go!
Mummy Pig has the bottles.
Peppa has the tin cans
and George has the newspapers.
Is everybody ready?
"Yes, Daddy Pig!"
Then let's go!
Recycle! Recycle!
We're going to recycle.
Tin cans!
Bottles!
Newspapers!
Recycle! Recycle!
We're going to recycle.
This is Miss Rabbit's recycle center.
We're here!
Hooray.
"Hello, there!"
"Hello, Miss Rabbit."
Have you come to do some recycling?
"Yes, we have."
Jolly good!
Carry on!

What's Miss Rabbit doing?
"She's recycling all the rusty, old cars."
Wow!
Who can tell me which bin
the bottles go in?
The green one!
That. S right!
And the cans go in the blue one!
Well done! Peppa.
George wants to recycle the newspapers.
"OK, George,"
You can do the newspapers.
There!
That's enough recycling for one day.
"Yes, let's go home."
"Oh, where's our car gone?"
Peppa's car has disappeared.
Stand back!
Miss Rabbit is recycling Peppa's car.
Stop! That's our car!
What? Is it really?
Yes!
Our car isn't old and rusty!
"Silly me, I just love recycling."
"Yes, so do we."
But we also love our little car!
"Yes, and our little car loves us too."
Don't you?

Peppa wants a yoyo.
George wants a train.
Why do they make
these chimneys so small!
Oh no!
Father Christmas

Oooph!
Why are these chimneys
always so sooty?
Ah! I see someone's left me

Delicious!
Ho ho ho!
George! It's Father Christmas!
"Ah! Hello, there!"
And who might you be?

"Thank you, Peppa."
You're most welcome.

Let's get these
"last presents delivered,"
which means climbing back up
this confounded chimney.
Father Christmas.
Why don't you
use the front door?
Gallop! Gallop!
What a good idea!
"Bye bye, Peppa and George!"
Bye bye!
Happy Christmas! Ho ho ho!

Everyone got what they wanted.
Father Christmas is very clever!
"Well, actually it was me who"
told him what you all wanted.
"Don't be silly, Peppa."
It's true!
George and I saw
Father Christmas.
Here are Granny and Grandpa Pig.
"Happy Christmas, everyone!"
Happy Christmas!
I say!
Look at those big boot prints!
Ooohh!
And there's more of the same
boot prints on our roof!
You see! It's true.
I saw Father Christmas.
Woow!
"Happy Christmas, Peppa!"
Can't catch me!
Can't catch me!
This is the best Christmas ever!

14 Pirate Island

Pirate Island
Grandpa pig is taking peppa and his friends
for a day out on his boat.
Everyone on board.
"Aye aye, captain grandpa."
Full sail
See you later.
Peppa and herfriends
are all wearing life jackets.
"George, you could wear my pirate hat."
"Today, we are sailing to pirate island."
"If we are lucky,"
we might find buried treasure.
Wow!
Pirate Island sounds like a great place.
"Land, ahoy."
"Here we are, Pirate Island."
Hooray!
What's that?
It's a metal detector.

It finds buried treasure.
Grandpa pig is using the metal detector
to find buried treasure.
Ah!
The metal detective have found something.

Here it is.
Daddy pig has found the lawn mower.
It's a bit old and rusty.

teeth are very dirty.

"Oh, no."

Dr. Elephant is very cross

with Mr. Dinosaur.

"Not at all, Peppa."

It's my job to make teeth clean.

"The water jet please, Ms. Rabbit."

The dentist uses water to

clean Mr. Dinosaur's teeth.

"The polisher, please, Ms. Rabbit."

This would be a bit noisy.

Dr. Elephant polishes

Mr. Dinosaur's teeth.

"Wow, it's very full!"
"Yes, it's full of old junk."
Peppa and George are here to

help us throw some things out.
Good.
Let's start by
throwing out this box.
Oh! Not that box!
Do we really need this?
That's my ship in a bottle.
And this?
That's my othership
in a bottle.
And these?
They're my
otherships in bottles.
I need them all.
"Well,"
we have to throw something out.
How about this box.
No! Not my hats!
"Oh dear, we can't decide"
what to throw out.
I know!
We'll let Peppa
and George decide.
Ok!
Let's throw away this old case.
Ah! Not that one!
This isn't just any old case.
It's a record player.
Ooooooh.
And this was
our favourite record.
Can we play it?
Yes!
We haven't heard it for years.
This takes me back.
"Come on, Peppa and George,"
let's dance!
Mummy Pig is here to pick up
Peppa and George.
Hello? Where are you?
Mummy Pig can't find anyone.
What's that noise?
Mummy!
Hello!
We've been dancing to
Granny and Grandpa's
favorite record!
Yes.

Granny and Grandpa
played it all the time!
Oh!
And here's the record
"I used to play,"
when I was a Little piggy.
What is it?
It's called
'Birdie Birdie Woof Woof'.
"Not ""Birdie Birdie Woof Woof!""."
You were always playing that!
I thought we'd thrown
that out ages ago.
The birds go woof!
And the dogs go tweet!
Woof tweet!
Woof tweet!
Woof! Woof! Woof!
The sheeps go moo!
And the cows go baa!
Moo Baa! Moo tweet!
Moo Baa! Moo tweet!
Woof! Woof! Woof!
Again again!
The birds go woof!
And the dogs go tweet!
Woof tweet!
Woof tweet!
Woof! Woof! Woof!
The sheeps go moo!
And the cows go baa!
Moo Baa! Moo tweet!
Moo Baa! Moo tweet!
Woof! Woof! Woof!
That was fun.
But we were supposed to be
finding some things
to throw out!
"Peppa, what hould we throw out"
and what should we keep?
"Hmmm, I think you should"
keep everything!

24 Sports day

Sports Day

Today is the school sports day.

Peppa and herfriends are all here.
The first event is running.
The children have to run
as fast us they can.
I think I will win.
I can run very fast.
I'm faster than you.
Ready... Steady... Go.
I can run at a hundred miles an hour.
I can run at a million miles an hour.
Peppa. Suzy.
Stop talking and run.
Oh.
Rebecca Rabbit is in the lead.
"Oh, dear!"
Peppa and Suzy are right at the back.
"Come on, Rebecca! Come on, Danny."
"Come on, Peppa! Come on, Suzy!"
Rebecca Rabbit wins.
And Peppa and Suzy are last.
The winner of the race
is Rebecca Rabbit.
Hooray.
Thank you.
I would have won
"if you hadn't been talking to me, Suzy."
"Now, now, Pepaa."
"Remember,"
"it's not winning that matters,"
but taking part.
"Yes, Daddy."
The next event is the long jump.
George and Richard have to see
who can jump the furthest.
"George, run as fast as you can,"
then jump as far as you can.
"George, ready... steady... Go!"
George has jumped as far as he can.
"Now, it's Richard Rabbit's turn."
"If Richard doesn't run,"
he won't jump very far.
"Richard Rabbit, Ready... Steady... Go."
Richard Rabbit has jumped
further than George.
And the winner is Richard Rabbit.
Hooray!!!
Waaaaaaa!
"George, remember,"

"It's not the winning that matters,"
but taking part.
The next race is the relay.
Each child needs to
pick a parent to race.
"Peppa, pick me, pick me."
"But Daddy,"
You're not very good at running.
I was very good
when I was a little piggy.
But now you have a big tummy.
But I can still touch my toes nearly.
"All right, Daddy."
But you must run very fast.
The Mummies and Daddies
will run the first part of the race.
And then hand the batons
to the children.
Mummies and Daddies.
"Ready? Steady, Go!"
"RUN, Daddy. Mummy."
Daddy Pig is in the lead.
"Come on, Daddy, Mummy."
Come on Daddy.
"Thank you, Daddy."
You did very well.
"Now, it's my turn to take the baton."
"Peppa, stop talking and run."
Oh.
"Keep running, go on."
And the winner is Emily Elephant.
Hooray.
"Oh, Daddy,"
I haven't won a prize yet.
"Don't worry, Peppa."
There's still one more event.
And now for the last event of the day.
The tug of war.
Boys are against girls.
"When I say go, you must"
pull the rope with all your strength.
The girls will win.
"No, they won't. The boys will win."
Ready! Steady! Go!
"Come on, boys."
"Come on, pull."
"Come on, the girls, pull."
I am pulling.

Everyone is pulling so hard
the rope is breaking.
And the result is a draw.
So both teams win.
Hooray.
I love the school sports day.
Especially when I win a prize.

25 The Eye Test

The Eye Test
Peppa and George
are playing with Pedro Pony.
They are going to
jump in muddy puddles.
Pedro has slipped
and lost his glasses.
Where are my glasses?
Without glasses
Pedro can not see very well.
George has found Pedro's glasses.
Ooooh!
Silly George.
Here they are.
Thank you.
"Pedro, Why do you wear glasses?"
I need to.
The optician says so.
What's an optician?
"My daddy is an optician,"
he checks that you can see clearly.
How?
Does he look inside your head?
He does an eye test.
Shall I give you an eye test?
"Yes, give me an eye test."
OK.
"Hmmm, interesting!"
Close one eye
and say what you see.
I can see George.
Now close both eyes.
"Now, I can't see anything."
"Hmmm, can't see anything."
"Very, very interesting."
I think you need glasses.
"Oh, do I?"

Yes.
"Pedro, home time."
"Bye bye, Pedro!"
Bye bye!
"Mummy, I need glasses."
What?
Pedro gave me an eye test
and I need glasses.
I'm sure you're eyes are fine.
"No, mummy,"
"when I closed my eyes,"
I couldn't see anything.
But no one can see anything
with their eyes closed.
Oh.
What's this about needing glasses?
Pedro knows all about glasses.
His daddy is an optician.
"All right, Peppa,"
let's take you to the optician
for a proper eye test.
Let's go now.
"George, would you like?"
"an eye test, too?"
No.
Peppa is at the optician's.
Mr. Pony is the optician.
"Hello, Peppa,"
please sit down.
"Now, what can I do for you?"
"I need an eye test, please."
"Of course, put these special glasses"
on and then look at the chart.
Mr. Pony is going to test Peppa's eyes.
"Can you read these letters for me, please?"
"Ok, hmmm A... B... C... D... E... F..."
Good!
"Now these numbers, please."
Hmmm. 1... 2... 3... 4... 5... 6
Very good!
"And now these colors, please."
Red... green... orange...
blue... yellow... purple
Excellent!
"While I check your results,"
would you like to choose some glasses?
"Yes, please."
"How about these glasses, Peppa?"

They're funny.
"I know,"
what about these ones?
They're too big.
How about these?
"Wow, I like these ones, Mummy."
"Yes, Peppa."
You look fantastic.
I look fantastic.
Good news!
Peppa has perfect eyesight.
"Oh, so I don't need glasses?"
No!
But I really want glasses.
"Hmmm, I suppose you could"
have some sunglasses.
"Yes, sunglasses."
Here you are.
Fantastic!
I hope it's sunny every day.
So I can always wear my sunglasses.

I love our car.
"And our car loves us, too."
Don't you?
"Oh, dear!"
The car has stopped.
It's no good.
It won't start.
I know.

I'll ring Granddad Dog.
Granddad Dog speaking.
Help! Our car has broken down.
"Danny,"
we've got some rescuing to do!
Yippee.
To the rescue!
Look! There's Danny
and Granddad Dog.

"No, you're just run out of Petrol."
What can we do?
There's plenty of Petrol
at my garage.
I. I tow you there.
Granddad Dog is towing Peppa's car
back to his garage.
Granddad Dog is filling Peppa's car
with petrol.
Thank you. Granddad Dad.
Here are Suzy sheep
and her mummy in their car.
"Hello, Peppa."
Hello Suzy.
"We ran out of petrol,"
Granddad Dog rescued us.
"Wow, that's exciting!"
See you later.
"Oh, no!"
All the air has gone out of the tyre.
Will Granddad Dog have to rescue us?
I think so.
Granddad Dog speaking.
I see.
"Don't panic, Mummy Sheep."
I'm on my way.
To the rescue!
"Can I go, too?"
Hop aboard. Peppa.
To the rescue!
"Hello, Suzy,"
we've come to rescue you.
Hooray.
Granddad Dog is filling the tyre with air.
Thank you! Granddad Dad.

Here are Granny Pig
and Grandpa Pig in their car.
Hello Everyone!
Hello Grandpa Pig!
Would you like some petrol or air?
"No, thanks."
I want to try out your new carwash.
Certainly.
It's run by a computer.
"Hello, I am the carwash of the future."
"First, soapy water."
Then a rinse.
"And finally, a polish."
Wow.
"Sorry, I have malfunctioned."
"Oh, dear!"
The computer has broken.
And Grandpa Pig's car is stuck.
Ahh.
"Do something,"
Granddad Dog!
"Oh, I don't know"
how to mend computers.
My daddy mended our computer at home.
"Errrr, well,"
I didn't really mend the computer.
I just...
"Good, Then this is job for Daddy Pig."
"Um, maybe if I just switch it off."
And then switch it on again.
Grandpa Pig has mended the carwash.
Hooray!
Granddad Dog is the best
at mending cars.
But my Daddy mended the carwash.

27 Foggy Day

Foggy Day
Peppa and George are
going to the playground today.
Should we drive to the playgroud?
"No, let's walk."
"Look, it's just over there."
The playgroud is quite close.
"OK, let's walk."
"This way, everyone."

We're going to the playground.

"Oh, where has the sky gone?"

"Don't worry, Peppa."

It's just fog.

What's fog?

Fog is a cloud that is on the ground
instead of in the sky.

Oooh.

"Hmm, it's very thick fog."

I can't see a thing.

"Hmmm, maybe we should"
go back home.

"Yes, we'll go to the"
playground another day.
Ohh...

It is too foggy to
find the playground.

So Peppa and George
have to go back home.

"Now, which way is home?"

"Are we lost, Daddy Pig?"

Don't worry.

I know exactly
where we are.

This way.

"Oh, who put that tree there?"

Daddy pig has
walked into a tree.

"Are you OK, Daddy pig?"

"Yes, I'm fine."

This way.

"Daddy pig, do you know"
where you're going?

"Yes, of course I do."

I don't think we'll ever
find our house again.

"I'm sure we will, Peppa."

We're only in our garden.

"Oh, it's the ducks."

"Hello, Mrs. Duck!"

Have you lost your pond?

We're lost too.

We are not lost.

I know exactly where we are.

"See you later, Ducks."

Good luck finding your pond.

Oh

Oh.

Daddy Pig has found the duck pond.

That's lucky.

"Yes, what a stroke of luck."

"Daddy, Mrs. Duck says thank you."

"You're most welcome, Mrs. Duck."

"Now, let's find our house."

I'm sure it's this way.

Hello.

Did you hear something?

"Yes, I thought"

I heard someone say.

"Hello, it's Mummy Rabbit"
with Rebecca and Richard.

"Hello, Peppa,"
we're lost.

"Hello, Rebecca,"
we're lost too.

We wanted to
go to the playground.

"So did we,"
but it's too foggy to get there.

"Come on, everyone."

Back to our house
until the fog clears.

"Daddy Pig, do you know"
where you're doing?

"Yes, of course I do,"
this way.

"Yes, Daddy Pig."

"Ah, ha."

I've found our little hill.

We'll soon be home.

Hooray.

Our house should be
just about here.

Oh.

Daddy Pig has found a ladder.
That's strange.

We don't have a ladder
in our garden.

Goodness me!

Can you see
where we are Daddy Pig?

"Yes, I can."

"Dad, Where are we?"

Why don't you have a look?

"Wow, wow."

I can see everything again.

The fog is going away.
We're at the playground.
Hooray!
We're at the playground.
"Seesaw, seesaw."
"Daddy, Mummy,"
we're at the playground.
"Well, that's lucky."
But I thought we were
trying to get home.
So did I!
Maybe we did get
a bit lost after all.

28 Swimming

Swimming
Peppa and herfamily
are at the swimming poll.
Daddy pig is wearing
his swimming costume.
Mummy pig is wearing
herswimming costume.
Peppa is wearing
herswimming costume.
"Hurry up, George!"
Everyone is waiting.
George is wearing
his swimming costume.
"Peppa, George,"
let daddy put on yourarmbands.
"There, George,"
Your armbands make you
look very grown-up.
"Now, me!"
Good!
Now we can go in the water.
Hooray!
It is George's first time
at a swimming pool.
Why don't you put just
one foot into the water?
Maybe you should
try the otherfoot.
Maybe George should try both
feet at the same time.
Good idea.

"Well done, George!"
But you don't need to
splash quite so much.
Here is Rebecca Rabbit
"with her little brother,"
Richard Rabbit.
"Hello, Rebecca!"
"Hello, everyone!"
"Richard, hold onto this float"
and you can practice kicking your legs.
"George, would you like to"
try kicking your legs?
"Very good,"
but try not to splash.
Big children don't splash.
We are very good at swimming.
"When George and Richard are older,"
"they'll be able to swim like us,"
"won't they, Rebecca?"
Yes
Oh!
Richard has a toy watering can.
"Stop it, Richard!"
"Oh, dear,"
Richard has dropped his watering
can into the pool.
Mummy!
"Sorry, Richard,"
I can't reach.
It's too fardown.
Mummy!
I can't swim underwater.
Even I can't swim underwater.
"Mmm, please hold my glasses, mummy pig."
Er
Hooray!
There you go!
"Well done, daddy pig!"
I am rathergood at
swimming underwater.
The watering can is for babies.
Can we jump off the diving
boards above now?
"Sorry, Peppa,"
diving boards are only
forthe grown-ups.
"Cheer up, you two."
You can watch me dive.

"Silly daddy,"
your tummy is too big.
Nonsense!
I won trophies for my diving
when I was younger.
"That's quite a long time ago, daddy pig."
It's lucky I've kept myself
so fit and strong.
"Please hold my glasses, mummy pig."
You'll get a better view
if you watch me from the side.
Please don't splash us
"with water, daddy."
"Of course I won't splash you, Peppa."
I think I need a higher board.
"Please be careful, daddy pig."
"Yes, don't splash us, daddy."
"Don't worry, Peppa."
"Don't splash us with water, daddy."
I told you I wouldn't splash.
Clever daddy.
"Well done, Daddy Pig."
"No need for my towel,"
I've got a special way
of drying myself.
Daddy pig has splashed
everyone with water.
Daddy pig.
"Sorry, everyone."

29 Tiny Creatures

Tiny creatures

Peppa and George are helping

Grandpa Pig pick vegetables.

"Peppa, here is a lettuce."

"Thank you, Grandpa."

"Oh, what's that? Whaa!"

There's a

horrible monster on it!

Mon-sta!

That's not a monster.

It's just a Little snail.

Oh! Where has he gone?

He's hiding in his shell.

Is that where he lives?

"Yes, it's his house."

"Look,"
he's coming out again.
"Hello, Mr. Snail."
"Grandpa, does Mr. Snail"
have a bed in his house?
"No, Peppa."
"If I were a snail,"
I'd have a bed and a table
and a chair
and a fridge and a television...
"Grandpa, what do snails eat?"
Well!
Mostly they eat my vegetables!
"Hey,"
stop that you cheeky rascal!
Grandpa! George and I want to
play cheeky snails.
These baskets
can be yourshells.
"There, now you look like"
two cheeky snails.
And I am going to eat up
all Grandpa Pig's lettuce.
Oy!
"Keep off my lovely lettuce,"
you cheeky snails.
And when
Grandpa Pig shouts at me
I'll hide in my Little house.
All of Peppa's friends are here.
"Hello, Grandpa Pig."
"Hello, Suzy,"
have you come to play
with Peppa and George?
Yes.
I don't know where they are.
It's just me and
these two snails here.
We are cheeky snails.
Surprise!
We were pretending to be snails!
"Can we be snails, too?"
I don't think I have
enough baskets for you all.
Oooh.
You could be
something else though.
Something exciting

from the garden.
A Carrot?
Rebecca Rabbit likes carrots.
"No, Rebecca, not carrots."
Come over here.
What's that buzzing sound?
It's coming
from that Little house.
"Grandpa,"
why is that doll's house
making a funny buzzing noise?
"That's not a doll's house,"
Peppa.
It's a bee's house.
It's called a hive.
Ooooh.
"Look, here's one now."
What's she doing?
She's collecting
nectar from the flower
and then she flies back to
the hive to make it into honey.
"Hmmm, I like honey."
Let's pretend to be bees.
"Buzz, buzz, buzz."
"Yes, let's be bees."
"Buzz, buzz, buzz..."
My! What busy bees!
"Yes, we're busy bees. Buzz!"
"Now, we must fly back to"
our hive to make honey.
"Buzz, buzz..."
Goodness me!
What do we have here?
Granny! We're busy bees. Buzzz.
Ah! Would you busy
bees like some toast?
"Yes, please!"
And what would you
like on your toast?
Honey!
"That's lucky,"
because that's what I've made:
Toast and honey!
Hurray!
I like being a bee because
they eat lots of lovely honey.
I like being a snail because

they eat all Grandpa's lettuce.
Oy! You cheeky rascal!

30 Daddy Pigs Office

Daddy Pig's office
"Today, as a special treat."
Peppa and George are
visiting Daddy Pig's office.
"Daddy, what do you do"
at your office all day?
Lots of fun things.
You'll see.
This is the building
where Daddy Pig works.
We are here.
Hooray!
Yes?
Hello.
It's Daddy Pig.
"Hello, Daddy Pig."
Can I press the button too?
"Of course, Peppa."
Yes?
It's me.
Hello me.
Come in.
My office is on the top floor.
We have to go up in the lift.
Can I press the button?
I think it's George's turn.
"Press the top button, George."
"The lift is taking Peppa,"
George and Daddy Pig
up to the very top floor.
Wow...
"Top floor, door is opening."
This is Daddy Pig's office.
"Hello, everyone."
"Hello, Daddy Pig."
Mr. Rabbit and Ms. Cat
work with Daddy Pig.
I brought two very special visitors
with me today.
Peppa and George.
What an honor.
Let's begin the tour.

"Mr. Rabbit, can we start at your desk?"

We certainly can.

My job is all about numbers.

I take a very important piece of paper.

"I take a rubberstamp,"

and I stamp the paper.

Wow.

What a great job MR. Rabbit has.

Can I do some stamping?

Of course.

I just find you some paper.

Here are some paper.

Maybe we should use some blank paper.

Here you are.

Peppa likes stamping with rubber stamps.

I like doing MR. Rabbit's job.

On with the tour.

Next up is Mrs. Cat's desk.

"Hello, Peppa and George."

Hello.

My job is all about drawing shapes

on the computer.

Then I print the shapes out.

And here's another copy.

Thank you.

What a nice job MS. Cat has!

Can I have a go?

Maybe it's George's turn now.

"That's right, George."

It's your turn to do some work.

George is making blue triangles.

Now you print them out.

I like doing Ms. Cat's job.

Do you want to see my desk now?

"Yes, please."

This is Daddy Pig's desk.

My job is quite complicated.

"I take big numbers,"

transmit them and calculate

their load bearing tangents.

Daddy Pig's job sounds very important.

Do you use rubber stamps?

No.

Do you use a computer?

No.

But I do use coloring pen.

"Daddy, can we draw"

with your coloring pens?

Good idea.

Peppa and George love drawing

with coloring pens.

I am drawing a house.

George is drawing a dinosaur.

George always draws dinosaurs.

Dinosaur!

"My goodness, five o'clock already."

It is home time.

I say!

What a splendid picture of a house.

And what a fierce dinosaur.

George and I have been doing Daddy's job.

And they've been doing it very well.

I like doing MR. Rabbit's job

and I like doing Ms. Cat's job.

But I like doing daddy's job the best.

31 George's Birthday

George's Birthday

Today is George's birthday.

It is very early in the morning.

George! It's too early!

Dine-Saw!

Go back to bed!

It sounds like someone's

up bright and early!

"Happy Birthday, George!"

George woke me up.

You woke everyone up

"on your birthday, Peppa."

That was different.

That was my birthday.

And today is George's birthday.

"Happy Birthday, George."

"Here's your present, George."

Owwwwww?

Dine-Saw!

I knew it would be some sort of

dinosaurthing.

Squeeze it's tummy!

Too scary!

George.

I've made you a birthday card.

Can you guess

what the picture is?

George can not guess.
I was going to
paint you a flower.
Owww!
George does not like flowers.
"But in the end,"
I painted you a...
Dine-saw!
"That's a lovely picture, Peppa."
Yes. I am very good at painting.
"Now, we're going somewhere"
very special for
George's birthday treat!
Yippee! Let's go!
Where are we going?
You'll see.
The family are setting off
for George's birthday treat.
Are we going to the circus?
No. But it's somewhere
just as good.
Um. Is it the cinema?
No. Much better.
I just can't guess.
Where can they be going?
We're here!
The family have
arrived at the museum.
Why are we at the museum?
"Come on, you'll see."
What can George's
birthday treat be?
George?
What do you like
best in the whole world?
Dine-Saw!
Oh! Dine-Saw!
George's birthday treat
is a visit to the
museum dinosaur room.
Hu. Silly old dinosaurs again!
Dine-Saw
Whaaaaaaaaa!
"Don't be frightened, George,"
it's not a real dinosaur.
It's just a robot.
"Look,"
I stand on this spot and...

"And now,"
there's another surprise!
All of George and
Peppa's friends are here!
Surprise!
Mummy Rabbit has made
a birthday cake for George.
Can anyone guess
what sort cake it is?
A dinosaur cake?
It is!
"What an amazing guess, Peppa!"
"Happy Birthday, George!"
There's one last surprise.
Follow me!
What is the last surprise?
"What do you think it is, Peppa."
It's probably something
to do with dinosaurs.
Oh. What's that?
It just needs to be
filled with air...
I know! I know!
It's a bouncy castle!
Peppa loves bouncy castles!
"But if it's for George,"
why isn't it a something
to do with dinosaurs?
It is a dinosaur!
A bouncy dinosaur!
Horray!
George loves bouncy dinosaurs!
Everyone loves bouncy dinosaurs.
This is great!
"Happy Birthday, George!"

32 George Catches a Cold

George catches a cold
"Today, it is raining a little bit."
"Peppa, George,"
Put your rain clothes on.
"With rains, Peppa and George must"
wear their rain clothes.
George does not like
wearing his rain hat.
"George, you must keep your hat on."

Why?
Because you must keep dry.
Why?
Because you might catch a cold.
Why?
"George, do you want to"
play in the garden?
Then keep your hat on.
"Come on, George."
Peppa and George are going to
jump in muddy puddles.
Yak
George does not want to
wear his rain hat.
"Peppa, George, come inside."
The rain is too heavy to play out.
"Oh, George,"
where is your hat?
George has caught a cold.
"Oh, poor little george!"
You don't sound well.
Don't worry.
I'll ring Doctor. Brown Bear.
Doctor Brown Bear speaking.
I see. Put George to bed
and I'll be straight round.
"Thank you Doctor Brown Bear,"
Good bye.
Would george be taken to hospital
and given medicine?
"No, George just has to go to bed."
"Oh, so George is not"
really properly ill.
That. S disgusting!
"Poor George,"
Let's give you straight to bed.
"George, you have to"
stay in bed for a bit.
No.
George does not
want to stay in bed.
"George, you have to stay in bed"
until you are better.
Why?
Because you have to keep warm.
Why?
Uhh...
because Doctor Brown bearsaid so.

Hello! Where is my patient?
Open wide and say Ah...
George is a little bit worried.
"En, Peppa, you are big and brave,"
can you show George how to say Ah...
Of cause. Ah...
Ah...
George has caught a cold.
Does George need medicine?
"No, but he can have some nice warm milk"
get to bedtime to help him to sleep.
Thank you Doctor Brown Bear.
You are welcome. Good bye!
George has been in bed all day.
Now it is Peppa's bedtime.
"George, are you better?"
George is not better.
"George, please don't sneeze"
so loudly.
This is impossible.
George. It's a nice warm milk
to help you sleep.
The warm milk makes George
feel very very sleepy.
"Good night, my little piggies."
It's so nice in quiet.
It's morning.
George has slept very well.
George is better.
Come on everyone!
It's a lovely sunny day!
George is wearing his rain hat.
He doesn't want to
catch another cold.
"Oh, George,"
you don't need to wear your hat.
Why?
Because it's hot and sunny!
Why?
"George, can you stop saying why"
all the time?
Why?
George certainly is better.

33 Traffic Jam

Traffic Jam

Granny Pig and Grandpa Pig are making lunch for Peppa and her family.
I've dug up some more potatoes.
"Oh, Grandpa."
We're already got plenty of potatoes.
You can never have too many potatoes.
"Ok, But get the potatoes"
"in the oven,"
The others will be here soon.
"Hoho, we've plenty of time."
It's only eleven o'clock.
Peppa and herfamily are on their way.
I wish we'd set off sooner.
We're going to be late again.
Don't worry. Mummy Pig.
We've still got loads of time.
We're always late when we go to Granny and Grandpa's.
Not this time.
"I've found a new way,"
that avoids all the traffic.
"Oh, I wasn't expecting that."
Peppa and herfamily are stuck in a traffic Jam.
"Look, there's Danny Dog"
and Granddad Dog.
Danny Dog and Granddad Dog
"are in the traffic jam, too."
"Hello, Peppa."
We're going to my Granny and Grandpa's for lunch.
We're going to be late.
It's one o'clock.
They're late as usual.
How are your potatoes doing?
Er. They still need a bit more cooking.
Granny Pig speaking.
"Hello, Granny Pig."
We're stuck in a traffic jam.
"Don't worry,"
"we're running late, too."
Grandpa's gone over the top with potatoes.
See you in a bit.

The poor dears are stuck in a traffic jam.
Sounds like I've got time to get a few more potatoes.
Grandpa Pig!
We're moving so slowly.
We'll neverget to Granny and grandpa's.
Peppa's right.
We have to try a different way.
But there aren't any other main roads.
I know a shortcut.
"Bye bye, everyone!"
We're taking a shortcut.
"Bye bye, Peppa."
Good luck!
Mummy Pig is taking a shortcut to get ahead of the traffic.
The shortcut is very bumpy.
This is fun.
Are you sure about this?
Trust me.
"Hello, ducks."
We're taking a shortcut.
Look! There's the main road again.
Well done! Mummy Pig.
But we've still behind Danny's lorry.
"Hello, welcome back!"
"Oh, dear!"
Mummy Pig's shortcut has not worked very well.
Good! Lunch is ready.
And most important of all:
The potatoes are done!
Lunch is ready.
But Peppa and herfamily are still not here.
Grandpa Pig speaking.
We're almost at your house.
But the traffic is still moving at the speed of a snail.
"A very, very slow snail."
They're almost here.
But they're still in the traffic jam.

Poordears.
The food is going to get cold.
I've got an idea.
I'll get my wheelbarrow.
What is Grandpa Pig doing?
Granny Pig!
Load the lunch
into the wheelbarrow.
"Aye, aye, Grandpa Pig."
If they can't come to the lunch.
We have to take the lunch to them.
Look! There's Granny and Grandpa
with our lunch in a wheelbarrow.
"Ahoy, there!"
Lunch is served.
Is there enough for Danny and
"Granddad Dog to have some, too?"
We've got enough foreveryone.
Hooray! Potatoes.
Good job!
You did lots and
"lots of potatoes, Grandpa."
You can never have
too many potatoes.

34 Bedtime

Bedtime
It is almost bedtime.
Peppa and George are
just finishing their supper.
Daddy Pig!
"Oh, sorry. I'm a bit tired."
It's been a long day.
George and I aren't sleepy at all.
Can we play in the garden?
But it's almost your bedtime!
Can we play outside
for just a tiny bit?
"Please, Mummy!"
"Please, Daddy!"
All right.
But you must come in
when we call you for your bath.
I don't know where they
get their energy from.
Peppa and George are playing one last game

outside before bedtime.
"Look, George!"
Lots of muddy puddles!
Peppa and George
are wearing their boots.
They are going to jump up
and down in muddy puddles.
Peppa loves jumping up and down
in muddy puddles.
George loves jumping up and down
in muddy puddles.
Look!
The biggest puddle in the world!
"What a huge, big puddle!"
Peppa! George! Bathtime.
Daddy! Mummy!
We found the biggest
muddy puddle in the world.
I can see that.
"Quick, into the bath."
"Oh, Can't we just play outside"
a bit longer?
"No, it's bathtime."
Are you and George feeling sleepy?
"No, Daddy."
We are not even a tiny bit sleepy.
"Peppa and George might not be sleepy,"
but I am.
"Me, too!"
"Before bedtime,"
Peppa and George have their bath.
Peppa likes splashing.
George likes splashing.
Peppa and George both like splashing.
That's enough splashing.
Let's get you dry and into your pajamas.
"Oh, can't we just stay"
in the bath a little bit longer.
Bathtime is over!
"Now, it's time to clean your teeth."
"Before going to bed,"
Peppa and George brush their teeth.
"OK, that's enough brushing."
Into your beds!
"Oh, I think our teeth"
need a bit more cleaning.
"When you're in bed,"
Daddy Pig will read you a story.

Hooray.

Peppa and George like stories.

"When Peppa goes to bed,"

she always has her Teddy

tucked up with her.

"When George goes to bed,"

he always has Mr. Dinosaur

tucked up with him.

Are you feeling sleepy now?

"No, Daddy."

We need lots and lots of stories.

Daddy Pig will read you one story.

"Now, which book do you want?"

"Um, ""The Red Monkey""book."

"OK, I'll read you"

The Red Monkeybook.

Peppa and George like the

The Red Monkey book.

Once upon a time...

"Oh, sorry, Daddy Pig."

Once upon a time

"there was a Red Monkey,"

and this Red Monkey had a bath.

And cleaned his teeth.

He got into his bed.

And soon he fell fast asleep.

"Good night, Red Monkey."

Peppa and George are asleep.

"Goodnight, Peppa and George!"

Sleep well!

"Now, Peppa and George are asleep."

Mummy Pig and Daddy Pig

are going to watch some television.

And now it's time for

The amazing Mr. Potato.

I've been looking forward to

watching this program.

The Amazing Mr. Potato

is always ready for action.

He runs fast.

He jumps high.

He never sleeps.

It is bedtime for Peppa and George.

And it looks as if it is bedtime

for Mummy and Daddy too.

35 Jumble Sale

Jumble Sale

It is a rainy day and the

school roof has a hole in it.

Children!

We are going to

have a jumble sale.

The money we raise will pay for

a new school roof.

Hurray!

Everyone has to bring something

for the jumble sale.

What should we bring?

You can bring an old toy or

something you don't use anymore.

The parents have arrived

to pick up the children.

Home time!

Don't forget your old toys

for the jumble sale tomorrow.

Peppa is choosing a toy

for the jumble sale.

"Peppa, have you decided?"

Ummm...

You only have to choose one toy.

"Yes, and it will help pay"

for a new school roof.

Ok. I'm going to give...

Mr. Dinosaur!

Waaaaaaaaa!

Mr. Dinosaur is

George's favourite toy.

"Peppa, you can't"

give away Mr. Dinosaur.

Can't I?

No.

"Oh bother! Sorry, George."

Dine-saw.

Why don't you give

your old jack-in-a-box.

Ok.

"Now, it's your turn, Daddy!"

What?

We must all give something to

the jumble sale.

I'm giving this hat and

George is giving this ball.
So what shall Daddy give?
"I know, the television?"
Not the telly!
No! It's too useful.
"Ummmm, I know."
Daddy's smelly slippers?
No! Too smelly.
I know! Daddy's old chair.
But that's an antique.
What does an-tique mean?
Antique means it's
very old and valuable.
But you found it on
"a rubbish tip, Daddy Pig."
It's worthless.
It'll be worth a lot of
money when I mend it.
You've been saying
"that for ages, Daddy Pig."
"I know, I'll give these,"
lovely socks that
Granny Pig made me.
Good!
I've come to collect yourthings
forthe jumble sale.
Here they are.
Thank you!
And would you
like this old chair?
"Oh, most generous! Good-bye."
Bye bye.
"Mummy,"
you gave away Daddy. S chair.
Shhh! Don't tell him.
He'll never notice.
It is the day of
the jumble sale.
Hello.
"Hello, Miss Rabbit."
Peppa! How about this chair?
It's a bit rubbish
but you can chop it up
and use it for firewood.
But it' an antique.
Is it?
Daddy says it's
worth lots of money.

"Well, I never."
I'd better put the price up.
Bye.
"Hello, everyone."
"Hello, Peppa."
"What did you give, Suzy?"
I gave my nurse's outfit.
I gave my parrot balloon.
I gave my toy monkey.
I will miss my jack-in-a-box.
"Can I buy this jack-in-abox,"
please?
And I'd like
this nurse's outfit.
"The parrot balloon, please."
"Mummy, mummy,"
look what we've bought.
All your old toys!
We missed them.
Look what I've bought!
Lt. S an antique chair!
"Oh, Daddy Pig!"
That's not an antique chair.
It is! Miss Rabbit just said so.
And it matches my old one.
"Yes, Daddy, that's because..."
Shhh! Peppa.
...it is your old chair.
What?
But Miss Rabbit has just
charged me lots of money for it!
"Fantasic news, everybody."
We have just
raised all the money
we need fora new school roof.
Horray!
"Thank you, Daddy Pig."
You're most welcome.

36 The Balloon Ride

The Balloon Ride
It is the day
of the school fete.
Miss Rabbit is
running the raffle.
"Roll up, roll up!"

The top prize is a ride
in my hot air balloon.
"Wow, that sounds fun!"
"Can I have a ticket, please?"
The blue ticket wins...
"A toy car! Well done, Danny!"
"Can I have a ticket, please?"
"Thank you, Peppa."
What are you hoping to win?
The Balloon Ride!
Wouldn't it be nicer to win
the homemade chocolate cake?
Daddy Pig loves
homemade chocolate cake.
The red ticket wins...
The Balloon Ride!
Hurray!
All aboard for the balloon ride!
"How many passengers, please?"
Four please.
And Teddy!
Dine-saw!
"Oh, and a teddy and a dinosaur"
that makes six.
All aboard!
"Hurry up, Daddy Pig!"
Hop aboard!
"Quick, Daddy!"
Splice the main brace!
Chocks away! Full steam ahead!
"Very impressive, Miss Rabbit."
You must be an expert pilot.
"Not really, this the first time"
I've ever flown a balloon.
Oh...
Hold Tight!
Miss Rabbit heats up
the air in the balloon
to make it rise into the sky.
Bye bye.
Bye bye.
Would anyone like to
do the map reading?
I will.
"Are you sure, Daddy Pig?"
I'm very good at map reading.
Oh... this map is a bit difficult.
Shall we go higher?

"Yes, please! Higher! Higher!"
The balloon is rising high
into the sky.
Oh! Where did the sky go!
"Don't worry, Peppa,"
we're just flying
through a cloud.
Oooh.
"Wow, the sky is back again!"
Hurray.
"Big balloon, big balloon,"
bigger than the sun and moon.
"Flying high, in the sky,"
fly and fly and fly and fly...
"Look, Teddy,"
we're flying really high.
"Peppa,"
be careful you don't drop...
Teddy! I've dropped Teddy!
"Don't worry, Peppa."
We'll rescue Teddy.
"Hold tight, everybody!"
We're going down!
Miss Rabbit is making
the balloon go down
so that Teddy can be rescued.
I can't see Teddy anywhere.
There he is!
Teddy's caught in a tree.
I can use this anchor
to rescue Teddy.
"Slowly, slowly. There!"
Daddy Pig has rescued Teddy.
Teddy!
Hurray!
Oh dear!
No one is looking
where they are going.
Look out! Tree straight ahead!
Hold tight!
Oh!
First Teddy was stuck in a tree
and now we are stuck in a tree.
"Daddy Pig,"
do you know where we are?
Hmmm.
"We. Re lost, aren't we?"
Yes.

Oooh.
"Look, everyone!"
That's Granny
and Grandpa's house?
Yes! We must be
in Grandpa Pig's garden!
As I thought.
"Ahoy there,"
Granny Pig and Grandpa Pig!
Goodness me!
"Ahoy there, Miss Rabbit!"
Er... Help! Please.
"Grandpa, we can't get down!"
Don't worry. I've got a ladder.
Hurray!
Everyone climbs down
from the big balloon.
Granny! Grandpa!
Miss Rabbit took us for a ride
in her big balloon.
How very exciting.
I'm afraid
the most exciting thing
we can offer is a piece of
my homemade chocolate cake.
Homemade chocolate cake!
That is exciting!
That was the best
balloon ride ever!
Hmmm. And that was the best
chocolate cake ever!

37 Painting

Painting
Peppa and George
are painting today.
We need some old newspaper
to put on the table.
Yes!
Daddy pig is reading
his newspaper.
You could have my newspaper
when I finish reading it.
All right!
Hooray!
Now we can start painting.

Silly George!
Big children do not
put their hands in the paint.
George loves painting with his hands.
Peppa loves painting
with her hands.
Very good.
"Can I have a potato, mummy pig?"
"They aren't cooked yet, daddy pig!"
"Are you hungry, daddy?"
I am not going to eat it.
Watch this!
What is daddy pig doing?
Now who can tell
me what this is.
A flower!
Clever daddy!
I loved painting
when I was a young piggy.
Now where are
my old painting things.
"Daddy, why are you"
wearing that funny hat?
"This is my beret,"
it puts me in the mood
for painting pictures.
Now what shall I paint?
"Well chosen, George."
I'll paint the old cherry tree.
What's that?
"It's an easel, Peppa."
It holds my canvas.
What's the canvas?
It's big like paper for
very special paintings.
Is that toothpaste?
"No, Peppa,"
These are special paints
for grown-up artists.
There!
What color should
we begin with?
"Red, please!"
"Why red, Peppa?"
Red is my favorite color.
But first we need to paint the sky.
Look! What color is it?
"Blue, of course."

Very good.
Let's start with blue.
Now for the cherry tree.
We need green for the leaves.
But there isn't any green.
Never mind!
If we mix blue paint
"with yellow paint,"
we can make green.
Mixing blue and yellow
makes green.
Ohhhhhh
What lovely green leaves!
And here's some grass...
What about the brown branches?
We haven't got brown paint.
We can make brown.
We'll mix the green and the red.
Mixing green and red
makes brown.
Daddy pig paints the tree trunk
and the branches.
Whah!
"Daddy, can I paint the cherries?"
"Yes, Peppa,"
put your fingers in the paint
and dab it onto the tree.
"One, two, three."
Well done!
Now it's George's turn.
What a great painter
"you are, George!"
"There, the painting is finished."
Hooray!
"Oh, it's the ducks."
"Hello, Mrs. Duck"
We are painting a picture.
The ducks are running
through daddy's paint.
Shoo! Shoo!
Naughty ducks!
Shoo! Ducks! Shoo!
Stay away from my painting.
"Oh, no!"
The ducks have made paint
footprints all over the painting.
"Oh, dear!"
What was all that noisy?

"Mummy, the ducks have"
spoiled our painting.
"Mmmm, let me see."
The ducks are making paint footprints in the
garden just like the ones on the painting.
"Daddy's painting isn't spoiled, Peppa."
It's perfect!
Hooray!
"Oh, Yes."
I am a bit of an expert at painting.
And so are the ducks.

38 Grandpa's Little Train

Grandpa's Little Train
Peppa and George
have come to play
in Granny and Grandpa's garden.
What's that noise?
Grandpa's making something.
"Hello, Peppa and George!"
That's perfect timing.
I've just finished making it!
"And may we ask what "it" is?"
I'll show you!
Wow!
A Little toy train!
It's not a toy.
"This is "Gertrude"."
She's a miniature locomotive.
But doesn't it need
railway tracks to run on?
Oh no.
I've fitted Gertrude
"with car wheels,"
so she can go
anywhere she likes.
"Grandpa,"
can we ride in Gertrude?
Hop aboard!
Full steam ahead!
"Bye bye, Granny!"
See you later!
Peppa and George love
Grandpa's Little train.
Grandpa's train goes:
Choo choo choo!

Choo choo choo!
Choo choo choo!
Grandpa's train goes:
Choo choo choo!
All day Long!
And the piggies on the train go:
Oink oink oink!
Oink oink oink!
Oink oink oink!
And the piggies on the train go:
Oink oink oink!
All day Long!
Here is Granddad Dog
with Danny Dog.
Hello!
"Hello, Danny!"
I see you're playing toy trains.
Toy?! Gertrude isn't a toy!
How. S your Little lorry?
Little lorry?!
"My ""breakdown truck""
"is a proper, work vehicle."
Granddad?
Can I ride on the train?
Hmm.
"It's yourchoice, Danny,"
if you'd rather
play trains than...
Thanks Granddad!
See you later!
Miss Rabbit is
driving the school bus.
"And to our left,"
we can see
some hills with trees...
"Hello, everyone!"
"Hello, Peppa!"
All Peppa's friends are here.
Can we ride on the train?
Um. I'm giving the children
an educational bus tour.
Are trains educational?
They certainly are!
"Hmm. Hands up,"
all those who
want to ride on the train.
Me! Me! Me!
"And hands up,"
all those who want to
stay on the bus.
"Ok, you can"
all go on the train.
And I'll follow along behind.
Grandpa's train goes:
Choo choo choo!
Choo choo choo!
Choo choo choo!
Grandpa's train goes:
Choo choo choo!
All day long!
What a lot of mud!
We don't want to get stuck.
Maybe we should
go a different way.
It's only a patch of mud.
"Come on, Gertrude!"
You can make it!
"Come on, bus! You can make it!"
The bus is stuck in the mud.
Oh bother!
"Hello, Miss Rabbit!"
How are you today?
I'm a bit stuck.
Can you rescue me?
Certainly!
Is yourtruck strong enough?
Trust me.
Did it work?
Er. No.
We need a vehicle
with more power...
Can I help in any way?
"Er, it's nothing"
that I can't deal with.
Thanks anyway.
I've got an idea!
Grandpa Pig's train
can tow me out of the mud!
"Er. Good thinking,"
Miss Rabbit.
Grandpa's Little train is going
to pull the bus out of the mud.
Full steam!
"Come on, Gertrude!"
"Come on, Gertrude!!!"
Horray!

Well done!
It's amazing what
can be done by a toy train!!
Toy!!? Gertrude isn't a toy!
Gertrude is the very best train
in the whole world!

39 The Baby Piggy

The Baby Piggy
Peppa and George are visiting
their big cousin Chloe.
"Today,"
"as well as seeing Chloe,"
you are going to
meet your new cousin.
Oooh!
Peppa and herfamily have
arrived at Chloe's house.
Hello!
"Hello, everyone!"
"Hello, Peppa and George!"
"This is Chloe,"
Peppa and George's big cousin.
But where's our new cousin?
Here's your new baby cousin!
Ooh!
"The new cousin is a tiny,"
baby piggy.
Ooh! How beautiful!
Is it a girl baby?
"No, it's a boy."
Oh. I wish it was a girl.
"Me, too."
George is pleased
the baby is a boy.
Dine-Saw!
Whaaaaaaaaaaaaaaaaaaaaa!
I think the baby's too Little
to play with dinosaurs.
George.
The baby doesn't
want to play with you.
It wants to play with me.
Whaaaaaaaaaaaaaaaaaaaaa!
"Peppa, the baby is much"
too Little to play ball games.

But if it can't play with
"a dinosaur or a ball,"
what can it do?
It eats and it sleeps.
Burp!
And it does that.
"Aunty Pig, can I hold the baby?"
Yes.
"If you're very careful,"
you can hold Alexander.
Alexander?
"That's his name,"
Baby Alexander'.
What a big name
for such a small piggy.
"It's quite nice,"
even though it's a boy.
Oh. What's that smell?
Maybe Alexander's
nappy needs changing.
Euggh! Disgusting!
"Peppa, when you were"
a baby you wore nappies.
I did not.
"Mummy, can I play with Peppa"
and George in the garden?
Yes.
"Chloe, is it nice having"
a Little baby brother?
Yes. Alexander is very sweet.
I wish George was
a sweet Little baby piggy.
I know!
George can pretend to
be a baby piggy.
He can go in my doll's pram.
That's a good idea!
No!
George does not
want to be a baby.
George.
"If you pretend to be a baby,"
I promise to be nice
to you for ever and ever.
George is thinking.
And you can play
with all my toys.
George is thinking more.

"And when we get home,"
you can play with all my toys.
George has decided! Goo goo goo!
What a sweet baby piggy.
"Here are Candy Cat, Suzy Sheep,"
Rebecca Rabbit
and Zoe Zebra.
Hello!
Why is George
in that doll's pram?
It's not George.
It's a baby piggy.
But it is George.
George is a pretend baby piggy.
Ahhhhh!
Is it a girl or a boy?
It's a girl.
No!
George does not
want to be a girl baby.
Ok. It's a boy.
I've got some cookies.
Would the baby piggy like one?
Oh no. It can't eat cookies.
Whaaaaaaaaaaaaaaaaa!
George likes cookies!
Maybe it can have one cookie.
It's so clever!
And so handsome!
Buuuuurrrp!
It's very funny!
It's the best baby piggy ever!
George likes this game.
Here is Aunty Pig
with Baby Alexander.
"Wow! A proper, real baby piggy!"
It's so gorgeous!
It's much sweeter than George.
Whaaaaaaaaaaaaaaaaa!
Oh dear. George liked
being the baby piggy.
"Oh, George!"
You'll always be my baby piggy.
Maybe it's time for a new game.
How about some dinosaur chasing!
Eeek! Too scary!
"George liked being a baby piggy,"
but he likes being George more.

40 The Cycle Ride

The Cycle ride
It is a lovely sunny day.
Peppa and George are
finishing their breakfast.
Today is a good day
for a cycle ride.
"A cycle ride, yippee!"
Peppa and George love cycle ride
Peppa has her bicycle.
"George has his tricycle,"
mummy and daddy
have their tandem.
What's that?
It's our bicycle.
I sit at the front and
mummy pig sit at the back.
And we can put these two seats
on the back for peppa and George.
But we want to
ride our own bicycles.
George is a bit too little
his legs will be very tired.
"But I am a big girl,"
I won. I get tired.
"It will be a long cycle ride,"
"Peppa, are you sure?"
"Yes, daddy, I am sure."
"Ok, are we all ready?"
"Yes, daddy pig."
Then Let's go.
Wee...
I am winning.
"It is not a race, Peppa."
It's just a gentle bicycle ride.
"Yes, daddy but I. M still winning."
"Haha, now we are winning."
I don't like cycling up hill.
"Peppa, we won the race."
"No, you didn't, daddy."
Because I wasn't racing that time.
But now I am
Can't catch me.
"Ah, you cheeky little piggy."
"Hello, ducks, we are"
having a cycle ride.

"Hello, ducks."
I've forgotten how much
I love cycling.
"Oh, I've forgotten how much"
I hate cycling up hills.
The ground is getting quite steep.
I don't like cycling up hills.
But look at the beautiful view.
"My goodness, this is hard work."
"Mummy pig, you're not peddling."
"Sorry, daddy pig,"
I was just enjoying the view.
Peppa and her family have
reached the top of the hill.
All Peppa's friends are here.
"Hello, Peppa."
Hello.
We are going to have a race on our bikes.
"Peppa, do you want to race too?"
"Ok, as long as we race down the hill."
Ok.
Peppa and her friends are
going to race down the hill.
Are you all ready?
Ready.
You can start when I honk the horn.
Like this.
Pedro has set off too soon.
"Stop, Pedro."
The race hasn't started yet.
"Sorry, Mr. Pig."
I was just letting you know
that the horn sounds like this.
Stop! Stop!
"Sorry, Pedro."
That time was my fault.
The next time
"when I honk the horn,"
you can go.
Did you say go?
I think so.
Go! Go! Go!
"Go on, Peppa."
"But daddy, you"
didn't honk the horn.
Danny dog is in the lead.
Wait for me.
Wee... I win!

"Well done, Peppa."
"Yes, I'm very good at"
cycling down hill.
It is home time
for Peppa's friends.
"Byebye, Peppa."
Bye.
"Home time for us too, Peppa."
"Mummy, I am tired."
All the cycling up and down
the hills has made my legs tired.
Can I ride on your bike?
But where would daddy pig sit?
"Well, Daddy can ride my bike."
It's very nice.
"Oh, okay."
I love the tandem.
"Daddy, do you like my bike?"
"Yes, Peppa, it's very nice."

41 Dens

Dens
Peppa and George are in granny
and granpa pig's garden.
They are going to play
in their tree house.
Peppa and George
love their tree house.
Here are Peppa and George's friends.
"Zoe, Suzy, Rebecca and Richard."
"I like your tree house, Peppa."
Can we come in?
Yes.
Now we can have a tea party.
Here are Pedro and Danny.
"Hello, Peppa."
Can we come in?
"Sorry, Danny,"
only girls can come into
the tree house.
"Boys are a bit noisy,"
they always spoiled the tea parties.
But George and Richard are the boys.
"Oh, yes,"
"sorry, George,"
this tree house is for the girls only.

What's wrong?
The girls won't let us
into the tree house.
It isn't fair.
"I think I can help,"
come over here.
Now we can have a
nice quiet tea party.
What's that noisy?
"There,"
Now you boys have your very own den
and very old drawbridge.
"A castle,"
"thank you, grandpa pig."
Can we come in?
"No, this is the boy's den,"
for boys only.
But I love castles.
Castles aren't as good as tree houses.
"Come on, girls."
I'm the king of the castles.
Every castle needs a flag.
Wow.
They've got a flag.
We don't need a silly flag.
Here is granny pig.
"Hello, girls,"
can I get you anything.
"A flag, please."
And it must be better
than the boy's flag.
I'll see what I can do.
I am the king of the castle.
Every castle needs a telephone.
Hold this.
Keep this string nice and tight
and you can talk to the boys.
We don't want to talk to the boys.
We don't want to talk to the girls.
Granny pig has found a flag
for the girl's den.
This dress will make a pretty flag.
"Thank you, granny."
It isn't as good as the boy's flag.
I wish I were in the castle.
Fairy Princess is live in the castles.
"If I were fairy princess,"
I would live in the tree house.

"Can we come over, please."
Only if you say the castle is the best.
It is the best.
I'm staying in my tree house.
I love the castle.
"Oh, dear, it is raining,"
and the castle has no roof.
Let's go to the tree house.
"No, I'll never leave my castle."
The rain has stopped.
George has found a muddy puddle.
That looks fun.
I'm staying in my castle.
I'm staying in my tree house.
"I'll look after your castle, Danny."
"I'll look after your tree house, Peppa."
Peppa and Danny love jumping up
"and down in muddy puddles,"
Everyone loves jumping up
and down in muddy puddles
whether they are boys or girls.

"Hello, mummy pig."
We'd like to hire
"some skates, please."
There you go.
Thank you.
Happy skating.
"Here are Suzy sheep,"
"Rebecca rabbit,"

"Emily elephant, and Pedro pony."
Peppa's friends can
ice-skate very well.
"Peppa wants to ice-skate, too."
"Hello, everyone."
"Hello, peppa."
Is this your first time skating?
Yes.
Shall I show you how you skate?
"No, thank you, Suzy,"
I am sure I can already do it.
"Okay, come on then."
This is impossible.
I don't want to
ice-skating anymore.
"Don't worry, Peppa."
Everyone falls over
when they ice-skate.
Even I fall over.
"Watch this, oopsy daisy!"
Silly daddy.
"George, would you like to skate?"
No.
"George has never skated before,"
and he is a bit worried.
I'll look after George while
you teach peppa how to skate.
"Skating is easy, peppa."
Just push with your feet and glide.
"Push, push, glide. See?"
"Push, push, glide."
"This is easy,"
I can do it on my
"own now, mummy"
"Push, push, glide."
"Well done, Peppa."
"Look at me, I'm skating."
Peppa is doing really well.
"Yes, I am a very good teacher."
"Slow down, Peppa,"
you'll bump into someone.
"Don't worry, mummy,"
I am very good at skating.
"Oh, where are the brakes?"
"Oh, dear."
I forgot to teach Peppa
how to stop.

"Oh... ah, I can not stop."
Look out.
Mummy pig taught you
"how to skate,"
but I taught you
how to fall over.
"Yes, I am very"
good at falling over.
"George, do you"
want to skate too?
No.
"Come on, George, it's fun."
I'll teach you.
"First, you need to."
Weeeee...
"George, come back,"
I'm teaching you
how to ice-skate.
What a surprise!
George can skate beautifully.
Wow look at George.
"Very good, George."
Now you need to
learn how to stop.
"Well done, George."
"You're fantastic, George!"
"Yes, you did very well, George,"
for your first lesson.
"Come on, let's skate."
Yes...
Peppa and George
"love ice-skating,"
everyone love ice-skating.

Rebecca rabbit
It's the end of another lovely day.
Peppa and George are playing with their
friends- Rebecca and Richard rabbit.
Home time! My little bunnies!
But we want to play
"some more, mummy."
Maybe tomorrow.

Can George and Peppa come to
our house tomorrow?
Yes! Hooray!
Why is Richard crying?
He has a bit scared of
going down stairs.
Why?
We don't have stairs in our home.
What?
No stairs?
"That's right, you'll see tomorrow."
Bye bye.
Bye bye!
It is morning.
Peppa and George are going to
Rebecca rabbit's house today.
"Mummy pig can drive,"
and I'll do the map reading.
"Are you sure, daddy pig?"
We always get lost
when you do the map reading.
We won't get lost.
"Okay, is everybody ready?"
"Yes, mummy pig."
Then let's go.
Peppa and George are very excited.
They have never been
Rebecca rabbit's house before.
"Daddy, are we nearly there?"
"The map says, Rebecca's"
house is on the next hill.
I don't understand.
There should be
where Rebecca rabbit lives
"We must be lost,"
that's just a garden of carrots.
Where can Rebecca's house be?
"Hello, everyone."
Rebecca.
Do you want to play in my bedroom?
Your bedroom?
But where is your house?
Peppa can not see
Rebecca's house anywhere.
This hill is our house.
It's cool the burrow.
I'll show you.
See you later.

Come in.
We don't have stairs.
We have tunnels.
Rebecca's house is
a bit different to Peppa's.
This is our bedroom.
You have a bed and a window
and a toy box just like us.
Of course.
I like your house.
I wish I was a rabbit.
I know.
Should I teach you both
how to be a rabbit?
"Yes, please."
"First, you have to twitch"
"your nose and squeak, like this."
"Squeak, Squeak"
"Very good,"
Peppa rabbit and George rabbit.
Peppa likes being a rabbit.
George likes being a rabbit.
Rabbits like carrots.
Delicious!
"Hmmm, Delicious!"
Yuk!
George does not like carrots.
He won't even try them.
"Oh well, more for us then."
"Rebecca, what else do rabbits like?"
Rabbits like hopping.
"Come outside, I'll show you."
Let's hop!
Rabbits like hopping.
You are very good rabbits.
"Lunch time, children."
Mummy and daddy rabbits
have prepared lunch.
Rebecca has taught us
how to be rabbits.
"You'll enjoy lunch then,"
it's our favorite carrots.
Delicious!
Delicious! Delicious! Yuk!
George will not eat carrots.
"Oh, dear George,"
I thought you were a rabbit.
A rabbit loves carrots.

Hmmmm.
Wow! George is eating carrot.
"This is our favorite cake,"
carrot cake.
Hooray!
Carrot cake.
George is a proper rabbit now.

44 The Quarrel

The quarrel
Peppa and Suzy Sheep are playing Snap.
Snap! I win!
Peppa and Suzy are best friends.
Snap! I win again!
You cheat it!
I did not!
You looked at the card!
I did not!
I don't want to play with you anymore.
Oh dear!
Peppa and Suzy have had a quarrel.
Mummy Sheep is here to take Suzy home.
"Peppa, say goodbye to Suzy."
I am not talking to her.
And I am not talking to her.
"Oh, I am sure they will make it up."
They are always best friends really.
It is not funny.
We are not best friends anymore.
Daddy pig is making supper.
"Peppa, George, supper time."
It. S spaghetti.
"What's the matter, Peppa?"
Peppa and Suzy have had a little quarrel.
But I do miss Suzy a bit.
Let's give Suzy a call.
"Hello, Mrs. Pig."
"May Peppa talk with Suzy, please?"
"Hello, Suzy!"
"Hello, Peppa!"
We can be friends again if you say sorry.
"I'm sorry I said you cheated it,"
even though you did cheat.
"Well, I'm sorry you ever are my best friend."
It doesn't matter.
I can easily find a new best friend.

It's a lovely sunny day.
All the children are at the playground.
Danny Dog is on the roundabout
with his best friend Pedro Pony.
George is on the seesaw
with his best friend Richard Rabbit.
Seesaw! Seesaw!
"Suzy Sheep is on the swings,"
on her own.
"Peppa is playing mini golf,"
on her own.
Here is Emily elephant.
Can I have a go?
Yeah.
"Emily, Suzy Sheep is not"
my best friend anymore.
So you can be my best friend.
But my best friend is Candy Cat.
WEE!
"Zoey, if you want,"
you can be my best friend.
But my best friend is Rebecca Rabbit.
"Hello, Suzy!"
"Hello, Peppa."
"Oh, good."
I see you two are friends again.
We are not friends.
We will never be friends again.
I think it's about time
you two make it up.
"Peppa, say sorry to Suzy."
Only she says sorry first.
"I know, I will count to three,"
and you can both say sorry
at the same time.
All right!
"One, two, three."
Sorry.
Now you can be best friends again.
Hooray!
"Suzy, let's play mini golf."
Good idea!
Peppa and Suzy are best friends again.
Me first!
My go!
"My ball went into the hole, so I win."
"But my ball knocked it in, so I win."
"You are just making the rules up, ."

You are making the rules up.

I win!

"No, I win!"

You two are just the same.

That's why Suzy is my best friend
in the whole world.

And Peppa is my best friend
in the whole world ever.

45 The Toy Cupboard

The toy cupboard

It is Peppa and George's bedtime.

"Goodness me, why are"
all these toys in your bed?

That's where they live.

"Quickly, put the toys away"
in yourtoy basket.

But the toy basket is full.

"Oh, so it is,"

maybe you need a toy cupboard.

"Yes, I could make one tomorrow."

"The last thing you made,"

"daddy pig, was this shelf."

I am very proud of that shelf.

But daddy it's all wobbly.

We use it as a slide.

The teddy and Mr. Dinosaur.

"All right, let's buy a new toy cupboard."

We can buy one now on the computer.

Hooray!

Mummy pig is using the computer
to buy a toy cupboard.

"Aha, now which one should we get?"

"Can we have this one, please?"

"That looks perfect,"

mummy pig is buying the toy cupboard.

"Congratulations, yourtoy"
cupboard is ordered.

"Oh, goody."

It is morning.

And the Mr. Zebra the postman
has a special delivery.

Post!

Special delivery for MS. Peppa pig
and masterGeorge.

What is it?

It's a toy cupboard.

"Oh, It looks a bit flat."

"Yes, you built it yourself."

Oh...

"Don't worry, Peppa,"

it'll be very easy for

your mummy and daddy to build.

"Goodbye, bye bye, bye..."

Now what do we do?

Now we build yourtoy cupboard.

That's strange.

There aren't any instructions.

Maybe it's so easy to build it
doesn't need instructions.

"Mummy, can we help?"

"Yes, first, I need a shelf."

Here is a green shelf.

"Thank you, peppa,"

now I need four legs.

"One, two, three, four."

"Four blue legs, mummy"

"Lovely, we'll have this done in no time."

"Here is red door, mummy pig."

"Thank you, daddy pig."

"There, finished."

"Well done, mummy pig."

It's very tiny.

How would all our toy fit inside?

It's a little small.

"Oh, George has found another bit."

"Oh, maybe that is a spare shelf."

And these would be bits too

"Oh, dear, the cupboard is tiny,"

because mummy pig has not
used all the pieces.

We'll just have to take it apar
t and start again.

"Oh, no."

If only we have the instructions.

Who can that be?

"Hello, I just found these in my van."

It's the missing instructions.

That would make things a lot easier.

Hooray.

The instructions look very complicated.

"It's no good,"

it's nonsense.

"Leave it to me, daddy pig."

I am quite enjoy
putting these things together.
Really?
Can we help it anyway?
You can put the kettle on.
I'll have a nice cup of tea
"with six sugars, please"
Everyone is preparing tea
and biscuits for Mr. Zebra.
"Tea time, Mr. Zebra."
Wow...
Mr. Zebra has built the toy cupboard.
"My goodness, that was quick."
"Yeah, and I've put all your toys in there too."
"Thank you, Mr. Zebra."
But there is no room for these last two.
"Oh, poor teddy and Mr. Dinosaur."
Where are they going to live?
Why not simply order another easy
to make cupboard?
No!
I've got a better idea.
Teddy and Mr. Dinosaur
can live on your beds.
"But mummy, that is"
where they lived before.
"Yes, I know."
That's why it. Such a good idea.

46 School Camp

School camp
Peppa and her friends
are going on a school camp.
"Madam gazelle, I don't feel very well."
The bus is very bumpy.
"Oh, dear."
Pedro Pony is feeling a bit travel sick.
"Poor Pedro, come and sit"
in the front with me.
"There, is that better?"
A little bit.
Madam gazelle.
"Oh, do you feel sick too, Zoe?"
"I might feel sick later,"
can I sit at front just in case?
Can I sit at the front too?

"And me, me..."
"Oh, I'm sorry children;"
you can't all sit at the front.
Oh!
"Never mind,"
we are at the camp side now.
Hooray!
"Happy camping, everyone."
Bye-bye!
"Ohoh, this is our camp side."
"Breathe in the wonderful fresh air, children."
Excellent breathing!
Now let's put up our tents.
Peppa and her friends are
putting up their tents.
"Children, you must each find a partner"
to share your tent.
"Suzy, shall we share a tent?"
I said I'd share with Zoe.
"Oh, sorry Suzy,"
I said I'd share with Rebecca.
"Rebecca, you said you'd share with me."
"Oh, yes."
"Emily, who you are going to share tent with?"
Zoe!
Ok!
"Good, now you can share with me."
OK!
Now I need sticks to make a campfire.
We'll get sticks.
But me and Pedro want to get sticks.
"Haha, you can all collect sticks."
Peppa and her friends collect sticks
for the camp fire.
Wonderful!
It is night-time.
Peppa and her friends are
sitting around the camp fire.
"Children, let us all sing a song."
"Yes! The bing bong song, please."
"Oh, I am not sure."
"Please, Madam Gazelle,"
sing the bing bong song.
All right.
"Oh, we're playing a tune"
and we're singing a song.
With a bing and a bong and a bing.
"Bong bong boo, bing bong bing"

Bing bong bingley bungley booooo
bong bong boo bong bong
Bing bong bingley bungley booooo
"Now, children, time for bed."
"Good night, children."
"Good night, Madam Gazelle."
Peppa and suzy are in theirsleeping bags.
I have got a torch.
Me too.
"Attention, children."
No more giggling please.
What was that funny noise?
I don't know.
There it is again.
"Suzy, where are you going?"
"Madam gazelle,"
I am a bit scared.
Would you like to come in?
"Yes, please."
"Madam gazelle,"
I think I am a bit scared too.
"Can I come in, please?"
Of course.
I think I might be scared later.
I might be scared later too.
And me...
"Come in, everyone."
"Can we have the bing bong song, please?"
All right.
We are playing a tune and singing a
song with a bing and a bong and a bing.
"Bong bong boo, bong bong bong"
Bing bong bingley bungley booooo

Bing bong bingley bungley booooo

47 Captian Daddy Pig

Captain Daddy Pig
Peppa and her family are
borrowing grandpa's boat for the day.
"Remember, Daddy Pig,"
push the lever forward to go forward.
"Aye-aye, Grandpa Pig."
Forward.
And back to go back.
"And Back, simple."

"And please look after my boat,"
I just had it painted.
"Oh, Grandpa Pig,"
what an old fusspot you are.
Are my crew ready?
"Yes, captain Daddy Pig."
Then let's go.
"Oh, the boat is moving backwards."
"Ah, watch out forthe bridge."
Oops!
"Oh, that was close."
Byebye. Byebye.
Have a lovely time.
I hope my boat comes back in one piece.
"Stop worrying, It will be fine."
"Peppa, ring the bell."
"Aye-aye, captain daddy."
I am a bit hungry.
So am I.
Granpa has left us a picnic in the galley.
What's a galley?
A galley is the boat's little kitchen.
Follow me.
Peppa and George go inside the boat.
"Wow, what a tiny little kitchen."
Where's the picnic?
That obvious place would be here.
That's not the picnic.
And it must be here.
And that's not the picnic.
This kitchen has everything in the wrong place.
Wow! ATV.
Daddy can not find the picnic.
It's impossible.
"If this was my kitchen,"
"the picnic would be here,"
"Well done, Peppa,"
Peppa has found the picnic.
Delicious!
"Oh, it's the ducks."
"Hello, Mrs. Duck."
Would you like some bread?
Peppa and George love feeding bread to ducks.
"Look out, long reeds ahead."
"Don't worry, grandpa's boat"
will easily go through them.
Are we stuck?
"No, we can reverse."

Now are we stuck?

Yes.

"Oh, dear,"

grandpa's boat is stuck in the reeds.

I'll just give it a little push.

"Do be careful, Daddy Pig."

I know what I'm doing.

"When I say go, start the engine."

"Aye-aye, captain Daddy Pig."

Go!

Daddy Pig has pushed the boat out of the reeds.

Hooray!

"Quick, daddy,"

jump back on the boat.

"Oh, no,"

Daddy Pig is being left behind.

"Swim faster, daddy."

Stop the engine.

What's he saying?

Stop the engine.

"Daddy says, stop the engine."

Oh!

"Are you ok, Daddy Pig?"

"Yes, I'm fine."

But let's head for home before
we have any more adventures.

"Aye -aye, captain Daddy Pig."

They've been gone for ages.

I hope my boat's alright.

"Look, there they are."

Hello.

"Hi, There!"

I'll just park the boat.

"You park a car, but you moor a boat,"

I'll show you.

Grandpa Pig is going to moor the boat.

The secret of mooring is to do it carefully.

"My, the bridge."

What?

Look behind you.

Ah!

"Oh, I didn't mean to do that."

Grandpa has broken his boat.

"Never mind, Grandpa Pig."

You can have lots of fun mending it.

It is true that I love mending things.

"Can I help mend the boat, Grandpa Pig?"

"Of course you can, Peppa."

48 The Powercut

The Powercut

It is evening.

Peppa and George are in the sitting room
dancing to their favourite song.

Daddy pig is in the hallway
vacuuming the carpet.

"And Mummy pig is in her study,"
doing her important work on her computer.
OH!

"Mummy, daddy,"
it's gone all dark and the music is broken.
And my vacuum won't work.

And my computer has switched off.

Mummy pig tries the light switch.

But the lights do not come on.

It must be a power cut.

What's a power cut?

A power cut is when there is no electricity.

What's the electricity?

Electricity is what makes everything
in our house work.

Will electricity come back again?

"Yes, but in the meantime,"
we need to find a torch.

I think there's a torch in the cellar...

"Ok, I'll go and get it."

"Will you be okay, daddy?"

"Hoho, I'll be fine."

I can see very well in the dark.

Who put that there...

Oh.

Daddy! Are you okay?

"Yeah, it's just a bit dark down here."

"Oh, I just remembered."

I think the torch is in the kitchen.

"Aha, mummy pig has found the touch."

"Can I hold the torch, mummy?"

Okay!

George! Look at me!

Peppa is making a funny face.

"Don't worry, George, it's only Peppa."

"Oh, we'd better told daddy we found the torch."

"Daddy is still in the cellar,"

looking for the torch.

I am sure it is here somewhere.

"Daddy, we've found the torch."
"Luckily, it was in the kitchen all the time."
What a stroke of luck!
Now we just have to wait until
the electricity comes back.
"How long will that be, exactly?"
"I would say, exactly a long time."
"Oh, but George and I"
want to do some dancing.
I know what we can do.
We can watch the television.
"Oh, it won't go on."
The tv needs electricity too.
Does it?
Yes.
"Oh, now what are we going to do?"
In the olden days
when there was no television
children would have to
made up their own games.
"I know, I need a cardboard box."
What is Peppa doing?
"Mummy, would you cut a hole"
in this box for me?
What for?
You'll see.
Mummy pig is cutting a hole
in the cardboard box.
"There you are, Peppa."
Thank you.
"No you all have to sit down there,"
"and George,"
you have to point this torch on me.
Welcome to Peppa pig news
"with me, Peppa pig."
Peppa has made her own television.
Today the whole world stop working
when there was a powercut
and all the electricity was lost.
"Very good, Peppa."
Daddy pig says the electricity won't be back
for a long long time.
"Oh, the electricity is back."
Hooray!
SHush! I haven't finished yet.
Switch the lights off.
"Okay, Peppa."
Good.

I have some very important news.
The queen has just found
some more electricity
and says that everyone
can now be happy again.
"Every good, Peppa!"
Hooray!
Let's dance!
Peppa quite enjoyed the powercut.
But she's happy the electricity is back again.

49 Bouncy Ball

Bouncy ball
Peppa and George are going to play
in the garden with their ball.
Wee... George throws the ball as high as
he can and catches it.
I can do that too.
Wee...
"Oh, Peppa has missed the ball."
This is a silly game.
Here is Peppa's best friend Suzy sheep.
Suzy has two tennis racquets.
"Hello, Peppa. Hello, Suzy."
Let's play tennis.
"Yes, that sounds fun."
"To you, Suzy."
"Oh, Suzy has missed the ball."
"Oh, Peppa has missed the ball."
Peppa and Suzy like playing tennis.
But George feels a bit left out.
"Oh, sorry, George, you can't play tennis,"
we only have two racquets.
"I know,"
George can be the ball boy.
"Yes, it is a very important job."
George is going to be the ball boy. He has
to collect the ball when it is hit too far.
"To you, Suzy."
"Oh, Missed it."
Ball boy...
"Thank you, ball boy."
"Oh, Ball boy..."
"Thank you, ball boy."
Ball boy...
"Oh, dear,"

George doesn't like this game.
"Here are Danny dog, Pedro pony, Candy cat,"
Rebecca rabbit and Richard rabbit.
"Hello, everyone. Hello."
We are playing tennis.
Can we play too?
But there aren't enough racquets.
"Oh, Let's play something else."
Let's play football.
"Yes, football."
Girls against boys.
We each need a goalkeeper.
Me... me... me... me...
Pedro pony and Rebecca rabbit
will be the goalkeepers.
We'll start.
Goal...
Rebecca rabbit has scored a goal.
The boy is winning.
That's not fair.
We weren't ready.
"Hi, that's cheating."
You can't hold the ball.
"Yes, I can."
I am the goalkeeper.
"Go, Rebecca, go. Goal."
Hooray!
The goal is not allowed.
"Yes, it is. No, it isn't."
"Yes, it is. No, it isn't."
What a lot of noise!
"Daddy, the boys are cheating."
"No, the girls are cheating."
It's sounds like
you need a referee.
What's a referee?
It's someone who make sure
that everyone plays fair.
I'll be the referee.
Me... me... me...
Stop! Stop!
I'll be the referee.
The next team to get a goal
will win the game.
Hooray!
Where's the ball?
Quick! Score a goal.
Stop them.

Goal!
Richard rabbit has scored a goal.
Hooray!
The boys win.
"Oh, football is a silly game."
"Just a moment,"
the boys scored in their own goal.
That means the girls win.
Really? Hooray.
Football is a great game.

"Mummy Pig, Daddy Pig and Peppa"
are having mugs of hot milk.
"George, why are you dressing up"
in that spacesuit?
You should be in your pajamas.
George loves everything
to do with space.
"Oh, George, take your spaces helmet off"
to drink your milk.
"Bed time, little ones."
"At night, George likes to"
listen to his space mobile.
"No space again,"
it's boring.
"Space isn't boring,"
it is full of stars.
"I can't see anything,"
it's too dark.
It's easier to see
the stars from the outside.
Can we go outside now?
"Peppa, you are in your pajamas."
Maybe if you put your coats on over your pajamas
we could go outside just this once.
Hooray!
"Daddy, why are you lying on the ground?"
This is the best way to see the stars.
"Look at these little stars,"
imagine you are joining the dots.
That's call the Big Dipper.
"Yes, and the two stars at the end"
point to the north star.

"Wow... north stars, north star,"
are you near or are you far?
Can we get that in the car..
"No, Peppa, the star is much too far away."
Are they further away than the seaside?
"Oh, yes."
But they look a lot closer though a telescope.
Have we got a telescope?
"No, but grandpa pig has a very good telescope."
"Can we go to grandpa pig's house now?"
It's much too late.
"Maybe we can go just this once, daddy pig."
Hooray.
It's the first time Peppa and George
have been in the car at night.
"Look, we are following the north star."
"North star, north star, shining with a twinkly glow,"
please show us which way to go.
Peppa and George has arrived in
grandpa and granny pig's house.
"Oh, dear. I do hope grandpa and granny pig"
haven't gone to bed.
What are you doing here at this hour?
We want to see the stars.
Peppa and George were hoping
they can look through your telescope.
"I see, very well,"
"to the top of the house, everyone."
"Here she is, old bess."
Wow... grandpa pig's hobby is looking at the stars.
Now who's for the first look?
"Me, me, me..."
"Oh, the north star."
We sailor uses it to find our way home.
Daddy used it to find his way here.
Are there other things in the sky?
"Yes, this is the planet called Saturn."
What are those pretty rings?
They are made of block and ice.
Saturn is very very cold.
"We can build a snowman, George."
"Quick, look. Oh... it's a shooting star."
You must make a wish.
I wish that when George is old enough to
have his own rocket he will take me into space.

51 Daddy Pig's Birthday

Daddy Pig's birthday
Today is Daddy Pig's birthday.
Daddy Pig has to go to work.
"Daddy, I wish you don't have to"
work on your birthday.
"So do I, but I'll be home"
as soon as I can.
See you later.
See you later.
"While Daddy Pig is at work,"
we can get all his birthday surprises ready.
"First, we'll make"
daddy's birthday cake.
"We start with butter and sugar and flour,"
"then we add an egg,"
"and most important of all,"
the chocolate pieces.
Mummy Pig is making a chocolate cake.
Daddy Pig loves chocolate cake.
I give it a stir.
"Mummy, may I stir?"
"Yes, Peppa."
"Peppa loves stirring,"
George wants to go.
"Okay, George,"
that's enough stirring.
"There,"
Daddy Pig's chocolate cake.
Hooray!
Now we just have to
bake it in the oven.
"Mummy, can I lick the spoon?"
"Yes, you can lick the spoon"
and George can lick the bowl.
Yippee.
Peppa and George love
chocolate cake mixture.
"Poor Daddy Pig,"
he's missing all the fun.
"Mummy, can I ring daddy work?"
and say happy birthday?
That's a nice idea.
This is the office
where Daddy Pig works.
"Hello, Mr. Rabbit speaking."

"May I speak to Daddy Pig, please."

"Someone for you, Daddy Pig."

It sounds important.

"Hello, Daddy Pig speaking."

"Happy birthday, daddy."

Happy birthday!

"Thank you, Peppa."

"Don't be late home,"

"daddy, byebye"

Bye bye.

"Happy birthday, Daddy Pig."

Thank you.

That's just one more thing to do

before daddy gets home.

"Yes, Daddy Pig's birthday surprise."

"Shhhh... George, remember,"

it is a secret.

Shhhh...

"Peppa and George have buckets of water,"

Mummy Pig has balloons.

I wonder what's Daddy Pig's birthday

surprise indeed.

Daddy's home.

"Quick, back to the house."

Daddy Pig is home from work.

"Happy birthday, Daddy Pig."

"Thank you, everyone."

"Wow, what a lot of candles."

That's because you are

"very very old, daddy."

You must blow out

all your candles in one go.

I'll do my best.

Hooray!

And here's your birthday present.

"Thank you,"

"new boots, fantastic!"

Let's try them out.

"Peppa, George and Mummy Pig"

"are wearing their boots,"

Daddy Pig is wearing

his birthday boots.

Daddy Pig has found

a little puddle.

Let's see if the boots work.

The puddle is a bit too little

for Daddy Pig.

"Mm, what I need is a big puddle."

"Why not try over here, Daddy Pig"

"Oh, what's this?"

It's your special birthday surprise.

Shhh... Shhh...

what are they up to?

A big muddy puddle.

Fantastic!

My birthday boots work perfectly.

Would you care to join me

in my birthday muddy puddle?

Daddy Pig loves jumping up and down

in muddy puddles.

Everyone loves jumping up and down

in muddy puddles.

This is my best birthday ever.

52 Sleepover

Sleepover

It is night time.

Peppa is going to a sleepover

at Zoe zebra's house.

"Hello, Zoe."

"Hi, Peppa."

Welcome to my sleepover.

I'll pick you up in the morning.

"Bye bye, Peppa."

Bye.

"Rebecca, Suzy and Emily"

are already here.

"Hello, everyone."

"Hello, Peppa."

"I've got my teddy,"

"hello, everyone."

Zoe has her toy monkey.

Ou-ou...

Emily has her frog.

Rub-it...

Suzy has her owl.

Twit-twoo

And Rebecca has her carrot.

"Carrot, carrot..."

Mr. Zebra is watching television.

That's better.

I was watching that.

"But it was a bit boring, daddy."

Daddy Zebra is

going to bed now.
He has to get up early
to deliver the post.
"Very well, Mummy Zebra."
Don't stay up too late.
"Good night, Mummy."
Peppa and her friends are
getting into their sleeping bag.
Zoe's baby twin sisters Zuzu and Zaza
want to join the sleepover too.
But the sleepover
is only for big girls.
They are so sweet and little.
Can they stay?
"Ok, but you must promise"
you'll stay awake.
We promise.
"Wow, a piano."
"I am having lessons,"
listen...
"Twinkle twinkle little star,"
can I have a go?
And me.
"Twinkle twinkle little star,"
how I wonder what you are...
"Shush, you must be quiet,"
so Daddy Zebra can sleep.
Now into your sleeping bags please.
What do we do now?
"On sleepovers,"
there's always a midnight feast.
What's a midnight feast?
We eat things in secret.
"Woo, I know where's the food,"
but we must be very quiet.
"Shhh, Suzy, Shhh,"
Peppa. Quiet...
Mummy Zebra has woken up.
We are going to have
the best midnight feast ever.
What's going on?
You'll wake Daddy Zebra.
Now who knows a nice
gentle bedtime story.
"Me, and me..."
"I'll start. Once upon a time,"
"there was a little fairy,"
"now your turn Peppa,"

And she lived in the forest.
She was very pretty.
And she had a fairy wand.
Lovely.
"Your turn, Emily,"
tell us what happens next.
"Well, I am not very sure."
"Just say anything, Emily."
As long as it isn't boring.
"Ok, the little fairy met"
"a big monster, who went...?"
"Gee, Too scary."
What's all this noise?
"Oh, dear, the noise"
has woken up Mr. Zebra.
"Sorry, daddy,"
there was a story about a fairy.
And a scary monster.
And we want to know
what happens next.
Very well.
The monster lifted up
his big hairy paws...
and walked along
on his big hairy feet.
Wow.
And he said
"twinkle, twinkle little star,"
how I wonder what you are.
Mr. Zebra's song has
sent everyone to sleep.

53 Cold Winter Day

Cold winter day
It's very cold today.
Peppa and George
"are wearing their hats,"
"scarves, coats, mittens and boots."
"Look, George,"
the trees haven't got leaves.
"In the wintertime,"
the trees lose their leaves.
Peppa and George had found
a muddy puddle.
Peppa and George love jumping
up and down in muddy puddles.

Me first.
"It's so cold,"
"the puddle has turned to ice,"
it is very slippery.
It's not funny.
Here are Mummy Pig and Daddy Pig.
"Good, a muddy puddle."
Daddy Pig loves jumping
in muddy puddles.
"Stop, Daddy."
That was close.
Lucky I've got such
a good sense of balance.
"Daddy, the puddles are icy today,"
we can. I jump in them.
Never mind.
Let's feed some bread to the ducks.
Hooray!
Peppa and George love feeding the ducks.
"Hello, ducks."
We've got some bread for you.
The ducks like bread.
"It's so cold,"
the pond has frozen to ice.
The ice is very slippery.
"Sorry for laughing,"
Mrs. Duck.
But it did look quite funny.
It is starting to snow.
Snow!
Peppa and George love snow.
"George, let's catch snowflakes."
Peppa and George are
catching snowflakes.
Oh...
George has caught a snowflake.
Peppa has caught a snowflake.
Here is Suzy sheep
on her toboggan.
"Hello, Peppa."
"Wow. Suzy, that looks fun."
We are all tobogganing
on the big hill.
There is lots of snow there.
Shall we climb up the big hill
and watch the tobogganing?
"Yes, please."
Peppa's friends are tobogganing

on the big hill.
"Oh, dear,"
George has slipped on the hill.
"You look funny, George."
George does not
think it is funny.
It's quite easy
to slip on the hill.
Maybe I should carry George.
"Daddy, can you carry me too?"
"All right, Peppa."
Just be careful.
"You don't slip over,"
Daddy Pig.
"Don't worry, Mummy Pig,"
remember I've got
an excellent sense of balance.
Let's have a race.
"Yes! Ready, steady, go!?"
Weeeee...
Here we are.
The top of the big hill.
"Do be careful,"
"you don't slip, daddy pig."
"I am not going to slip, Wow..."
Daddy is like a big toboggan.
Yo-ho...
We are going to win the race.
Hooray!
Peppa and George are the winners.
"Well done, Peppa."
My daddy makes
a very good toboggan.
It's not funny.
"It is a big funny, Daddy Pig."

We've all finished
our work, so let's all play

02 The Rainbow

Peppa and her family are
going for a drive to the mountains.
Are we nearly there yet?
Not yet, Peppa.

We each have to
spot a car of our favorite color.
My favorite color is green.
Mine is orange.
Mine is red. George,

03 Pedros Cough

It is a school day. Peppa and
her friends are having a music lesson.
Miss Polly had a dolly.
Sorry, Madame Gazelle.
Oh dear, Pedro has a cough.
Don't worry. I'll ring doctor Brown Bear.
Doctor Brown Bear, speaking.
Hello doctor, this is Madame Gazelle.
A child is ill.
Don't panic. I'll come straight away.
What seems to be the problem?
I've got a cough.
I see. Is it a tickly
cough or a chesty cough?
I don't know, but it goes like this.
And when did you get this cough?
When Madame Gazelle started singing.
It's nothing serious,
but Pedro's cough may be catching.
What do you mean "catching"?
When one person has a cough,
sometimes other

people get that cough, too.
Do I need medicine?
Just a little spoonful.
I'm afraid it doesn't taste very nice.
It tastes like an old shoe full of jam.
Thank you Doctor Brown Bear.
Goodbye.
Bye.
As I thought, Pedro's cough is catching.
Dannie Dog and Susie Sheep
have caught Pedro's cough.
Open wide.
It tastes of cuppet flavored yogurt.
It tastes of flowers.
Well-done for taking your medicine so well.
Do you ever get ill, Doctor Brown Bear?
No, Peppa. I'm never ill.
I eat an apple a day. Goodbye.
Bye.
It is home time,
and the children's parents
are here to pick them up.
Mummy, daddy, I've got a cough.
Doctor Brown Bear came to look after us.
He gave us horrible medicine.
Madame Gazelle,
can you sing your song now?
Of course, Peppa. (music) Wooo...
Miss Polly had a dolly who was...
Oh, dear, all the grown-ups
have got Petro's cough.
Doctor Brown Bear speaking.
This is Peppa pig.
All the grown-ups are ill.
Not to worry, Peppa. I'm on my way.
Hello, everyone. Caught
Petro's cough, have we?
Very well. Stand in a line and open wide.
It tastes like custard and old socks.
Thank you for looking after
us, Doctor Brown Bear.
Who looks after you when you're ill?
No one looks after me. I'm never ill.
Oh, dear. Doctor Brown Bear
has caught Petro's cough.
Not to worry, goodbye.
Goodbye.
Poor Doctor Brown Bear. He is ill

and there is no one to look after him. Oh.
Who can that be?
Hello, we've come to look after you.
Here is some fruit and some cushions.
Here is your medicine.
It tastes like
jammy-yogurt-flavored custard socks.
And here is a song to
make you feel better. Woouoooo...

04 The Library

It is bed time.
Good night Peppa, good night George.
Can I have a story, please?
Ok. I will read you the Red Monkey book.
But we always have that one,
the Red Monkey has a bath,
cleans his teeth and goes proceed.
Eh ...yes, can we do another story.
the blue tiger, the green spider,
the orange penguin, oh what's this one?
The wonderful world of concrete.
I've been looking for that!
Is it your book Daddy?
It's a book I borrowed from the library
What's the library
It's a place you borrow books from
and when you finish
reading them, you take them back.
But daddy pig has
forgotten to take this book back.
I have had it for rather a long time.
Never mind, you can take it back
tomorrow, but now it's bed time.
After Dad reads this story.
It's not much of the story, Peppa
please read it, daddy.
Ok. The wonderful world of concrete.
Concrete is a construction
material composed of sand,
water and chemical
admixtures. Chapter one, sand.
Peppa, George and
Mommy Pig have fallen asleep.
It is the morning, Peppa and her
family have come to the library

Wow what's a lot of books
Peppa you
must be quiet in the library. Why?
Because people come
here to read and to be quiet.
Next please!
Miss rabbit is the librarian.
Hello Mommy Pig, are
you returning these books?
Yes, Miss Rabbit.
Right you are.
Why is the computer beeping?
It's checking to see that you haven't been
naughty in borrowing the book for too long.
I may have borrowed
this book for a bit too long.
Don't worry, Daddy Pig,
it cannot be that bad.
Gosh, Daddy Pig you've had
this book out for ten years!
Naughty daddy! Sorry Miss rabbit.
That's all right, now
you can borrow another book.
Miss rabbit, can George
and I borrow a book please?
Yes, the children section is over here.
Oh look, fairies, flowers, pretty dresses ...
Hello Peppa, Hello, Danny.
I am borrowing book about football
Hello, Peppa!
Hello, Suzy!
I got a book about nursing.
George has chosen a book
about dinosaurs. Dinosaur, gee!
Look what I've found, Further
Adventures in the World of Concrete!
Here is a red monkey book.
Not the red monkey book. It's boring!
But this is a different story.
It might be more fun.
I bet it's not.
Once upon a time,
there was a red monkey.
Oh. He had a bath,
cleaned his teeth and went to bed.
No, he jumped into a
space rocket and went to the moon.
He had a picnic with the dinosaur,

swam under the sea
and climbed the highest mountain.
That was a busy day. The end.
Wow! Read it again.
We can borrow it
and read it at home, Peppa.
But I was going to
choose this book or this one.
You can take three
books home if you want, Peppa.
Yippee!
But you must remember
to bring them back on time.
Yes, Miss Rabbit.
And you must remember
to bring your book back, too, Daddy pig.
I'll make sure daddy remembers.
Yes Peppa .I'm sure you will. Ho ho.

05 The Camper Van

Peppa and George are very
excited today.They are going on holiday.
oh where is daddy?
He is bringing a secret surprise.
What's that?
It's a camper van.
We've borrowed it for a holiday.
This camper van has everything.
This button works the sink.
Wow!
And this button works the TV.
What does this button do?
I am not sure. Maybe
don't press it until we know.
Is everybody ready to go on holiday?
Yes mummy pig.
Then let's go!
We are going on holiday in a camper van.
Hohoho
En, this map is a bit tricky.
Daddy, we don't want to get lost.
Don't worry, Peppa. I'm an expert
in map reading. Oh, that's strange.
Are we lost?
Err yes.
It's Granddad dog with Danny dog.

Hello Peppa,
Hello Danny. We're lost.
Lost? Is your sat navi broken?
sat navi?
You are driving a camper van T32 hundred,
set navi comes a standard.
Welcome to the car of the future.Ah,
so that's what that button does.
Where are we going today?
The camper van is talking.
clever isn't it. The
computer's voice helps you find your way.
But how does
it know where we want to go?
You tell it.
Hello Mrs camper van.
Hello.
We're going on a holiday.
Can you tell us the way?
Proceed on
the current road in a straight line.
Thanks for your help, Granddad dog.
You are welcome. Have a lovely holiday!
We're going on a holiday in a camper van.
Danger, danger, oil is low.
What's oil?
Oil helps engines to run smoothly.
Will the oil run out?
No, these warnings
always give you plenty of time.
Oil is gone.
Oh dear.
Luckily I've got a spare can of oil.
Well done, Daddy pig.
We simply pour
the oil into the engine and oh ...
What's wrong?
There's nothing in here.
The engine's gone.
It's mummy sheep with Suzy sheep.
Hello Suzy!
Hello Peppa!
We've lost our engine.
Lost your engine?
Yes, it's completely disappeared.
I'd like to help, but I don't
know a thing about engines.
I'm probably just being silly,

but this looks a bit like an engine?
Ah, yes, well-spotted Mummy sheep.
The camper van has its engine at the back.
There, that should be enough oil.
Thank you Mummy sheep!
You are welcome. Have a lovely holiday!
Are we near there yet?
Just up the next hill. You
have reached your destination.
Hooray!
Time for bed.
Where will we sleep?
Mummy pig and I will sleep on this bed.
And you two will sleep upstairs.
But there isn't an upstairs.
 watch this.
The camper van's roof is lifting up.
The camper van is just like our little house.
While we are on holiday,
it is our little house.
Goodnight my little piggies.
Goodnight.

06 Camping Holiday

Peppa's family are on a
holiday in their camp van.
Good morning, my little piggies.
Good morning, Daddy pig.
I love camping.
Since we are in the countryside, I thought
we can spend the day looking at nature.
Good idea! Mummy pig.
Let's watch a nature program.
One of the wonders of nature--Birds
How lovely.
Aha aha...
Shoo, shoo, little birdy,
we can't hear our TV.
Oh! Daddy Pig, there is no point being on
a camping holiday and just watching TV.
We can do that at home.
Hum... Good thinking, Mummy Pig.
There're lots of fun places
we can visit. There's tree world.
What's tree world?
Tree world is a big forest full of trees.

It sounds a bit boring.
Or there is potato city?
What's potato city?
There's a tour with potato
fields ending with a potato tasting.
Sounds interesting.
Or there is Duckland.
What's Duckland?
It's a wide river full of ducks.
Duckland! Let's go to Duckland.
Peppa and George love ducks.
How do we get to Duckland?
Camp van can guide us.
Hello! Where are we going today?
Duckland, please.
Follow the road ahead in a straight line.
We're going to Duckland in a camp van.
Welcome to Duckland.
How many tickets please?
Two adults and two children.
Enjoy the ducks.
Where are the ducks?
Maybe they are on holiday.
Let's have our picnic lunch.
The ducks always turn up...
When we have picnics.
Peppa and George love picnics.
Look! It's the duck. Stop daddy.
We need bread for the ducks.
Hoho, all right.
Hello Mrs. Duck!
Here come more ducks.
All the brothers and sisters are here.
And here come more ducks.
It's a Grammy and a Grandpa ducks.
And here are all the aunties and uncles.
That's the last of our picnic gum.
Ducks, say thank you to daddy pig.
You are most welcome.
I love Duckland.
It is time to go home.
I wonder what's the shortest way home.
Drive straight ahead into the river.
Oh! Are you sure?
Yes, drive into the river.
But we can't drive in the river.
Yes, it's talking nonsense.
Please press the blue button.

The camper van is driving into the river.
Our camper van has turned into a boat.
I wasn't quite expecting that.
Welcome to the car of the future.
Look! It's granddad dog and Danny dog.
Ahoy, there! Daddy pig.
Ahoy, there.
Sailing on a river in a camper van.
Drive up the next hill.
You have reached your destination.
We are home.
Thank you for your lovely
holiday Mrs. Camper van.
You are most welcome.
It's nice going on a holiday but it's
nicer to be backing our own little house.
Goodnight my little piggies.
Goodnight.

07 Compost

Daddy pig is making
vegetable soup for lunch.
Daddy, can I help?
Thank you, peppa. Can you clear
away all these vegetable peelings?
Ok.
Stop, peppa. Vegetable
peelings don't go in the normal bin.
They go in this brown bin.
Ooh
Banana
That's right, george. It's a banana skin.
And there are onions and carrots and all
sorts of fruit and vegetable leftovers in here.
Granny and grandpa will like these
Do granny and grandpa
pig eat potato peelings?
Hahaha. No, peppa.
They're for grandpa's garden.
They help his plants grow.
Oh!
We can take these round there after lunch.
Oh, goody.
Hehehe...
Mummy pig peppa and george
are taking the vegetable peelings

over to granny and grandpa pigs house.
We are here.
Hurray!
Grandpa pig, grandpa egg.
We've got a special present for you.
Ah. Vegetable peelings.
Fantastic.
My garden will like these.
Does your garden eat vegetables?
Hoho. No peppa. These
peelings are for my compost heap.
What's that?
I'll show you. Here it is.
It's a wooden box.
Yes, peppa. But it's a
very clever wooden box.
I put these peelings in the top and then
out of the bottom comes lovely rich earth
Called 'compost'
How does it do that? Is it a magic box?
Hoho. No, peppa. I've got some
little friends that give it some help.
Where?
In here. Look
Ah. Wiggly worm.
Wiggle, wiggle.
The worms turned all the fruit
and vegetables into compost.
Grandpa, can we find some more
wiggly worms for your composting?
What a good idea!
Come on, george. Let's find
some more wiggly worms.
A wiggly worm.
Wiggle! Wiggle!
You are a wiggly worm.
How do you do? I love you.
You are a wiggly worm.
Haha! Well done!
Be a good wiggly worm.
And turn it all into compost.
Then, I can use the compost to...
I know, I know. You put a seed
in the ground, cover it in compost
And then it grows into a tree.
Hoho. Yes, peppa.
And talking of trees, we'd
better go and help granny pig.

She's collecting fruit in the orchard.
What's the orchard?
It's where you find fruit trees.
We've had this orchard
since i was a little piggy.
Hehe
Hello, granny pig.
Ganny pig.
Are you going to help
me collect some apples?
Yes, granny. Oh, the
apples are too high up.
Don't worry, peppa.
Granny and grandpa have
a little trick to collect the apples.
Everybody hold on to the tree
On the count of three,
shake the tree as much as you can.
One, two, three!
It's raining apples!
Haha
Granny, can we have an apple please?
Of course, peppa.
Mm...delicious
And can you guess what
we do with the apple cores?
Eh..
Wiggle, wiggle!
That's right. The apple cores go
into the compost for the worms.
Clever george.
And clever wiggly worms, too.

08 Richard Rabbit Comes to Play

Peppa and George
are playing in their bedroom.
This will be the best house ever!
George, Richard Rabbit is here.
George!
Richard!
Dinosaur!
Bye bye, Richard.
I'll be back to pick you up later!
George and Richard are best friends.
George! Richard!
You've knocked my house down.

Please play something not bouncy.
Ha ha ha!
George has made
the toy basket into a volcano.
Richard is using toy trees to make a jungle.
George has used
building blocks to make a river.
Dinosaur! Dinosaur!
George and Richard have
turned the bedroom into dinosaur land.
I leave it. It's too noisy.
I say potato. And I say potato.
Potato! Potato! Potato! Potato!
The good thing about rainy days is
we get to watch important TV programs.
Potato! Potato! Potato!
Mommy, George and Richard
have made the bedroom into dinosaur land.
And dinosaur land is very noisy.
George has his best friend here,
but I've got no one to play with.
You could ask Susie Sheep to come over.
Susie Sheep is Peppa's best friend.
Can Susie really come over now?
Let's ring her.
Mie! Hello, Susie Sheep's speaking.
Susie, it's me.
Can you come to my house now?
Yes, Peppa!
Can I wear my nurse's costume?
Yes, but come quickly.
Bye bye, Susie!
I'll be back... to pick you up later.
George! Richard! Nurse Susie is here.
And nurse Susie
says this is not dinosaur land.
It's a hospital.
And a hospital must be clean and tidy.
The bedroom is not
dinosaur land anymore. It is a hospital.
I am an important doctor.
This dinosaur looks sick.
I agree, doctor.
He's a very
greeny-ill color. He must go to bed.
And this dinosaur
looks very purply-ill color.
Yes, doctor. He must go to bed, too.

Dinosaur!
Sh-sh! Quiet in the hospital.
Choo choo!
The bedroom is not a hospital any more.
Now it's a railway station.
No! No! There aren't any trains in fairyland.
Oh, now the bedroom is fairyland.
Only pretty things are allowed in fairyland.
What's all this crying about?
George and Richard
want to play dinosaurs and trains.
And we want to play hospitals and fairies.
Uh, I see the rain has stopped outside.
So?
So maybe you could all play outside.
But they like little boys' games.
And we like grown-up girls' games.
But after it's been raining in the garden,
what you normally find...
Muddy?
Puddles!
And what are muddy puddles for?
Jumping up and down in!
Everyone loves jumping up
and down in muddy puddles
whether they're big girls or little boys.

09 Fun Run

It has been very stormy
weather and the school roof is leaking.
How can we raise the
money to fix the school roof?
We could have a fun run.
What's a funny run?
It's a day for picnics and
giving money to see people run.
The more money you
give, the further they run.
Good idea, daddy pig!
How far can you run?
What? Eh...well,
I can run as far as you like.
But daddy, you can hardly run at all!
Nonsense! I am an expert at running!
Good. Does anyone else want to run?
No, thank you!

But I will give money
to see daddy pig run!
I do!
And me!
Excellent! Thank you, daddy pig!
Peppa and her family are eating spaghetti.
Delicious! Is there any more spaghetti?
Daddy pig!
You've already had three things!
Eating gives me energy
And I need energy for my fun run.
If you also need a practice running.
What if I practice eating today
then practice running tomorrow?
No, daddy.
You need to practice running now.
Oh.
Come on daddy! Race you!
This is easy.
It is easy to run downhill.
It is hard to run uphill.
I don't think I should've
eaten so much spaghetti.
It is the day of the fun run.
Madame Gazelle has a chart to
show how far daddy pig must run.
If daddy pig can run to here.
The supermarket!
Then to here
Granddad dog's garage.
And all the way to here
Windy castle.
Then we will have enough
money to fix the school roof.
I will do it now. Ready, steady, go! ...
I did it! Now we can have the picnic.
Silly daddy! That is just a drawing.
Yes, now you must
run to the real windy castle.
ow
Ready, steady, go!
hooray!
Come on, daddy pig! You can make it!
Come on, bus! You can make it!
The school bus has
made it to the windy castle.
Now everyone can enjoy the picnic.
Water...water...

What a lovely hot day!
It's such a relaxing
way to raise money, too!
Water....
Daddy pig has reached the supermarket.
All running makes him very thirsty.
Let's look through the telescope.
I can see daddy.
The telescope makes everything look closer.
He's not going very fast.
Daddy pig has arrived
at Grand daddy dog's garage.
That's it. I can't go on!
Daddy has stopped.
Oh.
You look rather hot.
You need something to cool
you down and give you energy.
Have an ice lolly.
Thank you!
Granddad dog. That's nice.....
a wasp!
Shoo, shoo, get you away, you little pest.
The wasp wants to
share daddy pig's ice lolly.
No, this is my lolly.
Daddy starts running again, really fast.
Hooray!
Oh..get off...
You can stop now, daddy pig.
We have enough
money to fix the school roof.
Ah ...
Daddy pig has lost the wasp.
Well done. Daddy pig.
All that extra running means we've got
enough money for a new school bus tool.
Thank you, daddy pig.
You're most welcome.

Daddy Pig is
doing the washing this morning.
Daddy, what's that shirt?
It's my football shirt.

Oh, my dress is a bit muddy.
Mummy Pig and George
have found more things to wash.
Very good, George.
We put the clothes in here.
And then we switch it down.
The washing machine is
filling up with hot,slippery water.
Splosh. Splosh. Splosh.
The washing machine is
makingthe whole room shake.
Oh, peppa, where's your dress?
I am washing it.
What? Oh, no.
Look Mummy,
my red dress is all nice and clean.
Yes, Peppa.But look
what' it done to everything else.
Oh Dear, Peppa's white dress
has made all the white clothes pink.
Pink isn't a very
good color for a football shirt.
Oh.
Daddy Pig is home from work.
Hello, everyone.
Hello, Daddy.
Eh, Daddy Pig, we've got

a bit of a problem and mm...
Tell me later, Mummy Pig.
I have to get ready for football.
Now, where's my football shirt.
Here.
Don't be silly, Peppa. That's
one of Mummy's dresses. It's Pink.
No, Daddy. It's your football shirt.
It's got a bit muddy.
So we wash it.
And it all went a bit wrong. Sorry, Daddy.
But I can't wear a pink football shirt.
Why not, Daddy? Pink is a lovely color.
What do you think George? yuk.

Here is granddad dog.
Aha there.
Lovely day to go sailing.
I would go, too.
But my boat needs to clean.
I don't know why you
bother cleaning that rusty boat.
I'm surprised it's still afloat.
This rusty boat
will still be afloat long after
your old tin boat has
sunk to the bottom of the river.
Granddad dog is
grandpa pig's very best friend.
Boat steam ahead! Goodbye!
I am the captain of this boat,
and when the captain tells you

everything that they said.
George, raise the flag.
George, raise the flag.
Peppa, ring the bell.
Grandpa, can I be the captain, please?
OK. But as a captain,
you must wear this hat.
Now Peppa is the captain, and
everyone must do what she says.
Ring the bell. Turn that wheel.
Aye aye, Captain Peppa.
Jump up and down.
Captain Peppa is a bit bossy.
Perhaps I should be the captain again.
We don't want a crash into anything.
Steering the boat can be tricky. Luckily,
I'm good at steering.
Oh dear. Grandpa pig's boat
has crashed into a little island.
Grandpa, we're stuck.

I'll ring granny pig. She can get help.
Wow, oh. Grandpa pig has
dropped his phone in the water.
Granny pig speaking. Hello? Hello. Hello.

a few little things for her visit.
Things you do not have over here
cheese, bread, tomatoes, water...
Au revoir, Delphine. I'll be back
to pick you up tomorrow night.
Where should I put Delphine's luggage?
In my room, at the very top of the house.
Oh.
And this luggage
is for one night stay?
Oh yes, that is why
I only pack a little bag.
Oh.
Now, Delphine is here
to practice talking English,
so we must all help her.

Yes, mummy.
First, I must say sorry,
I do not speak English very well.
You don't speak too badly.
You are very kind, Monsieur Pig.
But may I ask you a
question about talking English?
Of course, I am an
expert at taking. Ask away.
Are English split infinitives a form
of irregular verb, or past pronoun?
Uh...
Actually it's quite late,
shall we set up Delphine's bed?
Mummy, mummy, can Delphine sleep
in my bed, with a pillow at each end?
Good idea, Peppa.

Mummy pig is dressed as a fireman.
Mummy, why are you dressed like that?
I'm going to the

mummy's fire engine practice.
wow
This is just a good excuse
for a cup of tea and a chat.
Well, what are you
doing today, daddy pig?
I've got a very important meeting
with the daddy's football team.
That's just a lot of grown- up
boys kicking a football around.
We are having a barbecue as well.
Here are Mr. Bull, Mr. Rabbit,
Mr. Pony and Mr. Zebra.
Moo, is Daddy pig coming out to play?

There is a ladder for climbing, a hose
for squirting water, and a big bell to ring.
Dingdong dingdong!
Now, let's go up to the
tower and look for fires.
Hello, everyone.
Hello, Peppa! Hello, George.
Oh, who's for a nice cup of tea and a chat?
That sounds nice.
A telephone!
Peppa, that is the fire phone.
It's only to be used when there is a fire.
Ah, fire! Fire!
Fire station, where is
the fire? Where is the fire?
Can I speak to Mummy pig, please?
Oh, it's Daddy pig.
Daddy pig, you are not supposed to ring
on this phone. It's only for emergencies
This is an emergency. I can't find
the tomato ketchup anywhere.
Daddy pig, shall I start to barbecue now?
Yes, please, Mr. Rabbit.
Do be careful with the
barbecue, daddy pig.
Trust me, mummy pig. We daddies

know all about barbecues. Bye!
Maybe it needs more charcoal.
Give it a bit of blow.
Put a few more fire lighters on.
Now, we just have to wait for a fire.
How long do we have to wait?
Oh, it could be a long time.
I've been waiting ages.
How many fires have you
actually put out, Miss Rabbit?
None, not one fire,
but you've got to be ready.
It's the fire phone.
Can you answer it, Peppa?
It'll probably be your daddy again.
Ok!
Hello, fire station.
Hello, Peppa.
Oh, daddy, it is you! You're very

20 Talent Day

It's the end of another

day at Peppa's play group.

Children, tomorrow is Talent Day.

What is a talent?

A talent is something you

like doing and you are good at.

I like to watch

television and I am good at it.

Think of something we

might like to see you do.

My talent is playing the guitar.

The parents have

arrived to pick up the children.

Don't forget to think of

something to do for Talent Day tomorrow.

It is bedtime for Peppa and George.

I can't go to bed yet.

I haven't got a talent to show tomorrow.

But you have lots of talents, Peppa.

Yes, I can skip.

I can sing.

Twinkle, twinkle, little star. I can dance.

It's hard to choose one talent.

I am good at lots of things.

Don't worry, you can decide tomorrow.

Ok.

It is Talent Day.

My talents are

skipping, singing and dancing.

I practiced them all last night.

I was practicing

watching television last night.

That's not a talent.

Madame Gazelle said so.

What can I do then?

Who would like to

show us their talent first?

Danny Dog

I can bang a drum.

I can bang it louder.

No, that was lovely, Danny.

Pedro Pony, what's your talent?

Magic Tricks.

Here's a glass of water.

It is wet and see-through.

Now I will make the water disappear.

Please close your eyes.

Open your eyes.

The water has gone.

Thank you.

Emily Elephant,

I am going to play the recorder.

And what is your talent, Rebecca?

21 A Trip to the Moon

It is a lovely sunny day.

Peppa is playing with her fancy ball.

George and his friend Edmond

Elephant are playing with their space toys.

Moon, moon

George is pretending

the bouncy ball is the moon.

I was playing with that ball. Ooh...

Edmond's space toy

has landed on Peppa's head.

This looks fun.

Are you going to the moon?

It is just boring space

stuff for baby study. It's not real.

But space is real, Peppa,

And there are real

rockets that go to the moon.

And museum has a

show all about the moon.

Shall we go and see it?

Yeah

Will we really have to go to the moon?

NO, Peppa, we are not going to the moon.

We are going to the museum.

Ok

Here is the museum.

Hello, everyone.

Have you come to see the moon show?

Yes, Miss Rabbit, five tickets, please.

There you are.

Enjoy your trip to the moon.

Ooh, we really are going to the moon.
No, Peppa, it's just pretend.
This way for our trip to the moon.
Mr. Rabbit is
the tour guide. Prepare, take off.
It is just pretend, isn't?
That's right, Peppa. It's just pretend.
Five, four, three, two, one, blast off!
We live on a planet.
Does anyone know what it is called?
The Earth
That's right.
I am a bit of expert at the space things.
There're seven other
planets that go around our sun.
Does anyone know what they are call?
Mercury,
Oh, well done, Edmond.
Venus 金星, Mars 火星, Jupiter 木星,
Saturn 土星, Neptune 海王星, Uranus 天王星
Edmond knows all about the space.
I am clever (clout?).
Does anyone know what
these planets are made of?
They are made of cardboard.
These models are made of cardboard.
But the real planets are
made of rock and ice and gas.
But of course the moon is made of cheese.
No, the moon is made of
rock and this is a serious tour.
So no jokes and no giggling.
Here we are, on the moon.
It's a pretend moon, really, isn't?
Yes, if this was the real moon,
you could jump over my head.
Does anyone know
why we can jump so high on the moon?
Gravity.
Oh, that's right, Edmond.
Gravity is what keeps us on the ground.
It is weaker on the moon,
so you can jump higher.
We can make you feel
like you are jumping on the moon
With a help of science.
That sounds impressive.
How do you do that?

With big rubber bands.
Everyone is scrapping into
Mr.Rabbit's anti-Gravity rubber bands.
Bouncing on the pretend moon is fun.
Say moon cheese
Moon cheese
And that's the end of the tour.
Please walk this way.
Are there trees on the moon?
No
Are there any castles on the moon?
No
Are there any moon shops?
No. That would be silly.
Welcome to the moon shop.
We've got moon maps, moon books and
We've even got a picture of
piggies on the moon with an elephant.
Look there we are, jumping on the moon.
We've got moon rock, too.
It got a picture of the moon
all the way through the middle.
Wu...
How about some real moon cheese?
How much is it, Miss Rabbit?
Five pounds, please.
Five pounds?
It's all for good cause.
I like the moon now
because it's very interesting.
Mmm, and very tasty.

But my favorite was the slide.
It's my favorite, too.

Naughty Richard,

Richard rabbit finds
it's hard to wait his turn.
Oh! Dear, it's not
easy being small, is it Richard?

I don't think you should have to wait.
I wouldn't change the
rules if I were you grandpa pig.
Nonsense,
the children understand, don't you?
ha ha!
But Grandpa, George is
little and he has to wait his turn.
Yes, George is little, so
he shouldn't have to wait neither.

I think it is
someone else's turn now, Pedro.
But I have to go home soon.
Oh, I see!
That's different. Let me push you then.
But, grandpa.
I'm bored of waiting.
Me too!
And me!
Let's play on the roundabout.
Everyone wants to get on the roundabout.

Too many children on
the roundabout. Everybody off!
But grandpa pig, I was actually here first.
Ah! Then you can
get back on the roundabout.
I need to get on too.
Why is that? Rebecca.
Because it's my birthday soon.
Oh! Ok!
And me.
All right, is everybody ready?
Yes.
Stop, there are no boys on the roundabout.
Now is everybody ready?
I'm wearing glasses. Can I go on please?
The children themselves
are making up their own rules.
I need to get on, because I like carrots.
Now, are you all ready to go?
No, I have to get on because I can do this.
Here is mummy pig.
How are you getting on grandpa pig?
I ... I 'm confused.
These playground
rules are too complicated.
There is only one
rule grandpa pig, and that is,
everyone waits their turn.
What? Even the little ones?
Even the little ones.
What's about the
very old ones like grandpa?
Even the very old ones like grandpa.
At the playground everyone has their turn.
Wee!

He can't talk, Peppa.
If he can't talk then
how do you know what he wants?
We guess.
I'm guessing he is hungry.
Peppa, would you
like to help feed Alexander?
Yes, please.
It is lunch time for Baby Alexander.
Cousin Peppa is going
to feed you today, Alexander.

Here you are baby.
Oh, here it is.
Oh, he keeps turning his head.
Feeding Baby Alexander is quite hard.
Watch this.
Here comes the aeroplane. Woo!
Alexander likes it if you
return the spoon as an aeroplane.
You have a go, Peppa.
Here comes the aero plane. Errrrrrrrrr.
Open your mouth
and in free the doors. Shh.
Hurray!
That was an aeroplane.
Can you say "aeroplane"?
I told you he can't talk!
He hasn't even said his first word yet.
Peppa, do you
remember what your first word was?
No.
It was "Mummy".
I thought Peppa's first word was "Daddy".
No, "Mummy".
What was George's first word?
Dino-saur.
George's first word was "dinosaur".
Somebody looks
like that he had a good lunch.
Yes, bath time I think.
Baby Alexander is having a bath.
This is Mr. Dinosaur.
Can you say "dinosaur"?
Go-go!
He can't talk, Peppa.
But he will talk one day.
Then you'll know what he wants.
What do you want to do now Alexander?
Go-go.
I think he wants to go for a walk.
He can't walk yet
but he can go out in his buggy.
That's a clever little buggy.
Yes, Five gears,
mud guards, at ADS standard.
Blah, blah, blah. That's how Daddies talk.
Alexander likes it when you talk, Peppa.
That's because I am very interesting.
This is the sky. Can you say "sky"?

Go-go.
The sky is where rain
comes from. Can you say "rain"?
Rain is good for ducks
and plants and making muddy puddles!
Peppa has found a big muddy puddle.
Look Alexander!
I'm jumping up and down in a puddle.
I love jumping up and down in puddles.
Puddles.
Woo!
Alexander has said his first word! Puddles!
Hurray! Puddles!
And I taught him to say it!
Puddles.

Round, and round, and round!
It's called a lighthouse,
because it has this big light at the top.

39 Grampy Rabbits Boatyard

Peppa, George and Granny Pig are
going out for a day on Grandpa Pig's boat.
Ahoy there! Peppa and George!
We are ready to go sailing.
I'll move the boat to a bit nearer.
Careful you
don't hit that big stick, grandpa!
That's a mooring post. I won't hit it.
Oh.
Grandpa, there's a big hole in your boat.
It's just a scratch.
Woo~ Grandpa's boat is sinking.
Quick, Grandpa Pig, jump off!
A captain never leaves his sinking ship.
Grandpa Pig's boat
has sunk to the bottom of the river.
It is Granddad Dog.
Woof! Ahoy there,
Grandpa Pig! Lovely day for a sail.

I'm...Yes, ahoy there!
I'm taking my boat to the boatyard today,
Going to get a few repairs done.
Would you mind taking
my boat to the boatyard, too? Please...
Of course.
Where is your boat?
Um...I'm standing on it.
Oho. Has it sunk?
Well, a little bit.
I'm surprised your
boat didn't sink a long time ago.
What?! It's a better
boat than that rust bucket of yours.
Woof! Woof! Woof!
Oink! Oink! Oink!
Grandpa Pig and
Granddad Dog are very best friends.
Catch this, captain!
Aye, aye! Skip up!
Granddad's truck has
lifted Grandpa Pig's boat out of the water.
Wow.
Next stop, the boatyard.
What's the boatyard?
A boatyard, Peppa,
is where broken boats get mended.
This is Grampy Rabbit's boatyard.
Ahoy there. Me hearties!
Ahoy there, Grampy Rabbit!
Woo, who did
that to your boat, Grandpa Pig?
Um...Someone
drove it into a mooring post.
It went rush and made a big hole there.
You should never let
other people steer your boat, Grandpa Pig.
Um... Yes, can you mend it?
Of course,
I just need to size up the damage.
Grampy Rabbit is
measuring the hole in Grandpa Pig's boat.
Now, I need to find
something to patch it up.
It must be good
to know how to mend a boat.
Oh, it takes years
to learn how to mend a boat.

How long have you been mending boats?

Years.

Grampy Rabbit has collected

lots of scrap metal to mend boats bit.

Now this is a gold mine.

It's a pile of rubbish!

But you can make

things from piles of rubbish.

Like what?

Like submarine!

Wow!

Grampy Rabbit has

made a submarine out of rubbish.

Does it actually work?

Watch this! It fills up

with water so it's very good at going down.

But not so good at coming back up.

Now this is what I've been looking for.

It's a washing machine.

It's the fix for

Grandpa Pig's boat is what it is.

You are going to mend my

boat with a bit of washing machine?

Yes!

That's as good as new!

Hooray!

Now we test it.

Prepare for launch! Aye, aye!

Amazing! It floats!

You sound surprised.

Yes, usually they sink on the first go.

Now we can go for our day on the river.

What a splendid idea.

This is the life out on a

boat with just the sea and the sky!

I know a song about the sea and the sky.

Do you want to hear it?

No, thank you.

Yes, please.

I got up this morning.

The sea was still there, so was the sky.

Hahahahaha.

I got up this morning.

The sea was still there,

So was the sky. The sea, the sky....

40 Shake, Rattle and Bang

Peppa and her friends are at playgroup.

Today children,

we are going to learn about instruments

that you shake, rattle and bang.

Hooray!

First, choose an

instrument each from the music room.

I've got drums!

They are called bongo drums, Danny.

You bang them with your hands like this.

I've got a flat bongo drum.

That is a bodhran.

It is Irish.

You beat it with a little stick like this.

I've got a tambourine!

Very good, Pedro!

You can also shake it like this.

Woo!

I've got a big drum.

Ah! The bass drum.

I don't know

what this is called. But it's scrappy.

That, Candy, is called a guiro.

And it comes all

the way from the South America!

Wow!

How did it get here?

I brought it back from my holiday.

What are these?

They are maracas.

I brought them

back from my holiday in Spain!

This is a triangle.

My dad sells these in boxes of ten.

Thank you, Freddy. I will remember that.

You don't need

to go on holiday to get them.

Thank you!

What are these?

These are castanets.

My dad sells them in boxes of five.

Thank you, Freddy.

That is how you play the castanets.

Here you are, Emily.

Do I have to do the dance?

Ha-ha, no! Just
make the clickety-clack noise.
Ah! I see Rebecca has cymbals.
Yes!
Now you know
what your instruments sound like.
We can play them all together.
Ready Steady Go!
Stop! Stop! Stop!
That is not music.
That is just noise.
Anybody can bang, bang, bang.
But to make music,
you have to listen
to each other and keep in time.
Madame Gazelle,
I can't listen and do music.
Can you clap?
Yes.
If you can clap, you can make music.
All the girls, please copy me.
Now, boys.
Madame Gazelle has
made the clapping into music.
And, stop.
Now, we will learn how
to play our instruments together.
The parents have
come to pick up the children.
Ah! You are just in time!
May I present the Shake,
Rattle and Bang Orchestra. Hooray!
Children! Ready, steady, go!
Bravo!
Perhaps some of my
old pupils would like to join in too.
Find your instruments, children.
Yes, Madame Gazelle!
Madame Gazelle
used to teach all the mummies and daddies
when they were little.
It's quite hard, daddy.
But you do it like this.
Let me see if I've got that right.
Daddy, you can play the drum!
I'm a bit of an expert in drumming.
That's good shake,
rattle and banging. Now perform(?)!

My daddy can shake, rattle and bang!\\

41 Champion Daddy Pig

Peppa and her family
are watching sport on television.
It's a long jump.
It's a new world record!
Mummy, what's a world record?
It means you are
best in the world at something.
Then you are a champion,
and your name goes in a book.
There are champions
for running, jumping, swimming...
I wish you were in the book, daddy.
I am in the book.
No!
Yes, Daddy Pig is champion puddle jumper.
wow...
No one's beaten me yet.
I don't think they ever will.
The next event is the puddle jump.
That was a very big splash.
In fact, I think yes!
it's a new world record!
Oh...
Daddy, you
are not the champion any more.
Everyone will be sad.
HOHo, I'm sure
they've got more
important things to worry about, Peppa.
Daddy pig, you lost the world record
Everyone wants you to be champion again.
It's important.
Really?
Yes.
Ok. I'll do it tomorrow.
Hurray!
But I'll have to train myself to
jump in muddy puddles again.
Everyone knows how
to jump in muddy puddles, daddy.
Aha, but not
everyone is a champion, Peppa.
Daddy pig is the master.

Daddy, are you going to
practice jumping up and down?
No, Peppa.
I must be at one with the puddle.
What?
To jump in a puddle,
I must think like a puddle.
Do you need to do running?
No.
Do you need to do press-ups?
No. I need to sleep
and dream about puddles.
It is the day of the big puddle jump.
Daddy Pig is wearing
his puddle jumping costume.
I can't find my golden boots.
I gave those old boots
to grandpa for his gardening.
My lucky golden boots
to be used as gardening boots!
You've got other ones.
It's not the same.
Hello?
Grandpa,
remember those old boots I gave you?
Uh...yes?
Daddy needs them back urgently.
You have been looking after them?
Um...they have been watered.
Grandpa Pig is growing
tomatoes in daddy's lucky boots.
We need them for the puddle jump today.
Right, I'll meet you there.
Everyone has come to
watch daddy pig's puddle jump.
Please welcome
your friend and mine Mr. Potato.
Hurray!
Good luck, Daddy Pig. Oh,
but where are your lucky boots?
Uh, here they are.
Thank you, Grandpa Pig.
I can smell tomatoes.
And now for Daddy Pig's puddle jump.
Daddy pig is thinking.
Ready, steady, go!
I must become one with the puddle.
I must be the puddle. Wow...

The puddle has gone!
The puddle has gone over all of us.
Daddy pig has become one with the puddle.
Everyone has become one with the puddle.
It's a new world record!
Hurray~
Champion daddy pig!
And who is this?
I'm Peppa Pig. One day,
I will be the champion puddle jumper.
I've been training her.
Uh...to be trained by the master.
What have you learned?
Uh...if you jump in muddy puddles,
you must wear your boots.

Hello, everyone!
Hello, Pedro!
What's the matter with Peppa?
She is never going to talk ever again. Why?
Because she talks too much.
I do not talk too much, anyway,
you are always walking like this.

Oh daddy,
I think I might be a chatterbox.
That's not such a bad thing, Peppa.
It's good to talk. In fact,
I think you are an expert at talking.
That's right. I am an expert at talking.
I am an expert at talking, too.
No one not. I am a chatter box!
I am more of a chatter box than you.
Ho, ho, you two are just the same.
Yes, we are.

One grandfather?? clock!
It's a big big!
Good, isn't it?
It actually comes in a set of three.
Who's got the loudest bell?
I haven't got a bell.
Oh!
But my dad will

Three clocks are much better than one.

Dad, have you got a bicycle bell, please?
How many do you want, son?
I only want one.
I took them in boxes of two.
Freddy Fox now has two bicycle bells.
Brilliant! Thanks, dad!
Dad gave me two bells.

He's got everything!
What shall we play now?
Let's have a bicycle race!
With a big, shiny cup for the winner.
But where can we get a cup?
Yes, where can we get a cup?
I'll see what I can do.
The best thing about
having your own cement mixer is that...
Dad, have you
got a big shiny winner's cup

How important a race is it?
It's very important.
Will this do?
Well, thanks, dad. It's gold!

Chloe...Chloe...
Oh, Chloe.
Hi, there.
These are my friends,
Simon Squirrel and Belinda Bear.
You can call me Si. It's short for Simon.
And I'm Be. It's short for Belinda.
I'm Peppa.
We'll call you Pe.
Oh... And this is George.
We'll call you Ge.
Oh...
You didn't tell us
you have baby cousins, Chloe.
I'm not a baby.
But you are both little.

I am a big girl. George is little.
Eh...Why don't we all play a game?
Yes. Let's play "Hide and seek".
We don't play baby games any more.
We are almost grown-Up.
What's about the "Yes/No game"?
What's the "Yes/No game"?
I ask things and you answer.
What makes that a game?
You mustn't say yes or no.
Too easy.
Do you want to play then?
Yes.
A-Ha. You said yes.
That's not fair. I wasn't ready.
Be, are you ready?
Yes.
A-Ha. I win the game.
Peppa is very good at
playing the "Yes/No game".
Can I ask the questions?
Of course.
You don't mind
me asking you the questions?
I don't mind.
Am I ever going to
make you say yes or no?
I don't think so.
Oh... I give up. How do you always win?
Easy. I just don't say yes or no.
Ah, I win.
You said yes and no.
That was fun.
Let's play another game.
Have you ever played "Sardines"?
What's that?
Someone hides
and we all try to find them.
That sounds like "Hide and seek".
But when you find them,
You keep quiet and hide in the
same space until everyone is hiding there.
Like sardines in a tin.
All right. Let's try it.
George, you hide first.
One, two, three...
George is looking for somewhere to hide.
Nine, ten. Ready or not, here we come.

George, I can see your wiggly tail.
Peppa is hiding with George.
Move over, George.
Found you.
Now, Chloe must
squeeze in with Peppa and George.
Move up.
There you all are.
Now, Belinda Bear must squeeze in, too.
Good job.
We're like sardines in a tin.
Where's everyone gone?
Surprise.
Ah...Can we stop running around now?
Yeah. Let's just chew out.
Chew out? What's that?
We just sit around and talk about stuff.
I like talking. Blah...blah...blah...
Let's talk about music. I dig blue's music.
I like red's music.
I like green's music.
We don't like children's music.
No, no, no.
What music are you into?
I like this. It's very grown-Up.
Head, shoulders,
knees and toes,knees and toes
And eyes and ears and mouth and nose...
Head, shoulders,
knees and toes, knees and toes...
Peppa. George. It's time to go home now.
You will see Chloe again soon.
I'm coming
to your house next week, Peppa.
Can we come along, too?
You can come.
But we will be playing games.
We like playing
games with Peppa and George.
Hooray!
You can still have fun playing games
Even when you're almost grown up.

45 Gym Class

Peppa and her friends
are going to the gym today.

Let's check

you've all got your gym kits on.

Pedro is wearing a super hero costume.

Pedro, where is your gym kits?

It's at home.

I thought it was dressing-Up day!

Follow me, children.

This is the gym

where Mommies and daddies

Come to exercise and enjoy themselves.

Are you all having fun?

Yes, lots of fun.

Your gym teacher

for today is Grampy rabbit?

Where is he?

Hello, children.

Are you ready to exercise?

Yes, Grampy rabbit.

Do we have to do that?

No, that's surely for big athletes like me.

Not for little explorers like you.

We are not explorers.

I'll make explorers of you.

But you, you look like a super hero.

It's just pretend.

Pretending,

that's good. Right, let's warm up.

Everyone run

on the spot and flap your arms.

Now, stretch.

Stretch. Wobble like a jelly.

And, rest. Now we're all warmed up.

We can start.

Start what?

Your adventure.

I want you to

pretend that this room is a jungle.

It doesn't look like a jungle.

Where're the trees?

You have to imagine it.

The trees, the rain,

the fast clean river at your feet.

Your first adventure

is to walk on this beam across the river.

That's easy!

But it's night time and it's windy.

What's?

That's how it was for me.

It was a dark and stormy

night. I was on an adventure.

Ready?

But it's not windy or night time.

You have to pretend.

Everyone crosses the pretend river safely.

Hurray!

Well done! My little explorers.

What's next? Grampy Rabbit?

Your next adventure is to swim

across this swamp full of crocodiles.

I can't see any crocodiles.

You've got to pretend.

Let those crocodiles know who's boss.

Go away! You naughty crocodiles.

That's the spirit.

Did you ever

swim across a crocodile swamp?

Of course, I did.

Were you scared?

Not scared as they were of me.

Ready? Don't forget to do the call.

Everyone has crossed the

pretend crocodile swamp safely.

Well done!

What's our next adventure?

This is a fort, big

athlete jump over it, like this.

But you can pretend it's a dinosaur,

and crawl through its legs.

Have you crawled through

a dinosaur's legs Grampy Rabbit?

Oh, yes. Once I was walking in the jungle

When I stumbled

into a lost world of dinosaurs.

And that's it!

You've made it out of a jungle.

Hurray!

Did you have a good gym class, children?

Yes, Madame Gazelle.

They're real little explorers now.

We walked across a river.

And we swam over crocodiles.

And we crawled down to a dinosaur.

I love doing

Gym Class with Grampy Rabbit.

46 The Blackberry Bush

Peppa and her family are at
Granny and Grandpa Pig's house.
Today, I'm going to make
apple and blackberry crumbles.
Yummy!
I need you bravest
explorers to go and get the fruit.
Aye! Aye! Granny Pig!
We've got baskets for the apples.
And buckets for the blackberries.
First, the easy bit picking apples.
On the count of three, shake the tree.
One! Two! Three!
Now for the blackberries.
Why don't we just have apple crumble?
Because
blackberries are tasty too, Grandpa.
OK. Now the hard bit.
Now that's what I call a blackberry bush.
This bush has been
here since I was a little piggy.
It's an overgrown weed.
I should've cut it down years ago.
Grandpa, why don't you like it?
I don't like the way it looks at me.
Silly Grandpa. It's just a harmless bush.
And it's covered in lovely blackberries.
George has seen
some really big juicy blackberries.
Careful George, or you might get tangled.
I have a stick for
picking hard-To-Reach blackberries.
Clever Grandpa!
But the best
blackberries are right at the very top.
That's why I brought the ladder.
Um, don't
lean too far over, Mummy Pig.
Don't worry. I've been climbing this
Blackberry bush since I was a little girl.
Yes, but you are not a little girl now.
I know what I'm doing.
Oh, dear! Mummy Pig has
fallen into the blackberry bush.
Mummy! Can you get out?

No, I'm stuck.
You're stuck in the
thorny bush like Sleeping Beauty.
What?
Once upon a time,
There was a
princess called Sleeping Beauty.
One day she fell asleep in a thorny bush.
And she stayed there for a hundred years.
That's a nice story, Peppa.
It is Susie Sheep.
Hello, Peppa.
Hello, Susie.
My Mummy is in a blackberry bush.
And she'll be there for a hundred years.
Like Sleeping Beauty?
And she'll be rescued by a
handsome prince who will give her a kiss.
My Mummy is having an adventure.
I wish my mummy
would have adventures like that.
Um, can someone think
of a way to get me out of here?
Don't worry, Mummy.
In a hundred years
a handsome prince will rescue you.
I'll be that handsome prince. Grandpa Pig,
May I borrow your pruning shears please?
Of course you may, Brave Sir Daddy Pig.
Stand back everyone.
Take that you thorny bush you.
Hurray!
Oh, my prince.
My princess.
You were meant to stay
in there for a hundred years!
That was quite long enough. Thank you.
Mummy is a blackberry bush.
I thought this sort
of thing only happened to me!
Stand still while we pick you.
Let's take all this fruit back to Granny Pig.
Granny! Granny! Mummy had an adventure!
And then Mummy fell in a bush.
She looked quite silly and she was going
Ah----! Help me! Help me!
And then Daddy came and rescued her.
The end.

Thank you, Peppa.
I think we've all
heard that story enough times now.
But it's funny.
I never want to see
another blackberry in my life.
So you don't want to
any apple and blackberry crumble then.
Well. Mmmm. Delicious.
Mummy Pig loves
apple and blackberry crumble.
Everyone loves
apple and blackberry crumble.

47 Pottery

Peppa and George are
playing at Zoe Zebra's house.
Little Zuzu and Zaza are
making a jungle with play-clay.
George has made
a dinosaur out of play-clay.
Peppa and Zoe are having a dolls' picnic.
Hello, Mr. Monkey.
Would you like a cup of tea?
Monkey says yes.
What's the magic word, Mr. Monkey?
That means please.
Oh! We haven't got a tea-set.
We could make a tea-set out of play-clay.
Yes. George,
can we use your play-clay please?
No.
Zuzu, Zaza, we need to
make a tea-set for our tea party.
No.
You can help us make it.
I'll make the teapot.
And we'll make the cups.
There. Now monkey can have tea.
Oh! This teapot is too soft.
Real tea-sets aren't soft.
My mummy makes
real pots. She does pottery.
Mummy, can you help
us make a tea-set please?
Real teacups and a

teapot that we can put real water in.
Okay. Come with me.
This is where Ms. Zebra makes her pottery.
Let's make this tea-set.
What's that?
Clay. All pottery starts off like that.
That is soft, like play-clay.
We need it to be soft, so we can shape it.
But later it won't be soft.
Mummy Zebra is making
a little cup on the potter's wheel.
There, one cup.
Wow.
That looks easy.
Would you like to try?
Yes, please.
It's all slimy.
Ah, it's all gone wrong.
Making a cup
on a potter's wheel is not easy.
There is an easier way to make a cup.
First, roll the clay
into a long worm like this.
It's a wriggly worm!
I'm a wriggly worm.
I'm made of clay.
What shall I make today?
I'm a wriggly worm.
We wrap it round and round like this.
It's a bit bumpy.
No, I smooth the jolt with my hands
and I add a handle.
It's a cup.
Now we have two cups.
Yes, but a tea-set
needs more than two cups.
We'll all make cups.
Yes.
Dinosaur.
George has made a dinosaur.
George always makes dinosaurs.
What a scary dinosaur!
Now we need to bed the tea-set in a kiln.
A kiln is an oven,
cooks the clay and makes it hard.
The tea-set should be ready.
Hooray.
Now we paint them.

The children are painting
the tea-set lovely bright colors.
The tea-set is finished.
Now we can have our tea party.
There is a cup for everyone.
Oh, we forgot to make a teapot.
I know.
George's dinosaur can be the teapot.
Yes, let's fill it with water.
This is the best tea-set in the world!
Everybody knows that all the
finest tea-sets have a dinosaur in them.
Teapot.

48 Paper Aeroplanes

Daddy pig is getting ready to go to work.
Good, that's all the papers I need. Bye
Byebye Daddy!
Mummy, can we make something?
Yes ,what would you like to make ?
Dinosaur!
Oh, George !
You always say dinosaur for everything!
Let's make an aeroplane.
George likes aeroplanes.
Can we make an aeroplane that flies?
Yes, all we need is some paper!
We know where there is the paper.
There is lots of old paper in the workroom.
Here's some paper.
Perfect!
Mummy pig is
going to make a paper aeroplane.
Fold the paper down the middle.
Now fold the corners in at one end.
Fold both corners in again to make a point.
Then fold the sides back like this.
Paper aeroplanes.
Let's see if they can fly!
Ready, steady, go!
Woo~
Mummy Pig's
aeroplane has flown into a tree.
My turn~Wee~
Peppa's aeroplane
has landed in a flower pot.

Your turn, George.
Wee~
George's
aeroplane is doing a loop-The-Loop
And has landed in a duck pond.
Quack quack
Let's make a big aeroplane.
We will need a really big piece of paper.
Here is a big piece of blue paper.
Peppa and George
have made a big blue aeroplane.
Daddy pig!
Hello, everyone.
Shouldn't you be at work?
Yes, but I've
forgotten some important papers.
Daddy, we are making aeroplanes.
We made a really big one.
Wow, fantastic,
You need someone
big and strong to throw it.
Ready, steady, go!
The big blue aeroplane
is flying very high and very far.
It just keeps on going!
Bye-Bye, aeroplane.
Hoh~Hoh~Byebye!
Now I need to
find my important work papers.
Has anyone seen any pieces of paper?
Hmm
Uh, maybe you should follow me.
Is this one of your important papers?
Yes, that's one of them.
Is this one
of your important papers, Daddy?
Yes, thank you, Peppa.
Hm, why are we at the duck pond?
Oh, I see! Thank you, Mrs. Duck.
The only paper
I'm missing now is a big blue print.
Hm, is it big and blue?
Like the aeroplane you've
flown along away and away, Daddy?
Oh, hm.
The one that we said bye-Bye to?
Yes, maybe I should ring the office.
This is Daddy Pig's office.

Hello, Daddy pig, did you find the papers?
I found some of them.
The only one we need is the big blue print.
That might be a problem.
Daddy threw it away.
Threw it away?
And it flew and flew forever.
Wow, it's here. It just landed on my desk.
What a great idea to make it
Into a paper aeroplane and throw it to us!
Oh, yes. Well.
I am a bit of an expert in throwing things.
Thank you, Daddy Pig.
Now the blue print is delivered.
Daddy Pig can
take the rest of the day off work.
Ah, that's nice.
Daddy, we need your newspaper.
What for?
Making paper aeroplanes.
Hoh~Hoh~

How does father Christmas remember
what toys everybody wants?
He makes a list!
His sleigh must be very fast to go
around the whole world in one night!

He has only left crumbs.
Yes, Santa likes the good mince pie.
And there are big presents under the tree!
I asked Santa for a dog. Can we open them now?
We will open the big presents after Christmas lunch.
Oh, goody!
Peppa and her family are having Christmas lunch.
Let's pull the crackers!
There are paper hats inside.

Let's open the presents!

Let's race!
Ready! Steady! Go!
Daddy and grandpa are enjoying playing racing cars.
Isn't that George's present?

Socks!
So, the last present must be for...
Me!
I asked Santa for a doll that walks and talks
and closes its eyes when it goes to sleep.
Oh, bird's seed.
That present is for Poly Parrot.
But this was the last one.
Santa has forgotten me.
Hello?
Can I talk to Peppa please?
Peppa, it's Susie Sheep.
Hello, Susie.

Christmas day and you did.

Ho-ho-ho!

01 Potato City

Potato City

Peppa and her family are going to Potato City.

Peppa: What is Potato City, Mummy?

Mummy: It is a theme park, Peppa, where the magic of vegetables never ends.

Peppa: It sounds a bit boring.

Daddy: It will be fun. Potato City, here we come. Here we are.

The family have arrived at a field of potatoes.

Mummy: Is this Potato City?

Daddy: It must be. And it looks like we pick the right day to visit. There are no crowds.

Mummy: Are you sure this is the right place, Daddy Pig? It just looks like a farmer's field to me.

Daddy: Excuse me, is this Potato City?

Farmer: No, that's Potato City.

Daddy: It isn't quite what I was expecting.

Peppa: It is fantastic!

Miss Rabbit: How many tickets?

Mummy: Two adults and two children please, Miss Rabbit.

Rhino: Busy, isn't it?

Miss Rabbit: Busy? No. This is quiet for Potato City. Have a lovely day!

Peppa's friends have come to Potato City, too.

Peppa: Hello everyone.

Everyone: Hello Peppa.

And this is Mr. Potato himself.

Mr. Potato: Welcome to Potato City, where the magic of vegetables never ends!

Everyone: Woo!

Mr. Potato: See how vegetables grow! Learn how they keep us fit and healthy and get shot into space by the potato rocket!

Children: Wee!

Peppa and her friends are going to ride on the potato rocket. George wants to ride on the potato rocket too.

Daddy: Are you sure George? It looks a bit high.

Daddy Pig doesn't like heights.

Mr. Bull: Moo, hurry up Daddy Pig!

Daddy: Oh! I'm not getting on.

Mr. Bull: George is too small to go on his own.

Daddy: Oh, okay. Make it quick.

Mr. Bull: Oh, it's very quick.

(George suddenly begins to cry.)

George has changed his mind.

Mummy: Oh dear George, come to Mummy.

Daddy: Maybe I'll just get off too.

Mr. Bull: Chocks away.

Mummy: Have fun Daddy Pig!

Daddy: Aaaaaaaah! Oh, it's stopped. Well, I'm glad that's all over.

Children: Wee!

Daddy: Aaaaaaaah!

Peppa: This is brilliant!

Children: Wee!

Mr. Bull: Everybody off!

Peppa: That was fun, wasn't it, Daddy?

Daddy: Oh—yes! Lots of fun.

Susie: Mummy, what's that?

Mummy Sheep: Go round and put your head through that hole.

Susie: Now what happens?

(Children are laughing.)

Peppa: Susie, you are a tomato!

Rebecca: Look! I'm a carrot!

Susie: Oh yes!

Danny: And I'm a pumpkin!

(Everyone laughs.)

Mr. Potato: Welcome to the Dinosaur Garden!

Children: Woo!

Mr. Potato: Say hello to my dinosaur friends! And don't be frightened. They are not real, but this is exactly how they would have looked walking the earth together.

Emily: No, it's not.

Mr. Potato: What?

Emily: Triceratops lived in the Cretaceous period.

Stegosaurus was Jurassic. They would not have walked together.

Mr. Potato: How do you know that?

Emily: I'm a clever-clogs.

Mr. Potato: Anyway, who wants to ride one?

Rebecca: Me!

Peppa: Me!

Susie: Why have you got dinosaurs in Potato City?

Mr. Potato: Eh, because dinosaurs ate potatoes?

Emily: No.

Mr. Potato: Anyway, children like dinosaurs.

Rebecca: Dinosaur!

Peppa: Dinosaur!

Mr. Potato: Roll up, roll up! For the vegetable roundabout swing thing.

Peppa: A vegetable roundabout swing thing! I like Potato City because it teaches you about vegetables and swings you round and round.

Potato City, where the magic of vegetables never ends!

“Up down up down, altogether now. Mr. Potato was rolling around. Your friends are mine, he’s happy all the time. Mr. Potato is coming to town.”

02 The New House

The New House

Daddy Pig is working hard in his work room.

What are you doing, Daddy?

I’ m building a new house.

It’s very small. Is it a house for elves and fairies?

Oh, no. This is a model. The real house will be much bigger.

Ah?

And this is a drawing of what needs to be built.

I think something is missing, Daddy.

There!

Peppa has drawn a swing to go outside the house.

Perfect. Would you like to visit the new house?

Yes, please!

Daddy Pig is taking Peppa and George to see the house he’s building.

Here we are!

But Daddy, there’s nothing here.

That’s because the building work hasn’t started yet.

Digger! Digger!

Here are Mr. Bull and his friends.

Mr. Bull has come to build the new house.

Aren’t you building it, Daddy?

I’ve done the hard bit. Mr. Bull just has to follow my instructions.

Hello, Mr. Pig! What is it to be? Car park? Swimming pool? Rocket station ?

A house! Can you build it exactly like this please?

But bigger.

Mr. Pig wants a house.

Is it going to be built of straw?

Or sticks?

Or bricks, Mr. Pig?

Bricks, please!

Good choice.

Don’t forget the swing!

Don’t worry, Peppa. We won’t.

Can I help?

George wants to help too.

OK, George!

Could you put a blob of mortar here?

It looks like a square of tin mud.

Mortar is a very special kind of mud that sticks bricks together.

Peppa, would you like to lie the first brick?

Yes, please!

Well done! I’ll do the rest.

Bricks must be laid straight on level, see? Line after line.

That will take ages!

Yes.

Will you finish it today?

Oh, no. You can’t build a house in a day. It’ll be finished tomorrow.

Good! See you tomorrow, Mr. Bull!

Bye-bye.

Bye.

George put the sticky mud down, and I put the brick on top.

That all sounds very exciting. Now, close your eyes and go to sleep.

It is morning. Peppa and George cannot wait to see the new house.

It’s finished.

Almost finished. It just needs to be inspected.

Mr. Rabbit is the building inspector.

Very good. But wait! It’s not finished.

What?

You forgot the swing.

Moo!

Oh, no. We didn’t.

Thank you, Mr. Bull.

Now it’s all ready for our new neighbours to move in. Neighbours?

Yes, Peppa. We’ve got new neighbours.

Mr. Wolf and his family are moving into their new home.

Oh, look, little piggies.

Hello, I’m Wendy wolf.

I’m Peppa pig.

Thank you for building our house, Mr. Pig. What’s it made of, straw, sticks?

It’s made of bricks.

Let’ s see how strong it is. I’ ll huff and I’ ll puff, and I’

Il... (blow 的声音)

Mmm, that is strong. What's your own house made of, Mr. Pig?

Bricks. So don't even think about it!

Oh, a swing.

That was my idea.

It's very good. You have a go.

Can you push me?

No, I'll huff and puff instead.

03 Basketball

Basketball

It is a lovely sunny day. Peppa and her friends are in the school playground.

Children, today we have a special person coming to teach you basketball.

Woo!

Hello!

Daddy, it isn't home time yet!

We've got a special teacher coming today.

That's me. I'm the coach.

A basketball teacher is called a coach.

Woo!

That's clever, Daddy.

Peppa, call me Coach!

OK, Daddy Coach.

Does anyone know how to play basketball?

No!

It's fun. You have to run, bounce the ball, and throw it through the hoop.

Wow!

Easy peasy!

Oh!

It is not as easy as it looks.

To play basketball, you need to train hard and keep fit.

Are you fit, Daddy Coach?

Yes, I'm super fit.

But Daddy Coach, you've got a big tummy.

This tummy is pure muscle.

First, I'll teach you how to get the ball from here...to here.

I can do that.

No, Danny, you can't use your feet. That's football.

Danny dog likes football.

In basketball, you bounce the ball with your hands, like this.

Who wants a go?

Me, me, me!

Susie Sheep is bouncing the basketball very carefully.

Well done, Susie.

Now, everyone try.

Everyone is learning how to bounce the ball.

Now, I'll teach you tackling.

What's tackling?

Tackling is try to get the ball from another player, like this.

Try get the ball from me, George.

George is very good at tackling.

Now, throw the ball through the hoop.

You need just a bit more training there, George.

Let's have a little practice game.

Split into two teams.

Boys against girls.

The girls are in one team. The boys are in the other.

That's not fair! We've got little ones in our team.

Don't worry, the boys' team will still win.

Yeah, we're a super team!

Emily elephant is very good at reaching high with her trunk.

Emily is using her trunk. It's not fair.

Shh, Peppa. She's on our side.

Oh yes, that is fair.

It's not fair.

We want Emily on our team.

No, she's on our team.

Stop arguing! You can all then in the same team.

OK.

The children are all in one big team.

Oh, but who will we play?

Erm? Well...

Hello!

The parents have come to take the children home.

I know! You can play the grown-ups.

But they are bigger than us.

Ahhh! But you've been taught basketball by Daddy Coach.

Yes, let's play them.

We're the children's team.

Yeah!

We're the grown-ups' team.

All right!

I'm quite good at kicking it.

Yes, well, this is basketball.

You throw the ball through the hoop.

But you can only use your hands.

Or your trunk.

But not your feet.

Ready? Steady? Go!
Mr. Elephant has the ball. Tackled by George. Passed to
Zoe Zebra. To Richard Rabbit.
And Peppa...throws it through the hoop.
Yippee!
The children have won!
Hooray!
All thanks to Daddy Coach.

04 Horsey Twinkle Toes

Horsey Twinkle Toes
Peppa and George are playing in their bedroom.
Dinosaur! Grrr....
George, you must stay on your side of the bedroom.
That's your side and this is my side. Do not cross the
invisible line.
Post!
Hello, Mr. Zebra!
Hello, Daddy Pig! I've got some letters for you.
Is there anything for me and George?
Mmm...I'm afraid not. They are all for Mummy and me.
Oh~~~
There's a parcel as well.
Probably that box of reinforced concrete I ordered.
Look at all the stamps on it.
That's because it's from a long way away.
Bye now.
Bye-bye.
Oh, the label says it is for Peppa and George.
Yippee!
Look, Mummy. A parcel for George and me.
Oh~~~
There's a letter too.
Dear Peppa and George,
Here's a present for you to share.
Love from your Auntie Dottie!
Auntie Dottie lives far away, in another country.
Woo! What is the present?
It's got wheels.
Car.
It's not a car, George. It's got legs. It's a table.
It's got a tail.
Oh, tables don't have tails.
There's a handle as well.
What can it be?
There's something else in the box.

It's a toy horse. I shall call it "Twinkle Toes".
"Horsey!"
"Twinkle Toes!"
"Horsey!"
"Twinkle Toes!"
"Horsey..."
Remember children, Aunt Dottie sent the present for both
of you.
You have to share. Sharing can be fun.
Can I play with Twinkle Toes first?
Let George have the first turn. He's the youngest.
Horsey! Horsey!
George likes playing with Horsey!
George, it is called Twinkle Toes, not Horsey.
Now, it's Peppa's turn.
I'm Princess Peppa, with my magic horse Twinkle Toes.
Peppa likes playing with Twinkle Toes!
Oops!
Perhaps you should play with the toy horse outside.
Yes, Mummy.
Mmm, it's a bit steep here. Maybe you should play at the
bottom of the hill. And the quickest way down the hill is to
ride down.
Are you sure, Daddy? Don't crash like you always do.
Oh-uh, I know what I'm doing, Peppa. I'm a grown-up.
How are you going to stop, Daddy?
I don't know. Where are the brakes?
Clever, Daddy. You used the duck pond to stop.
What was that big splash?
What big splash?
Daddy Pig, did you know you've got a duck on your head?
Oh, err...yes, well, I did fall into the pond.
Horsey! Horsey!
George wants to ride on the toy horse.
Go! Go!
Oh!
George cannot make the horse go.
If only there was some one big and strong to push George
along.
I'm big and strong. I can push George.
What a good idea, Peppa!
Horsey! Horsey!
George, she's called Twinkle Toe.
Horsey!
Twinkle Toe!
Horsey!
I know. Because the present is for both of us. We'll call her
Horsey Twinkle Toes!

Peppa and George love playing together, with Horsey
Twinkle Toes.

05 Naughty Tortoise

It is a lovely autumn day. Peppa and her friends are playing
in the leaves.

Look, it's Tiddles the Tortoise.

Hello, Tiddles, what are you doing here?

Tiddles! Tiddles!

It is Doctor Hamster, the vet.

Here is Tiddles.

Thank goodness, you've found him. Oh, naughty tortoise,
back in your box. It's your bed time.

It's not bed time yet.

It's bed time for Tiddles. He sleeps all through the winter
and wakes up in spring.

That sounds nice.

You like sleeping, don't you, Petrol?

Yes.

Oh dear, Tiddles?

Tiddles has run away.

Oh!!!

Look, he's on that tree.

Oh, Tiddles, I don't know why you like climbing trees.

How are we going to rescue Tiddles?

Chop the tree down.

No. I'll ring the fire, Bricket (听不明白, 呵呵。).

Fire service! What's that? Tortoise up a tree? Again? We're
on our way.

Stand clear!

Fire engines use ladders to rescue pets from trees.

Come on, Tiddles.

Tiddles is climbing higher in the tree.

Come here, you little pickle.

Mummy Cow is climbing into the tree.

Be careful, Mommy Cow.

Oh dear, I'm stuck.

Cows are not very good at climbing trees.

Hang on, I'm coming up.

Here, Tiddles.

Oh, I'm stuck too.

Elephants are not very good at climbing trees.

Well, that didn't work, did it?

What are we going to do now?

Chop the tree down!

No!!!

I'll call the next rescue service.

Hello, Granddad Dog's breakdown service.

Hello, Tiddles the Tortoise is up a tree.

Tortoise up a tree? Again? Yeah, I'll be right there.

Mmm, how do you get Tortoises out of trees?

Chop the tree down!

Yes, let's chop the tree down!

NO!

OK. I'll climb up instead.

Hooray!

Oh, I seem to be stuck.

Dogs are not very good at climbing trees.

Now, can we chop the tree down?

No! We'll have to call the highest rescue service in the
land.

OK, I'm on my way.

It is Miss Rabbit in her rescue helicopter.

Hello, everyone! Let's rescue this tortoise!

Err, who's flying your helicopter?

Oops! Silly me! I just put the autopilots on.

Autopilot on. Have a nice day.

Autopilots fly helicopters on their own.

Got you, you little rascal.

Miss Rabbit has rescued Tiddles.

Hooray!

Thank you, Miss Rabbit, for saving my Tiddles.

No problem.

Thank you for saving us too.

Just in my job. Goodbye.

Err..haven't you forgotten something?

What? Oh, yes. My helicopter!

Goodbye everyone.

Goodbye!

What a naughty tortoise you are!

Uh-oh.

Oh, good. You're sleeping now. Back in your box.

Sleep well, Tiddles.

Tiddles has gone to sleep for the winter. He'll wake again
in the spring time.

Shhhhhh!

06 Mr Fox's Shop

Mr. Fox's shop

Mummy and Daddy Pig are wrapping up a present.

Woo! A present! Is it for me, or George?

No, Peppa. It's not for you or George.

Oh, is it a toy?
No, it's a glass vase.
That's a bit of a boring present.
Oh-uh, it's a present for grown-ups.
We've bought this for Granny and Grandpa Pig. It's their wedding anniversary.
Can me and George buy them a present, too?
That's very sweet of you Peppa, but presents can cost a lot of money.
We've got money in our piggy bank.
Peppa and George have one penny and two buttons (这里听起来和看起来都是 button, 但是应该的钱里面没有 button 啊, 搞不明白, 呵呵) to spend.
OK, let's go shopping.
This is Mr. Fox's shop.
Hello, there! Can I help you?
It's Granny and Grandpa Pig's wedding anniversary.
There're both very old. I need a present.
My shop has everything. I'm sure you'll find something you like.
A big teddy! I love it. This can be the present.
Peppa, the present is not for you. It's for Granny and Grandpa.
Oh, yes.
Oh, look. Funny teeth.
They are wind-up joke teeth, very popular.
Can they be the present for Granny and Grandpa?
I think Granny and Grandpa have all the teeth they need, Peppa.
Do your Granny and Grandpa like gardening and digging?
Yes.
Then why not get them a bucket and spade each. Buy one, get one free.
They've already got spades and buckets and hoes and everything.
Oh dear.
I know. Grandpa likes sailing his boat.
Sailor oar (这里不知道, 呵呵).
I have everything a sailor could ever wish for.
Do you have pirates' treasure?
Err...everything except pirates' treasure.
Oh.
Do Granny and Grandpa like antics?
What does antic mean?
Antic means old and rare.
Usually yes. But my antics are grand new. That chair comes in a save (这里听不明白) 12. Nice, isn't it?
Is it made of oak?

Yes, it's made of plastic oak.
Is it comfortable?
You mustn't sit on it.
Antic chairs are not for sitting on.
So, what do you do with them?
You look at them.
That's not much fun, even for a grown-up.
Buying a present for Granny and Grandpa is hard work.
I don't understand. My shop sells everything. There must be something you like.
There is. I like this teddy. And I think Granny and Grandpa would like it, too.
Oh-uh! Let's buy the teddy then.
A very good choice. Who's going to pay?
One penny and two buttons. Here's your change. One button.
Thank you, Mr. Fox.
Peppa and her family have come to give Granny and Grandpa Pig their presents.
Granny Pig. Grandpa Pig.
Hello, my little ones.
Happy anniversary!
Oh, another glass vase.
It's a grown-up present. That's why it's a bit boring.
It's lovely. We'll put it with our other glass vases.
George and me bought you a present, too. I hope you like it.
A teddy bear! For Grandpa and me?
Thank you, Peppa and George.
He's very good at curdling.
Does he have a name?
Erm, he's called Eddy the Teddy.
And what does Eddy like to eat?
Chocolate and broccoli.
That's the best present we've ever had.
Oh, but if Eddy's going to live here, he'll need children to play with.
We can play with him, Granny.
And every time you visit us, he'll be here for you to play with.
Oh, goody!

07 Shadows

Shadows

It is a lovely sunny day. Peppa, George and Rebecca Rabbit are playing piggy in the meadow.

Catch Peppa.
Catch Rebecca.
George is the piggy in the middle.
Oh, George is trying to catch the ball shadow.
Silly George. That's not the ball; that's just its shadow.
Look!
When the ball moves, its shadow moves as well.
You've got a shadow too, George.
George is trying to walk away from his shadow.
You can't walk away from your shadow.
You need to run away from it.
Peppa is trying to run away from her shadow.
Oh, it's still there.
Hello, everyone!
Hello, Susie, we're trying to run away from our shadows.
No one can run away from their shadows.
Oh!
You need to use a scooter. Weeeee!
Susie is trying to ride away from her shadow.
See!
But your shadow is still there.
Oh!
Hello, everyone!
Here is Mr. Elephant, with Emily and Edmond.
Hello.
We're trying to run away from our shadows.
You can never run away from your shadow.
I know. We can't go fast enough.
No, Susie. It's nothing to do with how fast you run.
You see? My shadow is still underneath me.
Run faster!
Even if I run faster, my shadow keeps up with me.
Daddy, your shadow is too big. It's slowing you down.
It's not that, Emily. Your shadow always stays with you.
Why?
When something gets in the way of the sun, it makes a shadow, like this.
Oh~~~
I have the biggest shadow, because I'm the biggest.
And George and I have the smallest shadows, because we are the smallest.
Very clever, Edmond.
I'm a clever-clogs.
Oh, whose shadow is that?
That's the biggest shadow ever.
It must be a giant.
He, he, he. It's not a giant. The shadow is being made by a cloud.

Wow!
What sort of cloud is it?
Erm...it's a big cloud.
It's called a stratocumulus.
Yes.
Edmond Elephant is a clever-clogs.
Look! Our shadows are getting longer.
Woo!
That's because the sun is getting lower in the sky. It's nearly night time.
My shadow has gone.
Yes, Emily. When the sun sets, the shadows go away.
Peppa, George, bed time.
OK, Daddy. Bye, everyone.
Bye-bye.
It is bed time.
I'm a bit sad that my shadow's gone away.
Don't be sad, Peppa. Electric light can make shadows, and we can make shadow puppets.
Mummy Pig is using her hands to make a shadow puppet.
It's a birdy.
Listen to it sing.
Tweet, tweet, I'm a little birdy.
My turn.
Peppa has made a spider.
My name is Mr. Skinny Legs.
Oops, scary!
George is making a shadow puppet.
What's that, George?
Dinosaur!
Grrr...
George has made a dinosaur.
That's really scary.
Very good, George.
Time to switch the lights out. Good night, Peppa. Good night, George. Good night, shadows!
Good night, shadows!

08 International Day

International Day
Peppa and her friends are a play group. They are dressed up in customs from different countries.
Today is International day, when we celebrate all the countries in the world.
Hooray!
Peppa is dressed as France.

I'm France.
 George is Russia.
 Pedro is America. Ye-ha!
 Zoe is Japan. koni qi wa.
 Susie is Holland. Hallo, that's Dutch for hello.
 Mademoiselle, what do all the countries of the world do?
 They sing the song of harmony together.
 Hooray!
 I like singing.
 So do I.
 Does anyone remember the words?
 Yes, mademoiselle.
 Peace and harmony in all the world,
 Peace and harmony in all the world,
 Peace and harmony in all the world,
 Peace and harmony.
 Lovely, and later we will sing that for your mummies and daddies.
 It is the playtime. Enjoy yourselves.
 Play nicely together.
 All the countries are playing in the playground.
 The United Kingdom is on the slide.
 France and Switzerland are on the swings.
 Germany is playing hopscotch, one-two-three.
 America, Russia, Spain and Greece are in the sand pit.
 I will build a big sand castle. Ye-ha!
 Here are Holland and Japan.
 Now it's our turn in the sand pit.
 Why?
 Because you've had your turn.
 You can play on the slide now.
 But we want to play here.
 Oh, dear. There's not enough room in the sand pit for more than four countries.
 What's going on?
 It's our turn in the sand pit.
 But we are here first.
 Is Susie being the big bossy?
 George started it.
 Leave George alone, he's only little.
 What's so on this noise about, then? (这句听得不是很明白)
 They're trying to push us out of the sand pit.
 No, we're not.
 Yes, you are.
 Oh, dear, the countries of the world are not playing nicely together.
 Peace and harmony in all the w---what's that noise?

Oh, no! The countries are fighting.
 You can't play in the sand pit.
 Yes, we can.
 That's not fair.
 Stop arguing.
 Susie, you're always telling people what to do!
 No, I am not.
 Children, children, what is happening?
 America, Russia, Spain and Greece won't share the sand pit.
 Holland is being bossy.
 You are the bossy one.
 That is enough.
 Is this how you think the countries of the world behave?
 Don't they?
 Of course not.
 Sorry, mademoiselle.
 Hello.
 All the parents have arrived.
 How's international day going?
 Not too bad.
 Excellent.
 Lovely.
 We will all sing for you the song peace and harmony.
 Peace and harmony in all the world,
 Peace and harmony in all the world,
 Peace and harmony in all the world,
 Peace and harmony.
 Great.
 What a wonderful display of togetherness.
 Peppa and her friends love singing together in harmony.
 All the countries of the world love singing together in harmony.
 Peppa pig.

09 The Rainy Day Game

The Rainy Day Game

It is raining. Peppa and George have to stay inside.
 I don't like rainy days.
 I like rainy days because they make muddy puddles to jump in.
 Can we jump in muddy puddles now?
 Peppa, we need to wait until it stops raining.
 When will it stop?
 Let's listen to the weather forecast.
 This is the weather forecast. It will rain all day.

Oh~~~~

I know. We can play the rainy day game.

What's the rainy day game?

I'll show you.

If I take this rubber duck, and hide it where you can see it.

Do you think you could find it?

Daddy, if we can see it, you haven't hidden it.

Watch this. I will put the duck here. Now, you tell me where it is.

There.

Exactly.

It's too easy, Daddy.

It won't always be so easy, Peppa.

Who wants to go first?

Because it's an easy game, George can go first.

OK, you all wait here.

Daddy Pig is putting the rubber duck somewhere for George to find.

The duck is somewhere in your bedroom.

George is looking for the rubber duck. But it is quite difficult to find.

George, you can see it. Just look with your eyes.

George is using his eyes to look for the rubber duck.

You're getting warmer, colder. Warmer again.

George has found the rubber duck.

Hooray!

I saw it straight away. This game is too easy.

OK, Peppa's turn. I will do the hiding this time.

Mummy Pig is going to put the rubber duck somewhere for Peppa to find.

I will see it straight away.

Ready! The rubber duck is somewhere in the kitchen.

I've come to find you, rubber ducky.

I know where you are, you're in the sink. Oh.

The rubber duck is not in the sink. I know, you are hiding under the table.

The rubber duck is not under the table.

Give me a clue, please.

It's sitting with something else that's yellow.

Something yellow that lives in the kitchen.

Bananas. There you are.

Peppa has found the rubber duck. It was in the fruit bowl.

Hooray! Well-done.

I want to play the rainy day game again.

OK, this time you can both look for the duck.

Daddy Pig is putting the rubber duck somewhere for Peppa and George to find.

Ready, I'm in the sitting room.

Is it on the sofa?

No.

Is it on the television?

No.

It's not anywhere.

Would you like a clue? It's sitting on something very big, and very wise.

And very handsome.

Daddy, it's on your head. That's the best hiding place ever.

Oh, the rain has stopped.

Why don't we play outside?

But I want to play the rainy day game again.

I think you might like this outside rainy day game even better.

What is this game? Give me a clue.

We need to find a muddy puddle.

I found it. Is that the game?

This game is not just about the finding, Peppa. What do you do with a muddy puddle?

Hmm, jump up and down. Jumping up and down in muddy puddles!

I like rainy day games, especially the one when you jump up and down in muddy puddles.

10 Mummy Rabbit's Bump

Mummy Rabbit's Bump

Peppa and George are playing with Susie Sheep and Pedro Pony. Here are Rebecca and Richard Rabbit.

Hello, Rebecca.

Gree, I've got a secret.

What is it?

My Mummy's got a bump in her tummy.

Woo!

Has she eaten too much?

No, there's a baby rabbit inside.

Mummy Rabbit, is there really a baby rabbit in your tummy?

Yes. Would you like to listen to it?

Yes, please.

Can you hear a little heart beat?

Yes, I can. It's going "Boom! Boom! Boom!".

Oh, it just moved.

Yes, sometimes babies give a little kick.

What will you call it?

I don't know. Would you children like to think of the name?

Yes, please!

Hello, Mummy Rabbit. Would you like a cup of coffee?

I can't have coffee, but I am quite hungry.

Would you like carrots?

I'm a bit off carrots. Have you got any potatoes?

Yes, we do.

Maybe a potato with jelly, and cheese, and strawberry jam, please.

Errrr....

A potato with jelly, cheese, and strawberry jam? What a funny mixture of food!

We need to think of a name for the baby.

Yes. If the baby is a girl, she'll be called Rachel Rabbit.

Or how about Rust Rabbit?

Wroxham Rabbit.

Shawn Rabbit.

I don't think so, Pedro.

Shawn Rabbit sounds wrong.

I like Rosie.

Rosie Rabbit? It's perfect. But what if the baby is a boy?

Oh?

How about Roofers Rabbit?

Raymond Rabbit.

Michael Rabbit.

Michael Rabbit? No!

Robbie Rabbit!

Yes, Robbie Rabbit.

Thank you for the potatoes with jelly, cheese, and strawberry jam, Mummy Pig.

My pleasure.

We thought of a name for the baby.

Rosie if it's a girl and Robbie if it's a boy.

They're lovely names.

It's sad that the baby can't have both names.

Oh, my tummy!

It's all that funny food you've been eaten.

I don't think so, Daddy Rabbit. The baby is coming.

Right! To the hospital! Quickly, now! Ward pharomic!

Bye!

Bye! Good luck.

Did you pack everything on the list?

I've got it all. Pillows, 不知道是什么 candles, yoga music, and enough food for three days.

Ward pharomic! Ward pharomic! Anyone in? We are having a rabbit!

Hello, sister. What are you doing here?

I'm having a baby, remember?

Oh, yes! You'd better come inside then.

Can I come too?

Moo! You'll have to park the car first. But don't worry.

Having a baby always takes a long time.

Out of the way, everyone. My sister's having a baby.

这里有一句话都听不清 This lot should last us a good few days.

Oh, where should I put all this stuff?

Back in the car! We don't need it now.

What?

Gree! Daddy, you missed all the excitement.

Have I? Is it a boy or a girl?

Both! We've got baby twins.

Wow!

It is the next day. And Mummy Rabbit is home from hospital.

Hello, can we see the twins, please?

Of course, Peppa.

Are they boys or girls?

They are both. A boy and a girl.

They are called Rosie and Robbie.

So you did use both names.

Yes!

Rosie Rabbit, and Robbie Rabbit.

They are the best names in the world. And we thought of them.

11 Pedro the Cowboy

Pedro the Cowboy

It is a lovely sunny day. Pedro has a new play tent. Here are Peppa, George, Danny Dog, Susie Sheep and Wendy Wolf.

Hello, Pedro.

Howdy, everyone. Welcome to my cowboy camp! Ye-ha!

It's a tent.

It's a cowboy camp where cowboys sleep at night time.

Are you going to sleep in the night?

Erm, no! That might be a bit scary. But we can pretend it's night time.

But it's not night time.

Just pretend the sun is the moon.

OK!

Petro, can we be cowboys too?

Yes, you could be my partners.

Is my little cowboy hungry?

I sure am, Ma. That's how cowboys speak.

Would you cowboys and cowgirls like something to eat, too?

Yes, please, Ma.
Did a cowboy always camp next to their mummies' kitchen?
No. You have to pretend the house is not here. This is the Wild West.
What's that?
The Wild West is the land where cowboys live.
What do cowboys do?
They tell stories, sing songs, and eat beans.
Beans on toast for everyone!
Hooray!
Cowboys love beans on toast. Everybody loves beans on toast.
Who wants a cowboy song?
Do you know a real cowboy song?
Yes, I made it up. And it goes like this:
I'm with cowboys and eat my beans, with a bang and boo.
Baked beans bang! Baked beans boo! Baked beans bingerly bongerly bang!
Baked beans bang! Baked beans boo! Baked beans bingerly bongerly bang!
Let's have a story in the tent.
I can tell a story.
Make it scary.
It was a wet and windy night in the Wild West.
Woo!
And wild animals were out looking for food.
Looking for food, at night?
Some animals eat at night, Susie.
Wild animals.
Grrr....
And the brave cowboy Pedro was alone in his tent.
But he couldn't sleep, because something was outside the tent.
Was it a wild animal?
What's that?
It is a wild animal!
Ahh~~~
Oh!
It is a tiny little bird. Come to look at Petro's tent.
I think it was an eagle. Eagles live in the Wild West.
Is everybody all right?
Yes, Mummy.
It's nearly home time.
But we haven't done the pretend sleeping yet.
Everybody back in the tent.
He he he!

Good night, partners!
Good night, cowboy Petro.
I'm glad there aren't any wild animals out there.
Aho~~~~~
Wild animals!
Eeeeer!
It's a wolf.
Yes, it's my daddy.
Aho~~~~~
Mr. Wolf has come to take Wendy Wolf home.
All their parents are here to pick up the children.
Bye-bye, cowboy Petro.
Bye-bye, everyone.
Are you coming in, Petro?
I want a pretend sleeping a bit more.
OK!
Mummy, can I come in now?
Yes, my brave little cowboy.
Even brave little cowboys like to sleep indoors sometimes.
Night, Petro.
Good night, Ma!

12 Peppa and Georges Garden

Peppa and George's Garden
Daddy Pig is sitting in his favorite sunny spot.
Ah! What a perfect day for doing nothing!
Daddy Pig loves doing nothing.
How could this be better? I know! A cup of tea!
Grandpa Pig has come to see Peppa and George.
Grandpa Pig.
Papa ig! (George 还不太会说话, 所以发音不准)
Hello, Peppa and George! You are going to have your very own flower garden.
Woo! A garden for George and me!
I've got a packet of flower seeds for each of you. Now, we need a nice sunny spot to plant your seeds.
Here we are!
Grandpa Pig is digging Peppa and George's garden.
Oh!
Ah! Tea for the workers. Thank you, Daddy Pig.
Er...what's going on?
We are making a flower garden.
Do we need a flower garden?
Yes!
But that's where I sit in my chair.
There are more important things than chairs, Daddy Pig.

But I always read my newspapers here.
There are more important things than newspapers, Daddy Pig.
Yes, like flowers.
Look, Daddy.
Peppa has lots of flower seeds. George only has one flower seed, but it is quite a big seed.
Could you fetch us some water, Daddy Pig?
Mm...OK!
Seeds need water to grow. They get very thirsty.
Some little birds have come to watch.
Don't let the birds eat the seeds, Peppa.
Shoo! Shoo! Fly away, birdies.
Here is the water.
Daddy scared the birds away.
Ho-oh! Daddy Pig looks like a scare crow.
Ha ha ha!
Peppa, George, bath time!
Oh, but what if the birdies come back?
Don't worry, Peppa. I'll make sure the birds don't eat the seeds.
Thank you, Daddy.
Good luck, Daddy Pig. See you tomorrow.
Bye!
Ah, this is nice.
Daddy, you have to be the scare crow.
What? Oh! Shoo! Shoo! Naughty birds.
Now, stay there until the birdies go to bed.
OK, Peppa.
All the birdies have gone to bed. Daddy Pig can go inside now.
It is morning.
George, let's look at our flower garden.
Woo! Baby plants.
Morning! Ah, your plants have started to grow. Soon, they'll have flowers on them.
A little snail has come to take a look.
Oh, dear! Snails like eating plants.
Grandpa Pig, can you take Barbra to your garden.
Erm...OK, I'll take care of Barbra.
It is one week later.
Peppa, George, come and look.
My flowers! They are so pretty.
And look at George's plant.
It's a beanstalk. And it goes all the way up to a giant's castle.
Oh-oh. No, Peppa. But it does go quite high.
George's flower is taller than our house.

Oh-ho! George's grown a sunflower. Well-done, George.
I love our flower garden.
Now, let's make you a vegetable garden.
But that's where I sit in my chair.
There are more important things than chairs, Daddy Pig.
Like tomatoes, carrots, and potatoes.
I do like a nice potato.
Daddy pig loves potatoes. Everyone loves potatoes.

It's a gecko.
Edmond knows all about lizards. He is a clever-clogs.
I'll be straight there.
Woo! Can we come too?
Of course! Let's go!
Are we going in an ambulance?
No. The mountain's too far away! We'll go in my aeroplane!
Woo!
Aeroplane! Mow!
George loves aeroplanes.
All aboard!
Up bounds away!
I didn't know you had an aeroplane, Doctor Hamster!
Oh, yes! I'm the flying vet.
Thank goodness. The vet's here.
Stand aside. Vet's coming through!
Where's the sick lizard?
Here it is!
Oh, poor little gecko.
What is wrong with the lizard?
It seems to be upside down. Are you slipped over? There!
Doctor Hamster has made the lizard better.
Hooray!
Oh, another emergency.

Hello.
Hello, Grandpa Pig here.
Grandpa Pig is out sailing his boat.
It's Polly. She's a sick parrot.
Er~ Sick parrot.
I'll be right there.
Look, Polly. It's the flying vet.
Where are we going to land?
This is a seaplane, Peppa. We can land on the water.
Wow!
Hello, Peppa? George?
Hello, Grandpa. We've come to make Polly better.
How long has Polly been sick?
Since we came out on our boat trip.
Uh-ha! I know what's wrong with Polly. She's sea sick.
Oh?
Get Polly to dry land. The sooner the better.
There's an island.
There we go!
Better Polly?
Er~ better Polly.
Hooray!
Polly is not a sick parrot anymore.
Oh, another emergency.
Hello.
Hello, Daddy Pig here.
Daddy Pig is in his office.
There are some ducklings stuck on our roof.
I'll be right there.
Thank goodness, you're here.
Stand aside. Doctor Hamster's here.
Mrs. Duck laid her eggs on our roof.
And now the ducklings have hatched.
Who can make a quacking noise?
Me! I'm very good at quacking.
Peppa, start quacking and the ducklings will follow you.
Quack! Quack! Quack!
Quack! Quack! Quack!
Lead them to the duck pond please, Peppa.
OK, I'm Mummy Duck.
Quack! Quack! Quack!
Quack! Quack! Quack!
The ducklings are back with their mummy and daddy.
All because of me.
Ho ho ho!
Hello.
Is it another emergency?
Yes, it's Mr. Hamster. I'm late for my tea. Bye!

Bye-bye, Doctor Hamster.
Thank you.
No problem.
It's all in a day's work, got a flying vet.

14 Kylie.Kangaroo

Kylie Kangaroo
It is a lovely sunny day. Mr. and Mrs. Kangaroo have come to visit.
Hello.
Gooduh, Mr. Pig. We met at the airport. Remember?
Erm...
It was a while back. You said we could visit anytime.
Did I?
Yes, since we last saw you. We've had Kylie and Joey.
Say hello, kids.
Hello, I'm Kylie Kangaroo.
I'm Peppa Pig. And this is my little brother George.
This is my little brother Joey.
Joey lives in Mummy Kangaroo's pocket.
It's thirsty work, this traveling around. Would you like a drink?
Yes, please.
Lemonade! My favourite.
Mmm. That's lovely.
Yeah, sit down. Are you hungry?
I'm always hungry.
No worries. We'll make lunch.
Mr. Kangaroo is going to cook lunch on a barbecue.
Corn on the cob. Anyone?
Yummy!
We should do this at our house. Hang on! This is our house.
Come on, Kylie. Let's play in the garden. We can play my favourite game—jumping up and down in muddy puddles.
I like jumping too.
First, we have to find a puddle.
Oh, there aren't any muddy puddles.
The ground is too dry for muddy puddles.
I wish it would rain.
I hope it doesn't rain.
Oh, we'd love rain. We don't see much back home.
Well, if you want make it rain in this country, have a barbecue.
We can still do jumping. George is quite good at jumping, but I am the best. Watch this.

That's how you do it. Now, you try, Kylie.

OK.

Kangaroos can jump very high.

Wow!

Here is Rebecca Rabbit.

Hello, Rebecca. This is my friend, Kylie.

Hello, Kylie. Gree!

Are you playing a game?

We are jumping.

Rabbits are the best at jumping. Watch this.

Well-done, Rebecca! But that's not as good as my friend Kylie.

Go on, do your jump!

I don't want to show off.

Do it!

OK.

That is high.

Kylie Kangaroo is the best at jumping.

Here is Pedro Pony.

Hello, everyone!

Hello, Pedro. This is my friend, Kylie Kangaroo. She's my friend.

She can jump higher than anyone.

No one can jump higher than me on my super space opal!

Show him, Kylie.

But Pedro did really well.

Do it!

OK.

Wow!

Kylie Kangaroo is the best at jumping.

I can jump higher, but I'm a little bit tired.

Er...what was that?

It is raining.

Like I said, if you want it to rain, start a barbecue.

I'm afraid we'll all have to go indoors.

What? And miss the rain?

Mr. Kangaroo has got a big umbrella to shelter everyone from the rain.

Food's ready! Who's hungry?

Me! Me!

Mmm, yummy!

Peppa likes cone on the cob.

Mmm. Mmm.

Everyone likes cone on the cob.

It's stopped raining.

The rain makes everything so fresh and green.

And wet.

And muddy.

This is how you jump in muddy puddles.

Wow! That looks fun.

I'm the best at jumping, but Peppa is the best at jumping up and down in muddy puddles.

15 Captain.Daddy.Dog

Captain Daddy Dog

Peppa and her friends are playing at Danny Dog's house.

I'm a sea captain, sailing across the sea.

We are jolly pirates, shivery timbers.

Ahha!

It's the posts.

It is Mr. Zebra, the postman.

Hello, Mummy Dog. I've got a postcard for you.

Thank you, Mr. Zebra.

Bye now.

Who is the postcard from, Mummy?

It's from Captain Dog.

Daddy!

He's finished his sailing trip around the world and he's coming home.

Woo!

How exciting! I wonder when he'll be back.

Ahoy, there, Mr. Zebra.

Hello, Captain Dog.

Hello!

Daddy!

Danny!

Daddy!

Danny!

Daddy!

Captain Dog is home from the sea.

My Captain Dog!

Mummy Dog! My sweet heart!

How long are you home for, Daddy?

Forever! I've decided my travelling days are over. I've been around the world and made me fortune.

Woo!

And lost it again.

Oh!

And made it again.

Hooray!

Ah! I love to travel. But that something I really miss when I'm away...

What, Daddy?

My darlings, of course!

Ha ha ha.
So I'm hanging up my Captain's hat for good.
Let me tell you all about my travels.
I've been away for a year and a day, sailing around the world.
All the way around?
Yes.
What did you do at the bottom?
Did you fall off?
No, I held on tightly.
Wow!
What an adventure!
It was, and I brought back presents for all of you.
Woo! Presents!
Here's a drum for Danny, from a faraway jungle.
Thank you, Daddy.
Very good, Danny.
I can bang it louder.
Perhaps that's enough banging for now.
And for all your friends, some seashells from a desert island.
Woo!
If you hold them to your ear, you can hear the sea.
Yes, I can hear the seaside.
And for my darling Mummy Dog, a chest of golden jewels.
Wow! How lovely. That will come in handy.
Ah! It's great to be home.
It is morning. Captain Dog is up early.
Daddy, what are you doing?
I'm checking the wind, Danny.
Why?
Sailors always check the wind before they sail.
But you are not a sailor any more.
Oh, yes. I did say that, didn't I?
Do you miss the sea, Daddy?
No, no. I don't miss the sea. But I do miss my boat.
I've got a boat that Granddad Dog made for me.
Aa-ha! That's an exact copy of my boat.
You could help me sail it.
That sounds like fun.
Peppa and her friends are at the duck pond.
Ahoy, there, shipmates. Room for another boat on the briny waters?
Yes.
Excellent! Danny, our boat needs a captain. It can't sail itself.
Daddy, will you be my boat's captain?
I'll be delighted, Danny, if you'll be my first mate.

Yes, please.
Launch the boat.
A-ya Captain!
Wind is surf westerly. The waters are come.
My last adventure was sailing a boat around the world. My next adventure is sailing a boat across a duck pond! Ah ha ha!
Captain Dog likes sailing across duck ponds. Everyone likes sailing across duck ponds.

16 Crampy Rabbit's Dinosaur Park

Today is Freddy Fox's birthday and all the children are going on a big adventure.
Where are we going for your birthday, Freddy?
I don't know, but I can't wait to get there.
We're here!
Welcome to Crampy Rabbit's Dinosaur Park!
Woo!
Dinosaur! Grr...
George loves dinosaurs.
Are there really dinosaurs here?
No, just pretend ones.
Phew!
Real dinosaurs died out 65 million years ago.
Edmond knows a lot about dinosaurs. He is a clever-clogs.
But we've got better than real dinosaurs. We've got singing dinosaurs.
We are the dinosaurs, the dinosaurs, the dinosaurs.
We are the dinosaurs. Listen to us sing.
They are a bit small.
Yes, aren't dinosaurs meant to be big?
Ah, yes! We do have a big dinosaur. A real vampire. Erm, would you like to meet it?
Yes, please.
These are its footprints. We just have to follow them.
Woo!
These footprints look very real. Are you sure there is no living dinosaurs about, Grampy Rabbit?
Quite sure, Daddy Pig.
Over the botus (这里我怎么也找不到那个单词, 即使有画面我也不知道, 晕), everyone.
Across the bridge.
Through the cave.
Oh, the footprints have stopped.

Look! There are some green steps.
It's a big slide. Wee! Wee! Wee! Wee!
Wow! It's a big dinosaur.
Yes, it's my mopping ginormous dinosaur slide.
Aha ha ha.
That is some dinosaur.
He is a Plateosaurus.
Actually, the correct name is Apatosaurus.
You are a bit of a clever-clogs, aren't you?
Yes.
All right, my little explorers. Are you ready for the next bit of adventure?
Yes, Grampy Rabbit.
We have to find an egg.
An egg?
But eggs are little. It could be anywhere.
Leave it to me. Foxes love hunting for eggs.
Freddy Fox has a very good sense of smell.
Wow! What an egg!
It's huge!
Why is the egg so big?
It's a dinosaur egg.
Is it real?
No, it's better than real. It's pretend. Watch this!
Happy birthday! Happy birthday!
The dinosaur egg has a birthday cake inside it.
Hooray!
It is not a pretend cake, is it Grampy Rabbit?
No, the cake is very real and very tasty. Who wants some?
Me! Me!
Birthday boy first! Here you go, Freddy.
Happy birthday, Freddy.
Time for the beaten song and dance. Everyone, copy me.
To the stomp.
To the dinosaur. Stomp!
To the roar!
To the dinosaur roar!
Stomp! Stomp! Stomp!
Roar! Roar! Roar!
To the dinosaur stomp!
Stomp! Roar!
This is my best birthday ever.
To the stomp.
To the dinosaur. Stomp!
To the roar!
To the dinosaur roar!
Stomp! Stomp! Stomp!
Roar! Roar! Roar!

To the dinosaur stomp!
Stomp! Roar!

17 Bedtime Story

It is night time. Daddy Pig is reading Peppa and George a bedtime story.
And so the prince, the princess, the buggy and the frog all lived happily ever after. The end!
The bedtime story has sent Peppa and George to sleep.
Good night, my little piggies!
George's awake.
Dinosaur! Grrr...
George, you naughty piggy! Go back to sleep.
George is not sleepy.
George! Night time is for sleeping, not playing!
I can tell you a bedtime story.
Once upon a time, there was a little pig. His name was George Pig. And he was off to make his fortune. Soon, he came to a forest.
Do you like the story, George?
Inside the forest was a little house. And inside the house was a bowl of porridge. George Pig was very hungry. So he ate it all up. Yummy, yummy, yum.
But just as he finished, Baby Bear walked in, and said, "Oy, did you eat my magic porridge?"
George said, "Yes!"
Baby Bear said, "that was magic porridge. It will make you go very big."
And then George Pig began to grow. He grew and he grew and he grew until he was taller than all of the trees in the forest.
The end.
Are you sleepy, George?
No.
Not even a little bit?
No!
OK, I'll do a bit more story.
Baby Bear said, "there is a box of golden treasure at the end of the world. But it's too far for me to go because I am too little."
George said, "I will carry you there."
So George Pig walked to the end of the world. He walked and he walked and he walked. Are you sleepy yet?
No.
He walked through forests, then across mountains, across seas. And are you sleepy yet?

No!
He walked all the way to the end of the world and found a big box of golden treasure.
Woo!
And a big dragon!
Grr...
Yes! A big green dragon, with little wings, and breezing fire.
Roar!!!!
Luckily it was a very friendly dragon. And he said, "you can have the treasure."
But then, George Pig began to shrink. He shrank and he shrank and he shrank until he was the same little George Pig as he was before.
"How will we get back home now?" said Baby Bear.
"I can fly you home." said the dragon.
So George Pig and Baby Bear hopped on the dragon's back and flew all the way back home to the little house in the forest. And then it's the end.
George is asleep. Peppa is asleep.
Peppa, what are you doing out of bed? Night time is for sleeping, not playing.
Night-night, my little piggies. Sweet dreams.
Peppa and George are in their little beds, fast asleep.

18 Lost Keys

Peppa and her family have been for a lovely day out in the mountains.
Time to go home. Back to the car.
Thank you for visiting the Mountain Beauty Spot. See you again soon.
Key! Key!
No, George. You can't play with the car keys. You might lose them.
You're playing with the car keys, Daddy.
But I'm a grown-up. I'm not going to lose them.
Oh dear. Daddy Pig has dropped the car keys down a drain.
Oh!
Right! Let's go home.
Erm...that might be difficult.
Why?
Daddy dropped the car keys down the drain.
Oh, Daddy Pig!
Don't worry. I'll get the car keys out of the drain with a stick.
Hooray!
Mmm...the drain must be deeper than I thought.

The stick is not long enough to reach the keys.
What we need is a fishing rod. Then we can catch the keys on a hook.
Maybe Miss Rabbit sells fishing rods.
Erm...do you sell fishing rods.
We do, actually. I don't know why. You don't get fish in the mountains.
We are not fishing for fish. We are fishing for keys.
My Daddy dropped the car keys down the drain.
Oh, you'll never get those back. That drain's really deep.
What are drains for?
A drain takes the rain water away to the sea.
The fishing line is not long enough to reach the keys.
My goodness! How deep is this drain?
We can see how deep it is by dropping a stone.
Good idea, Miss Rabbit.
We can count how long the stone takes to reach the bottom.
One, two, three, four, five, six.
That, is deep!
Told you!
What can we do now?
It is Mr. Bull and his friends.
Digger! Train!
George loves diggers and trains.
Hello, everybody.
Hello, Mr. Bull. Welcome to the Mountain Beauty Spot.
Have you come to do some work?
No, it's our day off. So we came to enjoy the Beauty Spot.
You can see for miles, boss.
Yes, it's very pretty.
Erm...Mr. Bull, could we borrow your crane for a minute?
What for?
My Daddy dropped the car keys down the drain.
Say no more. I'll 听不出来 that in no time. Mr. Rhino, the crane please.
Stand clear. Down she goes!
How lucky Mr. Bull came along when he did! (我感觉这句话的语法有问题)
Yes, now we'll finally get our keys back.
That's the furthest she goes, chief.
Mr. Bull is the chief.
Did you find our keys?
No. The crane isn't long enough.
Now, what shall we do?
Easy! We'll dig up the road.
Hooray!
Mr. Bull is digging up the beauty spot.

Stop!
What's going on?
We came to see the beauty spot.
Erm...they're digging it up now. Won't be long.
My Daddy dropped the car keys down the drain.
Oh!
Hold it! Hold it!
It's the keys. We've got them.
Hooray!
There you go!
Thank you, Mr. Bull.
Oh, it was nothing.
Er...where's the beauty spot gone?
The Mountain Beauty Spot is now a big hole.
It's a cave now. Welcome to the Cave Beauty Spot. Woo!
All thanks to my daddy!
Err...and Mr. Bull.
Yes, I'm good at digging holes.
Mr. Bull loves digging holes. Everybody loves digging holes.

19 George's New Dinosaur

George is playing with his favourite toy, Mr. Dinosaur.
George loves playing with Mr. Dinosaur.
Mr. Dinosaur is made of plastic. It is almost impossible to break him.
Dinosaur! Grr...
George loves playing with Mr. Dinosaur in the bath.
At night time, George always takes Mr. Dinosaur to bed with him.
Dinosaur! Grr...
George, Mr. Dinosaur is broken.
Oh.
Mr. Dinosaur does not have a tail anymore.
Poor George.
You have had Mr. Dinosaur a long time.
I'm surprised he lasted as long as he did.
Maybe it's about time you got a new dinosaur.
Yes, we can go to Mr. Fox's shop tomorrow.
This is Mr. Fox's shop.
Mr. Fox's shop sells everything.
I'm sure we'll find you a lovely new dinosaur here, George.
Dinosaur!
George does not want a new dinosaur.
Look, George. A big dinosaur.
Oh! Dinosaur!
Good morning! Can I help you?

We'd like the dinosaur at the window, please.
Certainly!
Good choice. This is the Dino Roar. It roars, it walks, and it sings a dinosaur song.
Dino Roar! Dino Roar! Listen to the Dino Roar! Roar!
Wow!
Dino Roar!
We'll take it.
Roar!
George is playing with Dino Roar in the garden.
Don't play too roughly with Dino Roar, George. He has moving parts and might get broken.
George cannot play with Dino Roar in the garden. George wants to play with Dino Roar in the bath.
George, if you get Dino Roar wet, he'll stop working.
George cannot play with Dino Roar in the bath.
It is night time. George has taken Dino Roar to bed with him.
Roar!
Ah!
George! Dino Roar has woken me up. (Dino Roar is singing at the same time.)
Maybe Dino Roar should sleep somewhere else.
George cannot have Dino Roar in his bed at night.
It is morning.
Why is George looking so sad?
George cannot play with Dino Roar in the garden, in the bath, or in bed.
Never mind, George. Dino Roar can still roar.
Dino Roar! Dino Roar! Listen to the Dino Roar! Roar!
Oh!
I think the batteries must run out, Daddy Pig.
Already? How many batteries are in here?
Hundreds and thousands.
Dino Roar needs lots of batteries to make him roar.
Oh, what's this?
A trumpet?
It doesn't work.
Dinosaur!
That's not a trumpet, Peppa. You found Mr. Dinosaur's tail.
Oh!
Now, Daddy Pig can mend him.
I'll try. Mmm...I think it might be quite difficult to mend.
Oh.
Daddy Pig has mended Mr. Dinosaur.
Hooray!
Oh-oh, I'm a bit of an expert at mending things.
George loves Mr. Dinosaur.

Dinosaur! Grr...

Dinosaur! Dinosaur! Hello, Mr. Dinosaur!

Grr...

Mr. Dinosaur is George's favourite toy in the whole world.

20 Grandpa Pig's Train to the Rescue

Grandpa Pig is taking Peppa and George for a ride on his little train, Gertrude.

I love Gertrude the train.

And the good thing is, Gertrude has rubber wheels, so we don't have to go on train tracks.

We can go wherever we like.

Grandpa's little train goes Toot, Toot, Toot. Toot, Toot, Toot. Toot, Toot, Toot.

Grandpa's little train goes Toot, Toot, Toot, all day long.

Miss Rabbit is taking the grown-ups to work in her big train.

Morning Grandpa Pig. I'll 不确定 your toy train again.

Gertrude is not a toy. She's a miniature locomotive.

Oh, that's nice. Bye.

Go faster, Grandpa Pig.

I can't! This is as fast as Gertrude goes.

The big train is going very fast. Oh dear! The big train has broken down.

What's happening? We need to get to work.

Hello, Miss Rabbit. Having trouble with your train?

It's not funny, Grandpa Pig. All of my passengers need to get to work.

You need to get yourself a train that doesn't break down, like Gertrude.

That's a good idea. 不确定 you get. What?

I'm borrowing your train.

All change.

What am I going to do?

You can stay here and mend the big train.

Righto! I do like mending things.

Woo what fun! Riding a toy train.

Gertrude is not a toy. She's a miniature locomotive.

Of course! All aboard the toy train.

Can't it go any faster?

No, Gertrude is a slow train.

Mrs. Cow is waiting for the train at the next station.

What's happened to the big train? Has it shrunk?

No, this is a toy train.

Gertrude is not a toy. She's a miniature locomotive.

Off we go!

Grandpa Pig loves mending things.

So many interesting bits and bulbs.

Oh, dear! A traffic jam.

Gertrude can ride on the grass.

Of course!

Bye everyone.

Miss Rabbit is taking a shortcut. Pass the duck pond.

Hello, ducks.

Up the hill.

Hello, Gertrude. You can make it.

And to the next station.

Hello! Where's the big train?

The big train is broken. We're riding Grandpa Pig's toy train today.

Gertrude is not a toy train. She's a miniature locomotive.

Next stop! The end of the line.

This goes here! And that goes there!

Grandpa Pig has mended the train.

Good as new.

Last stop! Now you can all do your important work.

Hang on! It's taken so long to get here. It's home time.

Oh, back we go then.

But if we travel on Gertrude, it'll take ages to get home.

Hello, everyone. I've mended the big train.

Excellent, Grandpa Pig. All change.

Off we go.

Stop! What about Gertrude? We can't leave her behind.

Yes, Gertrude!

Don't worry! We can take the toy train as well.

Gertrude is not a toy.

We know! She's a miniature locomotive.

Gertrude is the best train in the whole wide world.

21 The Pet Competition

Peppa and her friends are at playgroup.

Children, tomo we will have a pet competition.

Woo!

Bring your pets to school. The best pet will win a prize.

I'm going to bring my pet gold fish.

I'm going to bring my sticky insect.

I'll bring my gecko.

I'm going to bring Monkey.

Oooh! Oooh!

That's not a real monkey. It's a doll.
It's not a doll. It's Monkey.
Oooh! Oooh! Oooh! Oooh! Oooh!
He likes you, Danny.
Zoë can bring Monkey if she wants to.
Home time, children. Don't forget your pets for the competition tomorrow.
It is the evening before the pet competition.
Peppa and Susie are getting Goldie the fish ready.
Eat up, Goldie. You've got a big day tomorrow.
I will polish your bowl.
Ha! Ha!
Lovely.
Pedro is talking to his sticky insect. A sticky insect is an insect that looks like a stick.
Tomorrow you will come with me to playgroup.
They will decide who is the best pet. And it will be you.
Edmond Elephant is talking to his gecko.
Watch me! Brrr...
Now, you do it. Brrr...
Ha! Ha! Ha!
Zoë; Zebra is talking to her monkey.
Are you excited about the competition, Monkey?
Oooh! Oooh! Oooh!
Remember to be good tomorrow. Don't be a cheeky monkey.
It is the day of the pet competition.
Madame Gazelle, who is going to decide which pet is the best?
Doctor Hamster!
Hello, everyone.
Hello.
Ah! What lovely pets you've got! That's a happy little fish.
What's its name?
It's Goldie. You've met her before.
She's got a very shiny bowl.
What is Goldie like doing?
She likes swimming around and going like this.
Wonderful! And who is this?
This is my sticky insect.
What's his name?
Steven.
What does he do?
He looks like a stick.
Amazing! Oh! What kind of animal is this?
It is a gecko.
Does he have a name?
Hemidactylus frenatus.

Edmond Elephant is a clever-clogs.
Right! And what does he do?
This!
Brrr...
Brrr...
Oh! Who's next?
Oooh! Oooh! Oooh! Oooh! Monkey!
Is he meant to be upside down?
Yes, he's asleep.
Ah, I see. Well, it's lovely. I've brought my pet too, Tiddles the Tortoise. He likes climbing trees and...
Who is the winner?
Yes, who's won the prize?
Now, the prize goes to...Tiddles the Tortoise!
Doctor Hamster has picked her own pet to win the prize.
That's not fair. It's your own pet.
Oh, no! This is only the prize for the best tortoise.
The prize for the best fish goes to Goldie the fish!
Hooray!
The prize for the best gecko goes to the gecko.
Hooray!
The prize for the pet who looks most like a stick goes to Steven.
Hooray!
The prize for the best monkey...
Doctor Hamster, he's not a real monkey. He's just pretend.
The prize for the best pretend monkey goes to Monkey.
Hooray!
But Doctor Hamster, we choose the best pet of all.
All of them. They're all happy healthy pets. They're all (这一句应该非英语，所以不确定)

22 Spider Web

Daddy Pig is hard at work in the study.
Daddy Pig, this study is a complete mess.
It's not that bad.
There are lots of cobwebs.
I love cobwebs. They give the room character.
Cobwebs mean spiders and I don't like spiders.
I do. Spiders catch flies and flies are horrid.
Well, as long as I don't have to see a spider.
Ah~~~~~
A spider! Hello, Mr. Skinny Legs! Oh! Where have you gone?
Find it. I don't want it in the house.
Everyone is looking for Mr. Skinny Legs.

Mr. Skinny Legs is not in the filing cabinet.
Oh!
Mr. Skinny Legs is not under the chair.
Ooh!
Mr. Skinny Legs is not on the table.
Oh!
I wonder where Mr. Skinny Legs is?
Ah~~~
Oh-oh! It sounds like Mummy has found him.
Don't be scared, Mummy.
Get rid of it.
OK, we'll take Mr. Skinny Legs into the garden.
Now, Mr. Skinny Legs has got the whole garden to play.
Bye-bye, Mr. Skinny Legs!
It is starting to rain.
Mr. Skinny Legs is running back to the house.
Maybe he doesn't like the rain.
He's climbing up the water spout.
Eensey Weensey spider climbed up the water spout.
Down came the rain and washed the Weensey out.
Out came the sun shining and dried up all the rain.
Eensey Weensey spider climbed up the spout again.
I don't want Mr. Skinny Legs in the house, Daddy Pig.
Let's take Mr. Skinny Legs a bit further into the garden.
There we are! A nice tree for you to live in.
What is he doing?
He's making a web, Peppa. Spiders live in webs and use them to catch flies.
Oh, he's very busy.
Yes. It's hard work building a web. That's why you must never ever break one. If you do, the spider has to do all the work again.
Yes, Daddy. Bye-bye, Mr. Skinny Legs.
It is bed time.
I liked watching Mr. Skinny Legs making his web today.
And tomorrow, he will make another web.
Really?
Yes, Mr. Skinny Legs makes a new web every day.
Where will the new web be, Daddy?
I don't know. We'll find out tomorrow. Good night!
Night-night.
It is morning. Daddy Pig is getting ready to go to work.
I don't want to be late. I have an important meeting at the office.
Daddy, you work very hard.
Yes, I do. But not as hard as Mr. Skinny Legs.
Bye-bye everyone. See you tonight.
Stop, Daddy!

What is it?
You cannot drive the car today.
Why not?
Look!
Mr. Skinny Legs has built a web, joining the car to the house.
Daddy, you said "you must never ever break a web."
Did I?
Yes, Daddy Pig.
If you move the car, you will break the web.
But how am I going to get to work?
Don't worry, Daddy. You can borrow my little bicycle.
Here you are!
Thank you, Peppa.
Daddy Pig is riding Peppa's little bicycle.
Have a nice ride to work!
I will, Peppa. Bye!
Bye!
Woo! Daddy Pig works very hard.
Woo!
But Mr. Skinny Legs works even harder.

23 The Noisy Night

Peppa's family are having a sleepover at Cousin Chloé's house.
Hello, everyone.
Hello.
You must be tired after a long journey.
Yes. An early night would be nice.
First, we'll put baby Alexander to bed.
This is baby Alexander's bedroom
Alexander likes noise. It sends him to sleep.
We like noise in this house.
We're a noisy family.
Peppa, George, you're staying in my room tonight.
Oh, goodie.
Peppa and George are excited to be sleeping in Cousin Chloé's bedroom.
Good night!
Good night!
Good night!
Good night!
Good night!
Night-night.
Everyone is tucked up in their beds. Asleep!
Baby Alexander is awake.

Peppa and George are awake.
What's that noise?
It's the vacuum cleaner.
Erm...why are you vacuuming at night?
We are not disturbing you, are we?
What? Oh, no!
We found noise is the best way to get baby Alexander back to sleep. He likes noise.
We're a noisy family.
Everyone is back in their beds. Asleep!
Baby Alexander is awake.
Why is Auntie Pig playing a trumpet?
To get Alexander to sleep. The more noise, the better.
Is there another way that doesn't use noise?
We do find noise is the best way.
When George was a baby, we used to put him in his pram and wheel him around the house.
And that always sent him to sleep.
How strange!
No loud noises?
That's right. How many times around the house was it, Mummy pig?
Three times?
Fifty times.
Daddy Pig is pushing baby Alexander around the house, fifty times.
Good, baby Alexander is asleep.
Can you let me back in?
I'll just switch the alarm.
Switch the alarm back on.
Peppa, what are you doing up?
I can't sleep, Daddy. It's a noisy night.
OK, Peppa. Let's get you back to bed.
Now, which bedroom are you staying in?
Stop, Daddy. That's baby Alexander's room.
Ah!
The light has woken baby Alexander.
That's all right. I've got the vacuum cleaner.
I've got the trumpet.
Stop! Stop! I remember another quiet way we used to get George to sleep.
Oh, yes. We drove him around in the car.
I'll get the car started.
Don't forget the alarm!
Daddy Pig has set off the noisy house alarm. The noisy house has woken everyone up.
It's Miss Rabbit in her rescue helicopter.
Is everybody all right, stand-by? I have the alarm.

Yes, thank you.
All right, cheerio.
All that loud noise has sent baby Alexander to sleep.
He's really fast asleep now.
All thanks to my noisy daddy.
Well done, Daddy Pig. We should have you to stay more often.

24 The Wishing Well

Grandpa Pig is showing Peppa and George around his garden.
Here are my cabbages, broccoli, and sprouts.
Woo!
Potatoes, carrots and beetroots live here. And over there, is the fruit.
What is this, Grandpa?
That, Peppa, is a weed.
What is a weed?
A weed is a cheeky plant, growing in the wrong spot.
Oh!
Pull it out and throw it in this bucket. There's no room for weeds in my tidy garden.
Grandpa Pig is very proud of his garden.
Maybe there's room to grow a little strawberry here.
In the middle of my carrots? No, Peppa. Strawberries belong with the fruit. Everything has its place. Isn't that right, Granny Pig?
Yes, Grandpa. Can we find a little place for this?
Er...no!
What is it, Granny?
It's a plastic gnome, Peppa. And he's going to live in our garden.
Oh, no! He isn't. There's no room.
There's plenty of room. What about here?
I can't have that ugly thing looking at me all day!
Peppa, George, do you think my gnome looks ugly?
No, Granny. I think he looks cute.
There, Grandpa. You are outnumbered. The gnome stays.
Ah! And here come the rest of them.
What?
Mr. Bull is bringing Mr. Gnome a truck load of new friends.
Yippee!
But gardens are for plants, not plastic.
Where do you want the gnomes?
We don't want gnomes, thank you! Oh!
Goodbye.

Naughty Grandpa Pig. Those are Granny Pig's gnomes.
Oh. It appears we do want gnomes.
I'll quit the gay. (这里听不清楚)
They are lovely.
Here is this as well. Cheerio!
Thanks you, Mr. Bull. Goodbye.
Bye-bye.
What's this? A giant gnome?
No, Grandpa.
It's a well.
What is a well?
A well, Peppa, is a very deep hole with water in it. Woo!
And as it happens, I do need water for my garden. So a well will be useful. But that is not a well.
It's made of plastic and there's no hole.
It's beautiful.
What's the point of a well without water?
It's a wishing well. You throw a coin into it and make a wish.
Can I make a wish, Granny?
Of course, Peppa. Here's a little coin.
I wish! I wish! I wish!
Oh, don't tell us what you are wishing for. OK.
Finished!
Very good.
Granny, do the wishes always come true? Yes.
Oh, goodie!
But now it's time for grandpa to take you home.
Bye-bye, Granny. Bye-bye.
Goodbye, my little ones.
Grandpa, you are very lucky having a wishing well in your garden.
Do you think so, Peppa?
Yes, you can wish for things whenever you want.
Mm...
And the wishes always come true because Granny Pig said so. Yes.
Do you want to know what I wished for, Grandpa?
What did you wish for, Peppa?
I wished that I could have a wishing well and gnomes in my garden.
Oh, well, I think we can do that.
Peppa and George have arrived home.
Mummy, Daddy, I made a wish. And it came true.
Really? What did you wish for, Peppa?
Lots of gnomes and a wishing well for our garden. Oh!
Er...Grandpa Pig, I don't think we have enough room.
Nonsense! You've got plenty of room.

Er...yes! I suppose so!
Peppa and George love gnomes and wishing wells.
Everybody loves gnomes and wishing wells.

26 Madame Gazelle's Leaving Party

It is home time at Peppa's playgroup.

Children, next week, there won't be any playgroup.

Why, Madame Gazelle?

I am going away. Oh!

Goodbye, children.

Goodbye, Madame Gazelle.

Peppa and George are home from playgroup.

Mummy, there is no more playgroup.

No more playgroup?

Madame Gazelle is going away.

I suppose she has been teaching a long time.

Madame Gazelle taught all the mummies and daddies when they were children.

Madame Gazelle taught me everything I know.

Who can count to three?

One! Two! Three! Hee! Hee! Hee!

Thinking about it, Madame Gazelle must be very old.

Which is probably why she decided to stop teaching.

I know! We should give Madame Gazelle a leaving party.

That sounds fun.

It is the day of Madame Gazelle's leaving party. Everyone has come to help.

Pedro, you stay outside and tell us if Madame Gazelle's coming along.

Why?

We don't want Madame Gazelle catching us getting her party ready.

Or it wouldn't be a surprise! OK!

I hope we invited everyone.

What about Madame Gazelle's old friends?

Wasn't she once in a pop group?

That's right! She played guitar!

With that Rocking Gazelles.

Hello, Rocking Gazelles.

Hello, Madame Gazelle is leaving the playgroup.

Gigi leaving? How sad!

We are having a party.

A party? What fun! We'll be there!

Good. Everyone's coming. Now, let's make the party food.

This is the playgroup kitchen. Everyone is helping with the party food.

Emily Elephant and Wendy Woof are decorating cupcakes.

I'll do the icing.

I'll sprinkle the hundreds and thousands. (这一句话怎么也听不出来)

Peppa and George are making jelly.

Wobbly jelly!

Wobble, wobble, wobble.

Pedro Pony is outside, keeping guard.

Here comes Madame Gazelle.

Madame Gazelle is coming.

We are not ready. Stop her, Pedro. OK!

Hello, Pedro. You are early for playgroup.

Yes! Don't go inside!

Why not?

It's a nice day outie, isn't it?

Er...yes, Pedro. Can I go inside now?

Oh, no! It's against the law.

What are you talking about, Pedro?

We're ready.

You can go in now.

And so say all of us.

Hooray!

Here is a present for you! An antique clock.

Woo!

It's made of solid plastic.

Thank you. But why is there a party for me?

Everyone wanted to thank you for being the best teacher in the world.

So we've made you a leaving party.

Because you are going away forever!

I'm not going away forever.

But you said there was no more playgroup.

Oh, Peppa. All I said was no playgroup next week! I'm going on holiday.

Oh!

I will be teaching for many years to come. Who else could be the teacher?

No one!

I'm very happy. Madame Gazelle is not leaving.

Yes, and I can't think of a better reason for a party.

And every party needs music.

Oh, ha ha. The rocking Gazelles!

Hello, Gigi. Have you still got your guitar?

Of course! Let's Rockty Rock!

She's an old lady with a crown on her head.
I am the Queen.
Miss Rabbit has fainted again.
Hello, Mrs. Queen!
Why aren't you wearing a crown?
I don't (不确定) wear it much, because it's very heavy.

That's sad.
Oh, dear! A muddy puddle! Never mind, we can walk around it.
You can't walk around a muddy puddle!

Oh, I see. That does look fun. Here one goes then.
Stop!
Ah???

If you jump in muddy puddles, you must wear your boots,
Your Majesty!
Oh dear! The Queen is not wearing her boots.

28 Desert.Island

Peppa and George are in Danny dog's house.
Captain Dog is telling stories of when he is a sailor.
I sailed all around the world, and then I came home again.
But now I'm back for good and I'll never get on the boat again.
Daddy, do you miss the sea?
Well, sometimes.
It is granddaddy dog, grandpa pig and Gramp rabbit.
Can captain dog come out to play?
What?
We're going on our fishing trip.
On a boat.
On the sea.
Ok. Let's go.
But daddy, you said you'll never get on the boat again.
Oh, yes. So I did.
Ok, bye-bye.
Bye. Well, then they go off on a boat, without me.
What are you going to do now, daddy?
Oh, I don't know.
Maybe I'll clean the seaweed off the house.
We don't get seaweed on houses.
No, of course not.
We'll take my boat.
Are you sure your boat's safe, grandpa rabbit?
Of course it's safe, I built it myself.
We don't need the bit.
Off we go.
I love going fishing.
Me too.
And what do you need for a fishing trip?
Fishing rods?
No, the picnic basket.
It's very good of you to steer at the boat, Gramp rabbit.
But I'm not steering the boat. I thought somebody else was.
Oh, dear. No one is steering the boat.
We're lost at sea.
And look, Gramp rabbit's boat is sinking.

Don't coming. I've met worse situation on this. (不太清楚)

Really?

No, this is the worst.

We are saved.

But we're stuck on this desert island.

We just see on the sky for company.

And we haven't got any food.

I've got a chocolate bar.

Good, we could save the chocolate in case we get hungry later.

Oh, dear. Gramp rabbit has eaten all the food.

What a terrible place to be stuck.

Is anyone else missing cheese?

We've only been here five minutes gramp rabbit.

I'm going to put a mark in the sand for every time I think about cheese.

We need to call for help.

Call for help, what a excellent idea.

Hel-----p!

Gramp rabbit is very good at shouting.

What is that?

That was the call of the sea.

Someone is in trouble.

What can we do?

We'll rescue them.

We can use granddad dog's boat.

Wait a minute; I said I've never get on a boat. Again.

But daddy, they need rescuing.

You're right, just this once. I shan't say that again.

Life jackets on.

On, captain dog.

Hold ... (不清楚)

All our food is gone.

There's nothing left to eat.

There must be something to eat.

Oh, there.

Hooray! We're saved.

Captain dog has rescued the granddads.

Land ahead.

Everyone off the boat.

Farewell, everybody.

See you in a few weeks.

Daddy, where are you going?

Me? I was just thinking of sailing around the world again.

But daddy, you're not a sailor anymore.

No, of course not.

You have saving tous captain dog.

Yes, and when they get lost again, you can rescue them.

Peppa pig.

Here's your water.

Right. Now I'm going to put flowers in it, I'll make perfume.

That's nice, dear. But only pick flowers from the grass, not from the flower bed, okay?

OK.

Hello, flowers. Who want to be in my perfume?

I'm going to put you in my pica of water. (没听清)

Hello, butterfly. I'm making perfume. It's going to be the prettiest, smelliest perfume, ever. Lovely.

Grandpa pig is in his herd garden.

Grandpa, grandpa, smell this.

It smelled like pond water.

It's my special perfume.

I made it with flowers from the garden.

Oh, yes. It's the most beautiful perfume in the world.

Yes.

Do you like it George?

No.

George doesn't like the smell of flowers.

Take this basket George.

You can make perfume out of something else.

I have got lots of lovely smelly things in my herd garden.

This is rosemary. I like to use it in my cooking.
 En, it smells interesting.
 This is mint.
 Oh, that smells very minty.
 And this is lavender.
 Oh, that smells like granny pig's perfume.
 Wow, that's a strong smell of lavender.

She looks a bit sad.

I think she is lonely. She hasn't got any fish friends.

Maybe Goodie could visit the aquarium.

What's the aquarium?

The aquarium is a place where there are lots of fish.

Shall we go to the aquarium, Goodie?

That means "Yes"!

The family have brought Goodie the fish to the aquarium.

I hope we can find Goodie a friend.

I'm sure we will, Peppa. The aquarium has every type of fish.

Hello, Miss Rabbit.

Hello. How many tickets, please?

Fishy!

Wow! There are many kinds of teeny fish.

Fish, fish, fish, fish, swim in the sea.

Who will be a fish friend for my fish Goodie.

Ho! Ho! Ho!

Could any of these be Goodie's friend?

Do you think this fish could be a friend for Goodie?

No! It is too big!

George thinks he has seen a dinosaur.

It's not a dinosaur, George. It's a funny kind of fish, called a seahorse.

You know lots about fish?

Yes! I like fish.

Can the seahorse be Goodie's friend?

Er...no! It's too dinosaury!

One more room to go!

Nothing! It's just green slime. Erk!

That green slime is algae.

There must be some sort of fish in here! Woo! There's a fish with big long ears. It's a rabbit fish.

The End of the Holiday

It is the last morning of Peppa's holiday in Italy.

I'm just going for one last walk.

Going for one last swim, Mr. Pig?

Er...yes, one last swim before I go home.

I want to stay on holiday forever.

Holidays are nice, but they don't last forever, Peppa.

Think of all your friends waiting for you back home.

Yes, I miss my friends. And I miss Goldie the fish. Can I telephone Goldie?

OK, Peppa.

Granny and Grandpa Pig are looking after Goldie the fish while Peppa is on holiday.

Hello?

Hello, Granny. How's Goldie?

Erm...she's eating well.

I sent Goldie a postcard. Does she like it?

The postcard hasn't arrived yet, Peppa. But I'm sure it will be here soon.

Oh! We are coming home today. See you later.

See you later.

Suzy Sheep has come to play with Peppa.

Hello, Suzy.

Hello, Granny Pig. Is Peppa back from holiday?

Not yet, Suzy. But she's coming back today.

Oh! Suzy is missing Peppa.

This suitcase's heavy. Are you sure we need all this stuff, Mummy Pig?

These are import souvenirs from our holiday.

OK!

Is everybody ready?

Yes, Daddy Pig.

Then let's go home.

Bye-bye.

Ciao! (意大利语的 Goodbye)

Oh, look!

Oh dear! Peppa has forgotten Teddy.

What a lovely holiday!

Yes, I have never felt so relaxed.

Ah, hello officer. Whatever I was doing, I won't do it again.

Mr. Pig, here is your Teddy. Please take a better care of him.

Teddy, we are going home today.

Suzy Sheep cannot wait for Peppa to get back home.

Hello, Suzy.

Is Peppa home yet?

No, Suzy. But she's flying home now.

Flying high, in the sky. Flying higher and higher and higher.

I hope it's sunny when we get home.

Peppa's family have arrived home.

Granny Pig! Grandpa Pig!

Goldie! What has Grandpa done to you?

Erm...she has felt out a bit, hasn't she?

Naughty Grandpa! You've fed her too much!

She was always hungry.

We've brought you some presents from Italy.

Look, Grandpa. A beautiful garden gnome!

Oh! You really shouldn't have!

Granny, has my postcard arrived?

No, Peppa. Not yet!

Oh!

That's my postcard.

Hello.

Oh, it's only Suzy!

I've really missed you, Peppa.

I've missed you too, Suzy.

Peppa and Suzy are best friends.

Here is Mr. Zebra, the postman.

A postcard, all the way from Italy.

Ho! Ho! We got here quicker than the postcard.

Look, Goldie. I sent you this postcard from our holiday.

Did you have a nice time on holiday, Peppa?

Yes! Did you have a nice time?

It rained every day.

Oh, goody. That means there'll be muddy puddles.

Peppa and Suzy love jumping up and down in muddy puddles.

Holidays are nice. But coming home to muddy puddles is even better.
